The Newest and Best

The old Ayer's Hair Vigor was good, no question about that. But your own doctor, the one you have great confidence in, will tell you that Ayer's Hair Vigor, new improved formula, is far better. The one great specific for falling hair and dandruff.

We publish the formulas of all our preparations.

QUEEN'S COUNTY GUARDIAN

Head Offices In New Prowse Block—Charlottetown.

W. S. Muttart, Carleton, was in the City Saturday.

A number of schooners came into port Saturday night for shelter.

Any good boy who wishes to learn the printing should apply to this office at once.

Miss McPherson, daughter of the late John McPherson, was an arrival by the mail train on Saturday night.

Mr. Crogan, advance agent of the "Joshua Simpkins" Co., leaves this morning on return to the Mainland.

The monthly meeting of the City Council will be held this afternoon at 3.30 instead of tonight, to enable Councillor Hooper who is reported somewhat improved in health, to be present.

Advertisers are asked to have "changes" in not later than ten a. m. each Saturday for the Morning Daily and Rural Daily, as Guardian employees have a half holiday each Saturday. The business, and news departments are open as on other days.

The St. John Telegraph says J. E. B. and Mrs McCready, of Charlottetown, who have been the guests of Dr. J. B. and Mrs. Travers for the past week, have received a warm welcome from their numerous friends in that city. They expect to return to the Island on Monday.

There was a slight accident on Prince street on Saturday evening, the result of a horse being alarmed by an auto. Two ladies, who occupied the wagon, jumped from it when the horse showed signs of fear. The driver however held on but was unable to control the horse which plunged till it upset and injured wagon.

An accident which fortunately was averted from being fatal in its consequences occurred on Saturday at Geo. E. Full's mill, when the proprietor was caught in some of the machinery. Before the machinery was stopped he had been seriously bruised, and for a time it was feared he had been badly injured. The doctor's report yesterday was, however, reassuring, and it is probable that Mr. Full will be able to be out again in a few days time.

Proprietors of all boarding houses hotels, summer resorts, or farm houses that can accommodate tourists, should send in their names at once to the Information Bureau of the 200,000, Club at Charlottetown. State in your letter what accommodation you have, the nearest railway station or seaport, and your daily and weekly rates. Address all letters to Arthur L. Beer, Secretary of 200,000 Club of P. E. I. Charlottetown Box 47. No charge will be made for registering your name and hotel.

The popularity of the proposed bicycle road race race, to take place this summer and for which The Guardian has promised a cup, seems to be very well assured. Prowse Bros., Ltd., have promised a medal and one will also be given by L. B. Miller, Principal of the Charlottetown Business College, and there is every probability that the Canada Cycle and Motor Company will supplement these handsome trophies by donating a bicycle. More interest seems to be manifested in this event than in any yet scheduled and there is no doubt but that the race will be a notable and record marking one in Island Athletics.

The sensational rural comedy drama, "Joshua Simpkins" will be produced in the Opera House tomorrow and Wednesday nights. The play contains an interesting and intelligible plot, but it is not allowed to interfere with the fun, which is said to be in abundance. During the run of the play some startling scenes and situations are seen, the principal of which is said to be the saw-mill, in the third act, shown in complete operation, cutting up real timber. The saw used is the genuine article, the same as usually seen in large country saw-mills. An excellent band and fine orchestra accompany the attraction. The band will parade at noon, when some good music may be looked for, all being dressed as farmers.

W. H. McGlashing leaves this morning for Montague where he will be for the week.

Miss Minnie McDonald, was a passenger to the City Saturday night by the mail express.

The Knox Presbyterian church Amherst N. S. has extended a call to Rev. S. A. Ramsay, of P. E. Island, who was to enter on his new duties on Sunday.

Among the arrivals on Saturday night by the mail express were Mrs. A. A. Alley and Miss Hyndman, returning from a visit to England.

Mrs Charles Robertson and daughter, who has been visiting in Spokane, for some months, with Mrs. Charles McLean, arrived home Saturday.

Mrs. Jarvis, who recently has been visiting her son in Fort William and later staying with Ernest and Mrs. Jarvis, Ottawa, has left to spend the summer in this Province.

Last week his Honor the Lieutenant Governor telegraphed Admiral Neville inviting him to visit Charlottetown with his squadron and received the Admiral's reply regretting that his programme prevented his accepting.

Intending contestants for the road race on the 22nd inst., for the cup and medals contributed by Dr. Ledwell and Messrs. Boggs and Sterns, are notified that the entries for this event will close this evening at this office.

Sir Louis and Lady Davies are closing their Ottawa house about the end of this month and will then leave for here to stay at Riverside, their Charlottetown residence, for the summer. Miss Gertrude Davies left Ottawa a few days ago to visit her sister, Mrs. James Hyndman, at Edmonton.

Miss Annie Johnson, daughter of Dr. Richard Johnson, of Charlottetown, has been a guest at the home of the Rev. E. Evans, D. D., and Mrs Evans Everett Street, Station Hampton, N. B. during the past week previous to her leaving on Thursday for a visit to friends in England.

The Knights of Pythias made a brave turnout yesterday and the marching and martial appearance of Victor Co. was much admired by the assembled spectators who lined the route of procession. At St. Paul's Church an appropriate service was celebrated and the sermon was preached by the rector.

In connection with the prize cup which is to be given by The Guardian as already announced for the best all round Island athelete, making the most points annually at competitions here under the governance of the Amateur Atheletic Association of the Maritime Provinces, C. W. Patterson, jeweler, of this City, has also promised to denote a medal.

THE SEMINARY GRADUATE.

A seminary graduate
Was Miss Samantha Brown,
The wisest, wittiest, prettiest girl
In all our lovely town;
Her graduation essay was
The finest ever read
In east or west or north or south,
Or anywhere, 'tis said.

Her dress was white pekay, en train,
And built with fairy skill,
'Twas tucked and plaited, gored and trimmed
With many a flounce and frill;
The overdress was baby blue
Enwrought with laces fine,
Oh, all the women folks declared
The essay was divine!

The basque was cut in Parisian style,
With pipings all of silk,
The corsage was besplashed with bars
Of velvet paler than milk;
The wrist was made decollete
And showed a comely form;
The essay—doubt you what we say?
Took all the men by storm.

This Automatic Eye Glass Holder

is meeting with much favour from eye glass wearers.

A slight pull unwinds the chain the necessary distance to permit the glasses to be used and after use a slight jerk releases the spring which winds up the chain and holds the glasses safely.

No lost or mislaid glasses with the "Automatic" but always "ready for use".
