**"I DON'T SUFFER ANY MORE"**

**"Feel Like a New Person," says Mrs. Hamilton.**

New Castle, Ind.—"From the time I was eleven years old until I was seventeen I suffered each month so I had to be in bed. I had headache, backache and such pains I would cramp double every month. I did not know what it was to be a minute. My health was all run down and the doctors did not do me any good. A neighbor told my mother about Lydia E. Pinkham's Vegetable Compound and I took it and now I feel like a new person. I don't suffer any more and I am regular every month."—Mrs. HAZEL HAMILTON, 822 South 15th St.

When a remedy has lived for forty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their health to it, it is not reasonable to believe that it is an article of great merit.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

The cattle ranged from \$45 to \$75 each, horses from \$100 to \$150. The sale was not sold until 10 o'clock, being rented to Mr. Slackford. It is the intention of Mr. Bryerton to reside in Charlottetown in the future.

**WOMEN'S INSTITUTES**—Miss Jennie A. Fraser, Supt. of Women's Institutes for the province of Nova Scotia, and Miss Grace Butcher of Prince of Wales College, Charlottetown, are in the city, saying the Sydney Post. They are organizing and inspecting the work in Cape Breton. At present there are only four branches of the institution in Cape Breton and the work was begun only last summer. The object of the institution is to do for the home what the Agricultural School does for the farmer, and covers for the country district, practically the same work which the women's "councils" do in the city.

**105TH'S CLEAN BILL OF HEALTH**—It is satisfactory to learn that the 105th Prince Edward Island Battalion, on being inspected by the commanding officer, received an absolutely clean bill of health without an individual exception. This, it is understood, is a record, and to their friends will be even more gratifying than the fact that they have also won the record for efficiency in drill. At the inspection by Major-General Sir Sam Hughes, the officers were highly complimented on the splendid showing made by the battalion.

**OF LOCAL INTEREST**—Capt. the Rev. Principal MacKinnon preached a strong and rousing patriotic sermon last Sunday morning, in St. Malion's Church, Halifax. Pointing to the men of the McGill Heavy Battery who were present, Dr. MacKinnon said: "Look at these men, every one a college man, or banker or man of established position in the Metropolis of the Dominion. The sight is worth much more than any sermon, for what earnestness of purpose, what a sense of responsibility, what a spirit of self-sacrifice does it express. These men, all young, have heard and heeded the call of Duty, stern daughter of the womb of God. They are going forth from their college halls to fight and their presence here speaks of reverence and holy fear—the only fear of the good soldier." The sermon made a deep impression upon the large audience.
