Beekeepers are on guard while visitors line up to see replicas of the crown jewels on exhibition. Recently newspapermen saw the real jewels behind steel bars and bullet-proof glass in a case which can disappear beneath the floor. No photographs were permitted.

**Summerside
Juveniles Confess
To Grocery Break**

Summerside police secured confessions from three juveniles yesterday to breaking and entering the Central Groceria on Wednesday afternoon or evening. Recovery of four cartons of cigarettes was made and the boys will appear in juvenile court.

The break was discovered by Mrs. Ernest Perry, who lives next door, shortly before six o'clock and she phoned Mr. Frank Jenkins, the proprietor. When he arrived he found that the door leading into the warehouse at the rear of the store had been forced. Further examination revealed the determination of the thieves to gain entry. A panel in a very strong door leading into the main store from the warehouse had been broken. Evidently they thought by that means to release a bolt. Finding this impossible they then took the door of its hinges.

Mr. Jenkins estimates his loss to be about fifty dollars worth of cigarettes, mostly now recovered. This is the second break into that store since the first of the year.

The three boys involved are to appear in juvenile court this Saturday on charges of stealing from automobiles.

Only last week Chief Peter White had caught two of them in the act of taking a case of beer from an automobile. Sometime Tuesday evening a camera valued at \$100 and some other articles were taken from a car parked in front of the Queen Hotel. The car had been locked but one of the windows had not been turned all the way up and someone was able to get his arm in the opening and release the lock. —S.

Seeing the contest between Mt. Allison and St. Dunstan's last Saturday has given the boys a great enthusiasm for the game and they also absorbed some ideas from seeing these top-notchers in action.

One of the finest prospects in Prince County is "Toey" Richards from Borden, the boy who contributed so much to the success of the Summerside Juvenile Maritime champs of two years ago. We haven't heard of "Toey's" plans for the coming winter, but think that some smart junior team in the Maritimes could use him.

The time for hockey iterations has arrived and we have heard of many hockey tourists in these parts. There have been rumors that some of our juveniles will try out with Halifax St. Marv's and it has also been said that "Boo" Morrison who played for New Glasgow last year might appear in a Moncton Hawk uniform but there is nothing official about these reports, and they may be without foundation.

records in baseball recently we came across a rather interesting fact, you might even call it a coincidence. In the summer of 1946 the Red Sox defeated the Legion in the final game for the Town championship by the score of 3 to 2. "Dutch" Underwood, then a Red Sox, scored the winning run. This year the Legion defeated the Red Sox in the final game for the championship by the score of 7 to 6. The same "Dutch" Underwood, now a member of the Legion nine, again scored the winning run. It seems you just can't beat the Dutch.

Jimmie Hogan has his football squad out every day, (and what

wonderful days!) and they are practicing hard for the game with Queen Square to be played in Summerside next Saturday. The boys and their coach feel that they have everything to win and nothing to lose. They will hardly be trimmed any worse than they were in Charlottetown, and they are determined to put up a much better game than they did a week ago. They have managed to rustle together two complete teams and their practices have been much better because of this. Jimmie is specializing on tackling as that was where the boys were lamentably weak in their first game.
