JACK THE RIPPER SLAYS SIX NEGRO WOMEN IN ALANTA

ATLANTA, June 27—Apparently a Jack the Ripper is at work in Atlanta and his purpose is to murder negro women.

The finding of the mutilated body of a comely negress in a side street this morning marks the sixth of a series of mysterious murders which have puzzled detectives and thrown the negro population into a state of terror.

Each of six consecutive nights has seen the murder of a negress and in each instance the body has been mutilated in a manner to indicate exact knowledge of anatomy.

In each instance the body of the victim has been found in a lonely side street. Physicians say the murderer is undoubtedly a pervert with knowledge of anatomy. The detectives have no clue. The negro women are so terrorized that they are keeping off the streets at night.

KAISER DECORATES J. PIERPONT MORGAN

KIEL, June 27—J. Pierpont Morgan yesterday presented Emperor William with the autograph letter written by Martin Luther in 1521 to Emperor Charles V., and for which the American recently paid $25,500. His majesty conferred the grand cross of the Order of the Red Eagle on Mr. Morgan.

The letter, which is in Latin, was written during Luther's return journey from the Diet of Worms, and described the proceedings and defended his attitude. The letter never reached the Emperor, as its contents were such that no one dared deliver it.

A Florence dealer representing Mr. Morgan obtained the epistle at an autograph sale at Leipsig on May 3 last.

Mr. Morgan came here last night, and was a guest at a luncheon given by Emperor William to Rear Admiral Badger and the commanders of the visiting American fleet aboard the imperial yacht. Ambassador Hill was also a guest, and others present were Chancellor von Bethmann-Hollweg and the German admirals here.
