The journey of your laundry from tub to line can be made easier on both clothes and back if you use Sunlight Soap.

You don't need to pound and rub—

SUNLIGHT

will do the work; just lather the fabrics well, let them stand awhile and then watch the dirt drop out.

Moreover it is pure soap that does the work—there are no chemicals in it to bleach or cut your clothes.

We will give $5,000 to anyone who can find adulterants in Sunlight Soap. 5c

Use Sunlight Soap according to directions—try it just once—and convince yourself that it will do twice as much as other soaps. 524

Be on hand early for the remnant sale-It commences at nine o'clock this morning sharp--the nine o'clock shopper always has just a little the best of it.—Moore & McLeod. 1-25d1i.

The case of Carrie E. Cudmore vs George Cudmore an action for wages was taken up at the Supreme Court yesterday morning, before Mr. Justice Fitzgerald and a jury. This case occupied the attention of the court all day. The jury retired about four forty and subsequently returned with a verdict for plaintiff of $576.00 J. Johnson, K. C., for plaintiff, A. A. McLean, K. C., for defendant Court adjourned to meet at ten thirty this morning.

The hall at Marshfield was the scene of great festivity on Monday evening last when the Marshfield Farmers' Institute held their annual banquet. It was a grand affair and the wives and daughters of the members surpassed all previous efforts in the arrangement of their tables and the many delicacies they supplied. The evening passed rapidly with songs, recitations, music, speeches etc., and not a dull moment was experienced. The President, J. R. Munn, presided, and the genial secretary, L. H. D. Foster, during the evening gave a splendid account of the Institute's work which was thoroughly enjoyed by the company. Marshfield's Institute has hustling business men at its head and is becoming one of the foremost institutes in this Province.

The sad news of the death of Miss Annie Johnson, city, which occurred last evening will be learned with genuine regret throughout the city. Miss Johnson passed away last evening after a comparatively brief illness. The deceased was a daughter of the late Dr. Richard Johnson, city, and a sister of R. M. Johnson, druggist, city, and Arthur Johnson, Toronto. The late Miss Johnson was a prominent member of the First Methodist Church and took an active part in all departments in which woman's work was necessary. She labored faithfully for her Master and His Church and in her death the latter has lost one in whose place it will be difficult to substitute one whose work will be marked with that degree of wholeheartedness which was so evident in the deceased. With her friends and acquaintances she was one especially esteemed and by the members of the family was greatly beloved. The hosts of friends of the deceased and her relatives will join with The Guardian in tendering heartfelt sympathy.

::—Another big smash. Another record broken. During 1910 with the enlarged and improved plant of Sterns' big laundry on King Square more than fourteen hundred (1400) parcels in excess of previous years were handled and the names of a splendid lot of new customers appear on our lists. This tells the story of Sterns' big laundry for 1910. Think it over. Telephone 104. 1-24d5ipd.

Among those who attended the funeral of the late Benj. Rogers, city, were Judge McLeod, A. E. Arsenault, John Muirhead and Thomas Frizzle, Summerside.

The card of John Buntain, of Rustico, the Liberal-Comservative candidate for the Second District of Queen's appears in another column of this issue.

Burns Anniversary, tickets for the twenty-seventh, will be on sale at Jamieson's and Rankin's. on Friday morning, at ten o'clock. The Auld Scottish Songs, Highland Dances. Pipe and Orchestral music, will also be a pleasing feature of this evenings popular drama.

NOMINATION OF THE CONVENTIONS

(Continued from page 1.)

This nomination was then formally moved by P. J. Berrigan, Dunedin, seconded by Edward Carr, Wheatley River, and carried unanimously.

Mr. Buntain then arose and made a ringing speech in which he expressed his thanks for the nomination and spoke generally of the coming contest.

Among the others who spoke after Mr. Buntain were John A. Mathieson leader of the Opposition, Thomas Doyle, North Rustico, D. K. Dobie, M. L. A., W. S. Stewart, City and John Bradley, Kelly's Cross.

The meeting was noted for its harmony and on the whole an optimistic spirit prevailed. It closed with three cheers for the candidate and others.

THE CANDIDATES.

George W. McPhee—Mr. McPhee is a native of Canoe Cove and received his early education in Prince of Wales College. He graduated from the college in 1898 and then taught school for some years. He then entered the office of Major W. A. Weeks as a student at law and was ately admitted to the Bar, passing highly creditable examinations. Mr. McPhee is an earnest politician and has taken a great interest in public affairs since graduating from College. During the Dominion Elections of 1908 he was an energetic campaigner and in his speeches at public and political meetings exhibited much talent in a debate and a keen knowledge of political affairs. This is, however, his initial step in the political arena.

John H. Buntain—Mr. Buntain is a native of Rustico and he, too, was educated in the Prince of Wales College. After graduation he followed the teaching profession for about two years, teaching in Summerside and Rustico. He then took up the occupation of farming in Rustico and has become one of the most progressive farmers in his locality. He has followed the trend of political affairs with much interest and has been active in campaigning work. Until about ten years ago he was a Liberal but changed his politics on an issue. He is a man to whom those resident in his district look up to with respect and will doubtless put up a strong contest on February 8th, the day of the polling.
