

W. C. T. U. NOTES

PEOPLE WHO CARE
By Miss Doreen
It wouldn't be worth all our efforts to keep our lives from defeat and our life from despair...

THE OLD BOOTLEGGERS ON PARADE AGAIN

The Governments hesitate to raise the tax on liquor to a sufficient height where income will take care of the economic damage done...

LIQUOR TRAFFIC A GREAT HAZARD

What shall it profit a nation to balance its budget by drink and lose its soul? Revenue holds its share with the liquor traffickers...

THE AMERICAN BUSINESS MEN'S RESEARCH FOUNDATION SAYS:

While Science and Alcoholics Anonymous attempt to analyze and salvage individual cases of alcoholism, the great omnipotent fact today is the dominant, sinisterly purposeful propaganda of the organized liquor interests...

THE ISABELLA SCOTT MEMORIAL PRIZE

The Quebec Provincial W. C. T. U. seeking to extend its educational work among young people during the past winter offered a prize in the George Williams College, Montreal...

BABY BOTTLES

From London Evening News People who travel by train in Eire find one source—baby bottles of whiskey will be placed in abundant supply...

MUFFINS LIFE SIZE

Muffins shrink from a beating, so don't beat the batter. Mix gently until all the ingredients are blended...

INSULIN REPLACES ICE CREAM

To the average person ice-cream and insulin haven't a great deal in common except in a dietary sense...

The Man Who Wasn't Himself

By Leslie Cargill

I had confirmed just what Joyce had said. It was something to be sure serious. He wondered what MacParlane would say about a possible reversion to type...

I'd better keep away from the Trisham crowd, he said. Tom Fawley concurred. Not that you see absolutely back to pat-tern, he added...

It was imperative that the public unmasking should be delayed until the right hour. A premature discovery of the masquerade might be fatal...

It's such a nice piece of work, isn't it, taking food from hungry folk to provide booze and huge living for people like you, Richard retorted.

He started turning nasty telling Richard to go to the police. Straight into a cell for you, he sneered. And they wouldn't get me anyway...

I am investigating the death of Felix Thomas, sir, he opened. There is a little I can add to the evidence at the inquest...

He entered my employment in 1930. Thank goodness he had primed himself with certain relevant facts. In 1930, sir? That's a longish spell. Do you know anything of his family affairs?

CHAPTER XX UNDER THE EYE OF THE POLICE Do you mind if I smoke? said Harkness to the inspector...

Inspector Tyrrell took a pipe from his pocket, remarking amiably: Pleased to join you. Helps to create a more friendly atmosphere...

Even an innocent man is inclined to be queasy when questioned about such a matter. Imagine the effect on the guilty one. I hate to think of it...

What, as a suspect? That's rather too leading a question, sir. And, anyhow at the in-quest nothing came out about foul play.

(To Be Continued)

INVASION MAKES MORE URGENT THE SAVING OF CIVILIAN GAS! A Message to Canadian Motorists. THE invasion of Europe has thrown a vast and critical burden upon the petroleum resources of the United Nations. In the first eight days of the campaign alone Allied aircraft flew 56,000 sorties...

LESS CIVILIAN GAS MEANS MORE 'FIGHTING GAS' FOR THE FORCES

NO. 1 OF A SERIES OF ANNOUNCEMENTS ISSUED BY THE DEPARTMENT OF MUNITIONS AND SUPPLY, HONOURABLE C. D. HOWE, MINISTER

INSULIN REPLACES ICE CREAM

To the average person ice-cream and insulin haven't a great deal in common except in a dietary sense...

WEATHER FORECASTER

Torrice invented the first barometer in 1643. When painting a stairway that is in constant use paint every other step...

DOROTHY DIX SAYS

DEAR DOROTHY DIX—I am a girl under 20 and am employed in the work which I hope to make my career...

WEATHER FORECASTER
