Ragged Veterans Out For Business

WASHINGTON, June 9.—(A.P.)—The Ragged Veterans' Army demanding bonus payment calmly grinned tonight in reply to police persuasion that it pack up and go home.

Walter W. Waters of Portland, Ore., elected the fourth commander in chief in 48 hours, after a stormy committee session, said his 8,000 charges had decided to "disregard" a police invitation to evacuate tomorrow.

"Whenever the bonus is voted, we will be very glad to accept the police offer of free truckage out of the city," Water said.

He was the originator of the marchers' movement and resigned once as commander in chief. Having received charge of their commissary, the veterans laid plans

to accept proffers of rations from outside. Two trucks will leave tomorrow for an unknown destination in Baltimore, Md., for donated supplies.

A "National headquarters" was established in a vacant apartment building loaned by the owner. The Anacostia River encampment—largest of the camps—was reorganized on a military basis, and its nearly 6,000 inhabitants sought stray lumber to build more shelters. From tonight on the army will be its own boss, with police on the sidelines to keep order.

There is nothing so popular, believe me, sir, as kindness; of all your many virtues none wins men's admiration and love like mercy. In nothing do men reach so near the gods as when they can give life and safety to mankind.—Cicero.

Use starch for cleaning soiled wall paper. Sprinkle liberal quantities over a damp cloth and apply to the paper, working with a circular movement. Particular attention should be given to parts that are badly soiled.

Ends Piles Quick

No Salves — No Cutting

Your itching, bleeding, protruding piles will go when you actually remove the cause and blood circulation in the weak, flabby parts — and not one minute before. Salves or cutting can't do this — an internal remedy must be used. HEM-ROID, prescription of Dr. J. S. Leonard, succeeds because it stimulates the circulation, drives out congested blood, heals and restores the almost dead parts. HEM-ROID has such a wonderful record right in this City, that Hughes Drug Co., Ltd., says one bottle of HEM-ROID Tablets must end your pile agony or money back.

Periodic— Eye Examinations

Don't wear your glasses for five or ten years, as some do, without re-examination, for in that time serious changes are vitally important, whether one's eyes are good or otherwise.

may take place, which if not discovered, may work permanent injury to the most precious sense you possess.

Guard your eyes.
