You have gone and left us darling Verna
Gone and we are left to weep

Tense Drama Swift Action In Capitol Feature

"MARKED MONEY" A STORY THAT RUNS THE GAMUT OF ALL HUMAN EMOTIONS

Highlights of the new dramatic Pathe picture, "Marked Money," now showing at the Capitol, proves that tense drama, swift-moving action, humor, thrills abound in the production. The picture plays the scale of emotions, shading from drama to melodrama, from comedy to pathos, from delightful romance to poignant tenderness, and always retaining its suspense and interest.

Colorful tyes! Old salts, scarred battles with the elements—filled with humor that will evoke gales of laughter, and breathing the romance and sweep of the sea, to grip your heart—meet them in "Marked Money."

A small boy, whose ten years of life were spent on the briny deep—unused to urban ways—comes to a large city with $25,000 in marked money, and is compelled to pit his native wit and shrewdness against the machinations of a gang of crooks, to save his inhertiance.

An old sea captain, irascible but generous—hide-bound in his prejudices but warm-hearted in his impulses—finds the life of his beloved daughter endangered when he becomes the boy's protector.

Old Captain Fairchild hated everything connected with aviation, so his daughter did not find her love for an aviator any certain guarantee of happiness, even though young Romance, as is its wont, plotted against parental interference.

The new ships, which sail the air and not the ocean, finally prove their place in the scheme of modern life to the old sea captain, when her aviator lover and the orphan boy rescue his kidnapped daughter, after a wildly thrilling fight in the clouds.

No studied "comedy relief" in "Marked Money," but thirlls interspersed with genuine humor, bubling irresistibly from the well-spring of the unusual characters themselves, and the situations of their creation.

Junior Coghlan, George Durea, Virginia Bradford and Tom Kennedy are featured in this unusual production.

New Feature For Breeders Will Be Offered at Provincial Fair.

The Prince Edward Island Ayrshire Breeders' Assn. have sponsored a futurity class for Ayrshire calves at the Provincial Exhibition next week. The nominations for this event were made last June and the following breeders entered, named their cows, and paid their nominations fees. Vernon McMillan nominated "Glenholm Daisy," "Greendale Primrose."

The Associaiton now asks all Ayrshire breeders on the Island to enter a cow according to the rules for the 1930 Exhibition. The promotors of this futurity have been promised by a Maritime Exhibition Ass'n. the sum of $50 provided they can secure 15 calves to be an exhibit at their fair.

This is the first time a venture of this kind has been attempted and we hope the Breeders and Ayrshire fans will be at hand on the day of judging this class and to see who gets the red ribbon for the calf and ask to see the "Bonnie Coo" who produced it.

MAR. BRANCH OF THE M. P. B. HOLD ANNUAL

Byron Brown Elected First Vice Pres.—Next Annual Meeting To Be Held In Charlottetown.

MONCTON, Aug. 15—Charles C. Gillespie, of Moncton, was elected president of the Maritime Provinces Branch of the Amateur Athletic Union of Canada at the annual meeting of that body held in the city hall here yesterday afternoon at which clubs from all parts of the three provinces were represented. He succeeds D. Webster Fraser, of Amherst, who has headed the branch for the past two years. Byron Brown, of Charlottetown, was elected senior vice-president, and James Conway, of Springhill, was elected second vice-president, while C. D. Shipley, Amherst, was re-elected secretary-treasurer.

Contrary to advance reports from some sections of the Maritimes that the annual meeting would produce fireworks, the delegates made good progress in dealing with matters that concerned the Branch and all business was concluded when the meetig adjourned shortly before six o'clock. The most contentious questions that engaged the attention of the meeting were concerning a resolution passed at the last annual meeting requesting the Maritime Amaeur Hockey Association to submit funds due the Branch under the M.A H.A., constitution, and the peculiar situation arising in Nova Scota regarding certain baseball players who have been playing in that province. Regarding the situation with the M. A.H.A., a resolution was passed and a committee will present it to the next meeting of that organization, and in the latter case the action of Messrs. Fraser and Shipley in ruling the baseball players were ineligible to play in league games, was supported by a resolution submitted to the meeting.

The baseball situation in Saint John was touched upon by the delegates but the meeting was informed that the matter had been referred to the New Brunswick Baseball Association. All correspondence between the M. P. B., and the Saint John league had also been passed over to the secretary of the N.B.B.A.

