RUB THAT SORE SPOT

With Father Morriscy's Liniment and Promptly Stop the Ache.

Every household has its share of aches, pains, bruises, chilblains, burns, stiff joints, chest colds, sore throats, muscular soreness and similar troubles. It is surely unwise to suffer with even the least of these, when there is a sure and speedy remedy.

Father Morriscy, the famous priest-physician, was especially successful in devising a prescription for the prompt relief of these ailments. Many thousands of families keep a bottle of Father Morriscy's Liniment constantly in the house, ready for any emergency.

Unlike most liniments, it has both a pleasant feeling and a clean, wholesome smell. It is a splendid rubbing liniment, as it makes the skin soft and smooth, and does not blister. Better yet, it goes straight to the seat of the trouble, very little remaining on the skin.

In rheumatism and backache, it is a helpful adjunct to Father Morriscy's "No. 7," and in cases of sore throat and cold on the chest it supplements his well-known "No. 10."

The liniment should be always on hand against a case of need. 25c. a bottle, at your druggist's, or from Father Morriscy Medicine Co., Ltd., Chatham, N.B. 89

THE PRINCE COUNTY GUARDIAN

Offices in Summerside, Miss Amy G. Burrows, Agent, Summer Street, and J. F. Lafferty, Water Street, News Correspondent; and in Alberton, Herbert Clark, Agent.

—The latest news, first of all.

—J. W. Richards, M. P., Bideford, left Saturday morning for Ottawa.

—The steamer John Irwin, with coal for the Railway arrived in Summerside yesterday forenoon.

—Mrs. W. H. Amos left by the Cascapedia yesterday morning after spending the summer with her parents W. H. and Mrs. Brown, Summerside.

—Among the shipments by the Empress from Summerside Saturday morning were twenty-seven head of fat cattle shipped by C. Kane to the St John market.

—The Cascapedia arrived in Summerside early yesterday morning on return to Montreal and left again about 10 a.m. The delay in leaving was caused by one of the firemen A. Gallant, belonging to Summerside who left the ship and refused to return when ordered by the captain to do so. The captain at once had officer Phillips sent after him, who arrested the deserter and took him to jail, but on arriving there he changed his mind and decided to return to his ship.

—A correspondent from Mount Tryon writes:—Harvesting in this section is now almost completed, and the sound of the gasoline engine may be plainly heard thrashing out the golden grain.—J. Alfred Wood is spending a well earned vacation with friends in Boston Mass, being the guest of his brother Joseph Wood.—Henry Quigley leaves in a few days for the domains of "Uncle Sam," where he has secured a position.—A report is current that liquor is being sold in the vicinity of Mt Tryon. It is hoped that in the near future sufficient evidence may be obtained, and the guilty parties brought to justice—New rails have recently been placed on the bridges below Thomas McEwen's and William Delaney's, which, no doubt, will be much appreciated by the travelling public. The work was done by the noted contractor James McLeod.

BORN.

BELL—At Hope River, Sept 29, 1910, to Simpson and Mrs Bell, a son. Congratulations.

ANNOUNCEMENT.

"The Willing Circle of the King's Daughters now have the memorial volume of Rev Dr Dobson's sermons ready for sale. It will make a very appropriate remembrance or gift to send to all your friends. 12-11drtf.

—P. C. Sharpe, Summerside, was in Halifax Friday.

—The Morning Daily Guardian can be obtained at Lafferty's Tonsorial Parlors, Summerside. 12 16drtf.

—Mrs J. A. Brace and Mrs W. S. Newsome, Summerside, left on Friday morning last to attend the Halifax Exhibition and some say the races.

—The three men who were arrested on suspicion of burglaries at Stanley Bridge were up for hearing before Stipendiary Wright at Summerside on Friday last and also again on Saturday morning when the hearing was further adjourned until tomorrow. None of the stolen goods, with the exception of what was found on the prisoners and which cannot be definitely proven, can yet be located.

