Montreal Exchange

MONTREAL, May 9—(CP)—Market groups coursed through today's session of the stock exchange on an even keel and price changes were confined to a few selective issues.

On the upgrade were Bell Telephone and National Breweries, which have lost steadily recently under selling pressure.

Other winners were Lake of the Woods, Ogilvie, and Laura Secord. C.P.R. opened with a gain but fell back to Thursday's closing price toward the end of the session.

Weaker stocks were distillers Seagram, International Petroleum and Price Brothers preferred. Among issues which failed to move were Brazilian, Canada Steamships, Canadian Car, Celanese, Dominion Tar, Imperial Oil, International Nickel, Montreal Power and Shawinigan.

Total sales: 7,900 shares; Industrials, 5,800; Mines, 2,100; Bonds, $2,800.

Be a Vitamin Girl

With Pep, Energy and Attractiveness

THE glamour girl, with her passive beauty, is now replaced by the Vitamin girl—the outdoor girl, with pep and energy and the joy of life. When she doesn't feel the part, she knows that she can rely on Dr. Chase's Nerve Food to help her get relief from tired feelings, sleeplessness and irritability.

Dr. Chase's Nerve Food is a true tonic for blood and nerves. It supplies in condensed form the necessary mineral substances and Vitamin B1 which together are so helpful to the nerves and to the maintenance of health and energy. Why not be a vitamin girl and get the most out of life?

At this season of the year nearly everybody needs tonic treatment to build up the quality of the blood and tone up the nervous system. It is a grand time to put Dr. Chase's Nerve Food to the test.

The War This Week

By Don Gilbert
Canadian Press Cable Editor

Virtual collapse of Rasnid Ali's revolt in Iraq, following Prime Minister Churchill's revelation that Britain has half a million troops to defend the Middle East, placed the Empire in a favorable position at the close of the 88th week of the war to meet the German army's next thrust.

Intensive diplomatic negotiation between Vichy and the Nazi authorities in Paris strongly suggested that French possessions are involved in German plans. Admiral Darlan, Vichy's negotiator, made frequent trips to Paris and announced an agreement for slight relaxation of the armistice terms in return for unspecified French concessions.

Most likely object of Nazi intrigue in the Mediterranean theatre of war is French-mandated Syria, where large numbers of German agents have been reported active. With Vichy's conivance the Germans might be able to land troops in Syria, using ships brought from Bulgarian and Rumanian Black Sea ports into the Aegean for the purpose. In this way the formidable obstacle of Turkish resistance would be by-passed.

However, such an attempt to reach the oil wealth of Mesopotamia and Persia might find British well entrenched in Iraq. All developments during the week pointed to steady disintegration of Rashid Ali's position. The Iraq air force was believed completely destroyed. The rebel land forces were in retreat.

The question as to whether the United States navy will be thrown into the battle of the Atlantic still was in suspense. Henry Stimson, United States Secretary of War, made a strong speech advocating this course, but President Roosevelt still withheld his final decision. Britain's sea losses in April were said to have been almost as heavy as in any month of the war.

Soviet Russia appeared to be adjusting her international relationships, with Joseph Stalin taking over the Premiership. The Yugoslav, Norwegian and Belgian legations were ordered to close up, a move regarded in London as pleasing to Germany while costing Russia little. Other Soviet moves showed Stalin is taking no chances of getting in the war.

Glancing back 25 years

The French defenders of Verdun continued to resist powerful German attacks on the fortress of the River Meuse. Gen. Henri Petain, whose genius lay behind the French defence, on May 6, 1916, was promoted to command the French central armies on the western front. Two days later it was announced that Maj.-Gen. Sir Julian Byng, later Baron Byng of Vimy and Governor General of Canada, had been appointed to command the Canadian forces in France.

GIFT FROM A "MARGINALLY NOTED CADET"

Queen's Fund Receives "20 Pounds" Army Voucher Left Over From 1919

The Queen's Canadian Fund hopes to receive £20 plus interest, perhaps £40 in all, for the relief of air raid victims in this war from a sum of money that has been left unclaimed since the last war.

A Montreal business man, T. F. McGovern, has assigned the Fund his "rights and privileges" in a document in which he is mentioned as a "marginally noted cadet" and which he is informed is still probably worth money.

It is a chit from Headquarters, Overseas Military Forces of Canada, in London, dated January, 1919, which entitled Mr. McGovern to a uniform allowance of £20, or about $95.00 at the then rate. What annoyed Mr. McGovern as a young officer was that he had already paid $127.00 for his uniform.

In any case, the document did not reach him until after his return to Canada. It has been hanging, framed, on his wall ever since.

The other day, a friend told him that the £20 would still be waiting for him in some account or other, drawing interest all the time. He decided to transfer the document to the Queen's Canadian Fund for Air Raid Victims, hoping that the money can be redeemed. The Fund's directors hope so too.

