TORONTO, LOT 23.—The farmers in this and the adjoining sections are busily engaged in taking up the hay. A large crop of hay of exceptionally good quality is reported. The grain and root crops look very promising.—Z.

NINE MILE CREEK, ETC.—Rev. D. MacLean will preach at Nine Mile Creek on Saturday, Aug. 15th, at 7.30 p. m., and on Sabbath the 16th at Canoe Cove at 10.30. Churchill at 2.30 (not 7 p. m. as previously announced, and in the People's Church, Charlottetown, at 7 p. m.

UNDER THE AUSPICES OF THE Royal Ed. Chapter I.O.E.E. an afternoon musicale will be given at Government House by Summer residents at Holland Cove on Thursday, August 24th at three o'clock. The proceeds will be given to the Hospital ship fund. Further details later. 4087.

OVERSEAS VOLUNTEERS.—Volunteers may still be accepted for overseas service, the time for mobilization at Valcartier being extended on account of the non-completion of the medical examinations in many places. Those of the Fourth Regiment who have volunteered are ordered to assemble at the drill shed this morning at 10 o'clock for instructional purposes.

OFFICIAL INTIMATION.—Yesterday afternoon at 2.15 o'clock, His Honor Lieut.-Governor Rogers received the following official intimation of the existence of a state of war between Great Britain and Austria:—His Royal Highness, the Governor-General has received advice from the Colonial Office that war has broken out with Austria-Hungary. (Sgd.) THOMAS MULVEY, Under Secretary of State.

ATLANTIC CABLES.—Deferred cables, cable letters and week end cables can now be accepted for the following named places, London, Liverpool, Glasgow, Edinburgh, Bristol, Bradford, Dundee, Huddersfield, Manchester, New Castle on Tyne, Leith and West Hartlepool. DISASTROUS FIRE.—A serious fire broke out at North Rustico last week by which the fisherman's shanty owned by Mr. Leon Gallant was completely destroyed and a number of others badly scorched. The fire originated from the ignition of gasoline which was exposed to the light from a lantern. As there was a large amount of gasoline in the shanty it was found impossible to save the building. At the time of the fire Mr. Gallant was out fishing. His amusement on his return at the sight of a few smoldering embers where his shanty and fishing gear (valued at about two hundred dollars) stood a few hours before, is more easily imagined than described. His loss at this time of the year is a bad one and in it he has the heartfelt sympathy of the whole community.—Z.

INSTITUTE WORK.—At the last regular monthly meeting of the Cornwall-York Women's Institute held at the home of Miss Kathleen Macdonald, on August 3rd, a practical lesson in cooking was given by Mrs. Dunbrack, supervisor. The large number of members and visitors present showed the interest taken in this work by the ladies of these districts. After the demonstration the postponed business of the annual meeting was taken up. The President's address dealing with the work of the Institute for the past year and also the Financial Report of the Secretary were fully discussed, followed by the election of officers for the ensuing year. As the President, Mrs. George Macdonald, and Secretary, Mrs. David Scott, declined re-election, Mrs. Donald Murchison was appointed President, and Miss Mamie Robertson, Secretary. Directors, Miss Mallett, Mrs. D. White, Mrs. H. Murchison, Miss K. Macdonald, Mrs. Abbott and Mrs. Orman. Auditors, Mrs. David Scott and Miss Bertha Scott. Patriotic choruses and words of loyalty evidenced the deep feeling of all in the struggle now going on and there is no doubt the appeal for aid in hospital work by the Mother Country, will meet with a generous response from the Institute. A hearty vote of thanks to the Supervisor, Mrs. Dunbrack, and to the hostess, Miss Macdonald, brought to a close, a very successful meeting. The subject for discussion at next meeting will be "Pickling and Preserving," and will take place on

Complete Outfits for When Food Taxes Your Strength

YOU NEED THE TONIC TREATMENT OF DR. WILLIAMS' PINK PILLS.

When the food you take fails to nourish when it causes you pain and often a feeling of extreme nausea, the cause is indigestion. Your stomach is too feeble to do its work and you will continue to suffer until you strengthen your digestive powers. Your digestion has failed because your stomach is not receiving the pure red blood of health to give it strength for its work.

The tonic treatment of indigestion by Dr. Williams' Pink Pills for Pale People succeeds by building up and enriching the blood supply, so that the feeble digestive organs are strengthened, appetite is restored and tone given to the system. Thousands have proved this by personal experience, as is shown by the following typical instance. Mrs. James Boyle Dartmouth, N. S., says: "For years I was a sufferer from indigestion. I could not take food without feeling terrible distress afterwards and consequence I was badly run down. Sometimes after eating I would take spells of dizziness with a feeling of numbness throughout my body, and at other times my heart would palpitate so violently that I feared I would die. Naturally I was doctoring continually but without getting better. Then my husband got me a supply of Dr. Williams' Pink Pills and before long I found they were helping me, and I continued to take them until I was restored to health. I was never in better health than I am now, and I owe it all to Dr. Williams' Pink Pills for Pale People. These Pills are sold by all medicine dealers or you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
