"Save the surface and you save all"—Paint & Varnish

"YES, I agree, the need of this country is development and conservation of its vast wealth.

"The eyes of the world turn to our timber, wheat, mines. Our industrial world is alive with expectation of bigger things. Yet, as you say, near seventy per cent. of Canadian property is perishing for lack of paint and varnish and the yearly losses from such deterioration exceed the losses from fire.

light is greatly improved through painting and not only are accidents less frequent, but our employes are brighter and more cheery. And it's a satisfaction to know that every painted surface will last longer.

"You'd be surprised at the manifold uses for paint and varnish right in this factory. White paint is our specialty because it reacts like sunshine in every dark corner. My foremen tell me that the working

"We painted the floors last week. It had become apparent that there was considerable overhead underfoot. No end of saving there!

"I am a firm believer in the slogan of the paint industry:

"Save the Surface and You Save All."

Magnesia Best For Your Indigestion

Warns Against Doping Stomach With Artificial Digestants
Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued disagreeable diets, patent food and the use of harmful drugs, stomach tonics, medicines and artificial digestants and instead, following the advice so often given in these columns, take a teaspoonful or two tablets of Bismarated Magnesia in a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bismarated Magnesia never dread the approach of meal time, because they know this wonderful anti-acid and food corrective, which can be obtained from any good drug store will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation, and without the slightest pain or discomfort. Try this plan yourself, but be certain to get pure Bismarated Magnesia especially prepared for stomach use.

Fashion Fancies GRAY-BLUE SCOTCH HOME SPUN MAKES THIS SMART TAILORED COAT

By Marie Belmont
Every smart woman can find good use for an enveloping sports top-coat of the type shown above.
This one is made of gray-blue Scotch homespun and uses raglan sleeves. Flat appliques of the fabric, stitched in gray, form the only trimming.
Such a coat is ideal for motoring, traveling and all sports uses. It would also be effective in beige or in soft gray.

IT PAYS FOR whatever purpose paint is used, one of two ultimate objects is in view—preserving or beautifying.
When you apply **GLIDDEN Endurance Paint** to the surface you are assured of good results. It protects and beautifies. For Endurance Paint is a product that is nationally known and used. It has made good for others and it will do the same for you.
Step into our store. We'll give you color cards and helpful advice—free.