Send your Queen's Canadian Fund subscriptions to The Royal Trust Company, Charlottetown.

THE WINNER of the recent Congoleum Rug Contest at Holmans, Charlottetown, was Mrs. Milton Carter. L-564-5-10-11.

SEIZE LIQUOR—Royal Canadian Mounted Police officials raided a premises in the city yesterday and seized a bottle of moonshine and several bottles of home made beer. Prosecution will follow.

ATTENDED FUNERAL — Rev. Father Oswald Murphy, D.D., of Charlottetown motored to Tignish on Tuesday to attend the funeral of the late Dugald McCarthy. Father Murphy was accompanied by his mother.

SLIGHT FIRE — The firemen were called out about 6.15 yesterday morning for a blaze at the Sterns Laundry. Hot ashes near the building, which started flames at one corner necessitated a line of hose being used to quench the flames before much damage was done.

REBEKAHS MEET — The regular monthly meeting of the Rebekah Past Noble Grand's Club was held on Thursday evening at the home of Mrs. Fulton Adams, Lapthorn Avenue, with the President, Miss Muriel Lowther, in the chair. Ordinary business was negotiated and a donation voted to the Queen's Fund. An enjoyable programme prepared by the committee in charge was enjoyed by the gathering. The June meeting will be held at the home of Mrs. Norman Nicholson who extended a cordial invitation to the club.

STRIKE SETTLED — Yesterday at 1.00 p.m. thirty employees of The Island Fertilizer Company returned to their jobs in the plant. The men walked out two days ago when their request for a raise in wages of five cents an hour was refused by the management. The walkout developed into a "struggle of patience" between the men and the management. No force was used at any time and the police report no disorders. The company stated that they did not want to hire new and inexperienced men, and refused hundreds of applications received during the two-day strike. They offered to pay the demanded rate of forty cents an hour but declared that they would not take back the entire crew. The unacceptance of this proposal by the men prolonged the dispute until yesterday when the Company ceded to the strikers' demands.

FIRST CHARLOTTETOWN TROOP (Basilica)

The last meeting of the troop was held in the Scout Hall on Friday, May 2, 1941. The attendance for this meeting was very good, and each item of the programme was carried out with the usual high standard. A new Patrol of Recruits was taken in, but as yet a Patrol Leader and Second have not been appointed. Competition in the Troop is very keen as usual, with the Foxes leading by a couple of points. The P. L.'s called a meeting for all those wishing to play soft-ball on Saturday at 9.30 a. m. A practice was held and the team picked. The Scouts plan to have a boxing class under their S. M., Jack Connolly, as soon as possible and later on they intend to try their hand at wrestling.

Notice—P. L.'s of the First—Don't forget the Camp-fire which is to take place in a couple of weeks time. Every Patrol must put on some stunt or skit at this time, so prepare for it!

Bronze Arrowhead Certificates

P. L. Frank Costello of the Sixth Troop and P. L. Bob Acorn of the Second Troop were awarded Bronze Arrowhead Certificates the past week. This makes a total of six Charlottetown Scouts and one North Rustico Scout who received the Certificates for the Patrol Leaders' Course which took place in April. One more Charlottetown Scout is to be heard from in this regard.

SECOND TROOP (St. Peter's)

Compass: Bill Jenkins.

Now is the time to get out and enjoy the great outdoors.
Keep the out in Scouting.

SECOND SCHARLOTTETOWN TROOP (St. Peter's)

S. M. Robert Acorn reports that a great improvement in the standard of the weekly meetings of the Second Troop has been noted lately. A competition is being conducted and the Scouts are showing great interest in all phases of Scout work. A start has been made on First Class work, and many of those who are not yet Second Class are progressing very favourably in their signalling. This is the only test needed by some of the Scouts to qualify them for their Second Class Badge. The great change in this Troop is attributed to the introduction of the Patrol System, and the competition which is now running. Other Troops in town will have to keep on their toes or the Second will be running away with all honours. The majority of the Scouts of the Second are planning on attending Scout Camp this year. Good Camping Second Troop.

PATROL LEADERS' TRAINING COURSE AT NORTH RUSTICO

A Patrol Leader's course is to be conducted at North Rustico today for the P. L.'s and Seconds of North and South Rustico Troops. The Course will commence at ten in the morning and will continue throughout the afternoon and part of the evening. Although this Course will last only one day, the same amount of material will be given as in the April Course which was held in Charlottetown. The Course will consist of short talks on the following subjects:— Patrol Spirit, Patrol Meetings, The Patrol and the Troop, Patrol Hikes, Hand and Wistle Signals, Scout Law, The Flag, Staff, Signs, Knots, Compass, Salute, The Court of Honour, etc. If possible an indoor Camp-fire will be conducted in the evening, and perhaps an investiture ceremony.