—The third catalogue of R. T. Holman, Ltd., Summerside, has been issued and is now being distributed. This move on the part of Holman's some time ago met with even more success than was anticipated and this year the firm have gotten out a catalogue which compares more than favourably with that of any foreign house which has reached here. The catalogue describes in minute detail an immense variety of goods of many qualities and prices and every page is replete with illustrations making the "shopping by mail" feature of the house easy and allowing almost as free a choice as one would have in the store. The big firm's enterprise in thus boldly getting after other mail order houses who heretofore have had the field all to themselves in this province should be recognized at its full worth and they should receive the hearty support and patronage of all who have acquired or are about to acquire the "shopping by mail" habit.

GEORGETOWN SKIPPER IN TROUBLE.

SYDNEY, Sept. 30—For the third time within the space of three months Captain Edward Dicks of Georgetown P. E. I., former master of the schooner Miantonomah, who was twice convicted on charges of carrying contraband, goods, and of landing them at Scaterie, knowing them to be contraband, was arrested yesterday afternoon, this time on the charge of perjury. Captain Dicks was later released on $2,000 bail. The captain is alleged to have perjured himself during the hearing of the first case, when he swore, that as far as he knew there had been no liquor taken on board the schooner at St. Pierre; that none had been landed from her; and that he had seen no liquor on board at any time during the trip. Two of the crew of the schooner, on the contrary, swore that the captain had been a party to the scheme and that he knew all about it. The preliminary will be begun before W. H. Hearn next week.

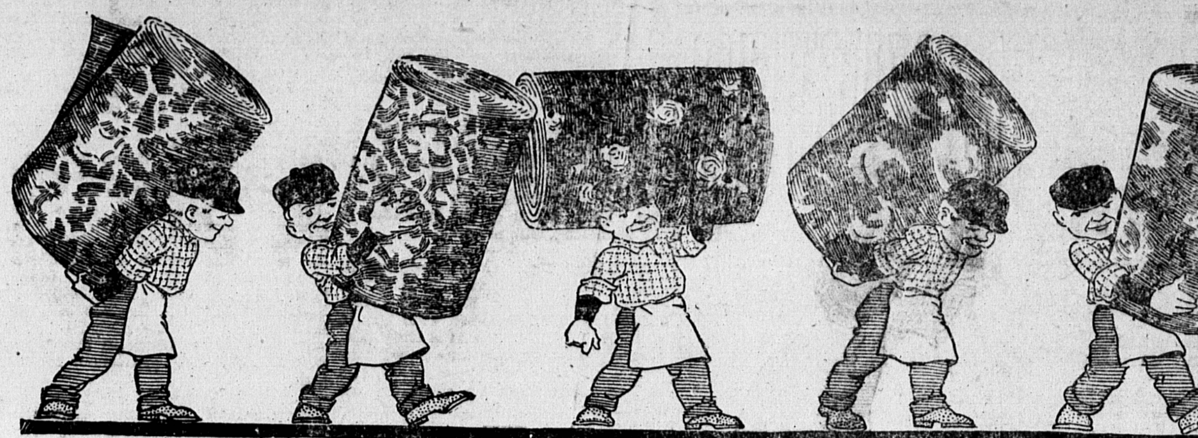
Been house cleaning eh? And found unexpected places to carpet

WE hear this remark every day at this season—and we fully understand just why it seems to be such a task to undertake the carpeting of a new room—or even fill in small spaces which seem to wear in spite of one.

But there is no reason why the busy house wife should look on either the buying of a carpet—or the choosing of a rug with displeasure—especially when our Carpet Department—the BEST ONE EAST OF MONTREAL is at her disposal—for we make a specialty of low prices—ones which render the carpeting of a room an easy task.

Then for all other needfuls which at this time of year are required to brighten up an old room—or finish a new one—read the list that follows—and see if there is not something in it JUST FOR YOU.



Isn't there something here you want?
