Comb Sage Tea in Hair to Darken it

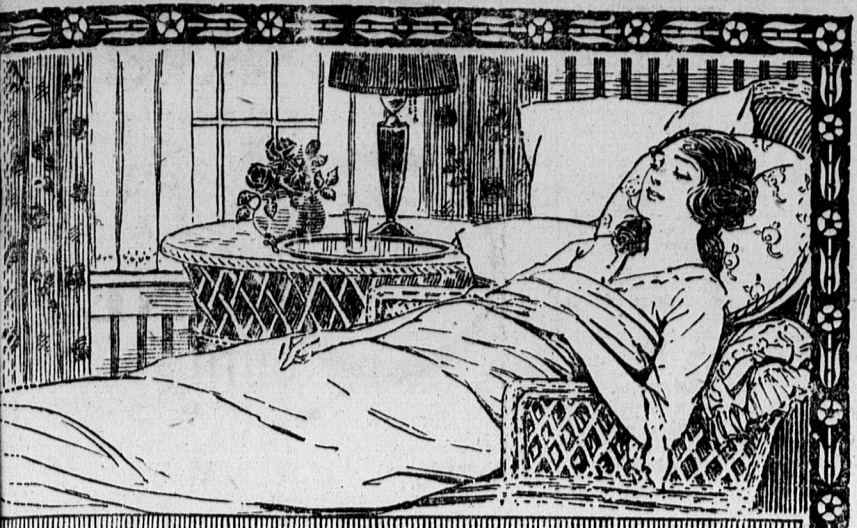

IT'S GRANDMOTHER'S RECIPE TO KEEP HER LOCKS DARK, GLOSSY, BEAUTIFUL

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that lustre and appearance of abundance which is so attractive.

IF YOUR EARS RING WITH HEAD NOISES

If you have roaring, buzzing noises in your ears, are getting hard of hearing, or fear Catarrhal Deafness, go to your drugist and get 1 ounce of Parmitin (double strength) and add to it a pint of hot water, and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises, clogged nostrils will open, breathing become easy and the mucous stop dropping into the throat. It is easy to prepare, costs little, and is pleasant to take. Any one who has Catarrhal trouble of the ears, is hard of hearing or has head noises, should give this prescription a trial.

Nervous Breakdown

"I am so nervous it seems as though I should fly"—"My nerves are all on edge"—"I wish I were dead." How often have we heard these expressions or others quite as extravagant from some loved one who has been brought to this state by some female trouble which has slowly developed until the nerves can no longer stand up under it. No woman should allow herself to drift into this condition without giving that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound a trial.

North East, Md.—"I was in ill health four or five years and doctored with one doctor after another but none helped me. I was irregular and had such terrible pain in my back, lower part of my body and down each side that I had to go to bed three or four days every month. I was very nervous, tired, could not sleep and could not eat without getting sick. A friend asked me to take Lydia E. Pinkham's Vegetable Compound and I am sorry I did not take it sooner for it has helped me wonderfully. I don't have to go to bed with the pain, can eat without being sick and have more strength. I recommend your medicine and you are at liberty to publish my testimonial."

Minneapolis, Minn.—"I was run down and nervous, could not rest at night and was more tired in the morning than when I went to bed. I have two children, the youngest three months old and it was drudgery to care for them as I felt so irritable and generally worn out. From lack of rest and appetite my baby did not get enough nourishment from my milk so I started to give him two bottle feedings a day. After taking three bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman, full of life and energy. It is a pleasure to care for my children, and I am very happy with them and feel fine. I nurse my baby exclusively again, and can't say too much for your medicine."—Mrs. A. L. MILLER, 2633 E. 24th St., Minneapolis, Minn.

Furs in new Modes

Beauty and Economy

FUR COAT is today, especially in the Canadian climate, a veritable necessity. When you consider the years of service and the extra comfort which such a coat will give you it is really more economical than a cloth one.

The rare beauty and silky sheen of fine quality Hudson Seal appeals to every woman. Its soft fur is so light and comfortable, yet so warm and cozy, and it blends so perfectly with such furs as Beaver, Alaska Sable or Opossum, which are so popular as trimmings, and yet a coat of all Seal is quite handsome in itself.

Hudson Seal is equally suited to the young girl or the matron, and is shown in our Style Book in various lengths and styles. There is one there which is just your own. Hudson Seal is also shown in charming Neckpieces, Muffs, Bags and Hats.