SOFTBALL—SOFTBALL—SOFTBALL

Trinity Scouts held a practice last evening at 6.45 in preparation for the big game which is to take place on Tuesday, May 13th at the well known Kite Field. This game is to be played with the First Troop (Basilica), and the winners will challenge any Troop of the city. Other Charlottetown Troops have held one or two practices. Line-ups and the result of the game will be published in next week's news.

EIGHTH CHARLOTTETOWN PACK (Trinity)

At the last meeting of the Pack, the Cubs were treated to hot-dogs, ice cream and cake; Akela reports that the Cubs really did justice to the bones which were supplied and after the supper worked off the energy which they had stored up by playing several vigorous games. This pack is to go on a hike this afternoon, and all the Cubs are to meet at the church at 3.00 o'clock. Akela is sure that all Cubs will be on time, and we know that the Cubs will not disappoint her. Good hunting Trinity Cubs.

THIRD CHARLOTTETOWN TROOP (St. James)

The Third Troop is planning another outdoor adventure for this afternoon, and are taking to the outdoor programme like "a man drinking soup with a fork" they can't get enough of it.

CHARLOTTETOWN SCOUTERS CLUB MEETING

A very enjoyable meeting of the Charlottetown Scouters Club was held on Thursday evening, May 8 at St. Peter's Hall. Reports on the First Aid Course, inter Troop softball, inter Troop meetings etc., were given at the business part of the meeting. Many points were also discussed relative to Scout and Cub Camps, but nothing definite settled. After the reports were given and the discussion finished all took part in a sing-song. Refreshments were served and games and folk dancing indulged in.

It is very gratifying to note that many Troops and Packs are now taking part in real outdoor Scouting and Cubbing. Even the members of the Scouters Club have planned a hike for Saturday afternoon May 17. The Committee in charge will notify all members.

Interpreting The War

By Kirke L. Simpson
Associated Press Staff Writer

The targets selected for Britain's heaviest counter air bombings of the war are as significant as the rising offensive strength of the Royal Air Force.

By London estimates, 300 to 400 British planes joined Thursday night's raid on Nazi "submarine and shipbuilding yards" centres at Hamburg and Bremen. If that report as to the number of ships used is even reasonably accurate it means that Britain is catching up with Germany in both offensive and defensive air strength.

That is an important distinction. Britain's first necessity since the outbreak of the war has been to maintain and increase her defensive air force. Day and night fighters still are her most urgent need, and they have had to be turned out at home or carried to Britain through perilous waters. They can not be flown across the Atlantic from the United States as can long-range bombers.

Nevertheless, despite months of German bombing of British plants, the means has been found for implementing a British counter air attack approaching in its mass weight some of the heaviest German air blows struck at the British Isles. And the targets selected strongly indicate that the raids were not merely retaliatory, but were a start on stepped-up efforts to deal with the Atlantic sea menace at the source.

The Hamburg-Bremen raids also serve to give new point to President Roosevelt's recent call for doubling or quadrupling the American bomber output avaiable for Britain. While weather conditions the same bright moonlight that invited Nazi bombers into far-ranging new attacks on British west coast ports—dictated the timing of the British raids, it may have been assurances of American bombers in quantity which permitted risking mass attacks. In other words, Britain may be using her bombers more freely now because she feels replacements in large numbers will be forthcoming from the United States.

Grand Division, Sons of Temperance Semi-Annual Session

The Grand Division of Prince Edward Island, Sons of Temperance will meet at Springfield West Baptist Church, Prince County on Monday, May 19th, at 2.30 and 8 P. M. Temperance Workers will be admitted as visitors. Clergymen are asked to announce the meeting.

QUEEN'S CANADIAN FUND DONATIONS FOR AIR RAID VICTIMS

Repeated bombing raids on British port areas and the industrial midlands has attracted fresh attention to the frightful suffering of the many thousands of civilians in Great Britain who are harried from shelter to shelter and finally driven into the open country by successive raids. Eventually places are found for them all, places of relative security, but their belongings of all kinds are destroyed. The task of emergency feeding alone is difficult. The task of setting them up once more with some quantity of clothing and bedding is much more difficult.

To meet these enormous needs, funds have been started in various parts of the world. Her Majesty Queen Elizabeth has permitted the use of her name in connection with the Dominion campaign, which is officially known as "The Queen's Canadian Fund for Air Raid Victims."

Every dollar contributed to the Queen's Canadian Fund goes without deduction to the Lord Mayor of London for distribution to the homeless and needy.

Contributions from this Province should be forwarded to the Royal Trust Company, Charlottetown, which reports the following receipts to date:
