

ACUTE NERVOUS EXHAUSTION

All Treatments Proved Useless Until He Tried "FRUIT-A-TIVES".

MR. JAS. S. DELGATY.

R.R. No. 4, Gilbert Plains, Man. "In the year 1910, I had Nervous Prostration in its worst form; was reduced in weight from 170 pounds to 115 pounds.

The doctors had no hope of my recovery, and every medicine I tried proved useless until a friend induced me to take "Fruit-a-tives".

I began to mend almost at once; and after using this fruit medicine for 3 or 4 months, I was back to my normal state of health.

I never had such good health for twenty years as I have enjoyed the past six years. Are we never without a box of "Fruit-a-tives" in the house?"

JAS. S. DELGATY.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

Flour Facts—and Flour Fallacies

Every good cook knows that Ontario winter wheat flour makes the most delicious pastry in the world. The good cook, who takes pride in the flaky lightness of her Pie Crusts—in the fine, even texture of her Tarts, Cakes and Buns—says there's "nothing like the famous old Ontario winter wheat flour for pastry".

But the good cook of today does not have to buy "special pastry" flour to get such results. She uses the same flour for Bread as she does for Pastry—and is particularly careful to see that her dealer always sends

BEAVER FLOUR

MILLED OF BLENDED WHEAT

"BEAVER" FLOUR contains Ontario fall wheat blended with western spring wheat to increase the strength, without decreasing the delicate, nutlike flavour. Quite naturally, the Bread, Rolls and Biscuits you make with "Beaver" Flour have a flavour, a tastiness, a satisfying deliciousness, that you never remember to have enjoyed in such breadstuffs before.

"Beaver" Flour is blended in exact proportions, which are predetermined by scientific tests. Thus, it is always the same in strength and quality, and will always give the same happy results.

Try it for Bread and Pastry—have your dealer send a sack for baking day. Be sure and get the genuine—order by name, and insist on having "Beaver" Flour.