The meeting opened at 2.30 and H. E. Eleakney, Moncton; Brad Gilbert, Saint John, and J. Pollock, Saint John, were appointed a credential committee, and the following clubs were represented:

The Delegates

S. F. Doyle, J. E. Sterns, Abegweit A.A.C., Charlottetown; J. H. Conway and W. K. O'Rourke, Springhill A. A.C.; R. J. Bennett, New Glasgow, A.A.C.; Fred Somers, Amherst A.A. A.; C. A. Dixon, Moncton A.A.A.; C C. Gillespie, N.B.B.A.; Joseph Gallivan, Sydney A.A.A.; A. W. Covey, Water Department A.C.; Saint John; R. Rogers, H. E. Bleakney, B. A. Mac Leod, C.N.R.C., Moncton; C. J. Doucett, A. Cormier, P. A. LeBlanc, C.C. J.A., Moncton; W. W. Donahue and J. Pollock, Martellos, Saint John; Charlie McDonald, Atlantic H.C., Moncton; H. Brad Gilbert, Saint John Hockey Club; L. G. McKenna, St. Francis, Antigonish; William Rooney, St. Peters A.A.C.; Saint John. Vice-Presidents Byron Brown, Charlottetown, and Frank Gallagher, Mocton, were also present.

The report of the credentials committee was adopted on motion of H. B. Gilbert, seconded by J. Pollock.

The reading of the minutes was the next item of business and it took considerable time before the motion adopting the minutes could be passed, as several items arose in the minutes that seemed to demand instant settlement.

M.A.H.A. Scored

In regard to the resolution passed at the last annual meeting of the M.P.B., regarding the payment of a certain percentage of the income by the M.A.H.A., to the M.P.B, C C Gillespie, Moncton, asked for the correspondence between the M.A.H.A., the M.P.B., and the A.A.U. of C, on the matter, but was advised that the correspondence, of which there was considerable, was not at the meeting In answer to a question, secretary Shipley explained that according to pay to the M.P.B., 50 per cent of their receipts received from hockey. President Fraser told the meeting that he had taken the matter up with the President of the A.A.U. of C., but that the branch was advised they had no authority to suspend the M.A.H.A., as intimated in the resolution.

Several members, including S. F. Doyle, Charlottetown; J. E. Stearns, Charlottetown; J. Pollock, Saint John, and others, spoke to the resolution and all were of the opinion that the M.A.H.A. should pay something more than they are now doing, toward the M.P.B., and the promotion of sport. Mr. Doyle thought drastic action should be taken in order to compel the M.A.H. A., to fulfil their agreement with the M.P.B., as expressed in the constitution. Mr. Gillespie said that it was a peculiar situation when baseball and track and field sports should have to pay into the M.P.B., while hockey, which was the highest paying sport, did not.

Hockey Clubs to Blame

Mr. Shipley said that he thought it was the fault of the hockey clubs themselves, and they were to blame for the existing condition. He thought that when officers of the M A.H.A., did not live up to the constitution that the officers should be changed, and it was the duty of the clubs to bring this change about.

Mr. Doyle did not think the parent, to which he likened the M.P.B., should be dictated to by the child, the M.A.H.A., which was brought into existence by the M.P.B.

Mr. Covey, of Saint John, said that there are too many clubs promoting no sport but hockey. He suggested that the M.P.B., not accept affiliations unless that particular club promote more than one branch of sport. He deplored the fact that there are now no athletes in the Maritimes in comparison with former years.

Mr. Pollock said that a ruling of this nature would bring hardship on a club like the Martellos who play baseball only and that they have no funds to promote other sports.

Finally H. Brad Gilbert moved that the minutes stand as read, which was seconded by J. Pollock and carried.

The Committees

The members on the Olympic Committee were elected as follows: S. F. Doyle, Charlottetown, P.E.I., W. B. Fraser, Amherst, representing Nova Scotia; B. A. Bourgeois, Moncton, New Brunswick.

The Registration Committee was named as follows: J. E. Stearns Charlottetown; H. E. Bleakney, Moncton; F. Somers, Amherst; A. H. Mac Cowan, Saint John; C. J. G[illegible] Moncton; William O'Rourke, Sprighill; John McNab, Reserve. C. B.; A. F. Campbell, Montague, P.E.I.; J. Wright, Summerside.

The next annual meeting of the M.P.B.A.A.U. of C, will be held in Charlottetown. An amendment to this effect was passed by a large majority of the delegates present after a motion to meet in Amherst had been moved.
