**TO IMPROVE PLANT.**—Mr. F.  
 W. Young, Supervising Mechanical  
 and Electrical Engineer has been  
 in the city for the past day or two  
 inspecting the plant of the Mar-  
 time Electric Co. in connection  
 with the acquiring of the several  
 power plants of the Maritime Elec-  
 tric by an American Corpn. Mr.  
 Young expressed himself as high-  
 ly pleased with the satisfactory  
 conditions existing, especially with  
 the type of plant which is being  
 operated here. It is understood new  
 equipment will be installed in the  
 Spring and if so consumers of elec-  
 tric current will be assured of an  
 improved and more satisfactory  
 service. Since the present Superin-  
 tendent Mr. J. T. McKee assumed  
 office many improvements were  
 made under his direction and with  
 a new equipment, manned by the  
 old staff, and the present alert Su-  
 perintendent there is no doubt but  
 Charlottetown will have one of the  
 best electric power plants in the  
 Maritime Provinces.

**Fire At Victoria**  
 The residents of Victoria and  
 vicinity had a quick call at mid-  
 night Thursday when fire broke  
 out in Mr. George Milford's store,  
 the origin of which will always be  
 a mystery. Fortunately there  
 wasn't a breath of wind and the  
 fire was confined to the store, but  
 the buildings on both sides were  
 also badly scorched.  
 Mr. Milford's loss is \$2,000 part-  
 ly covered by insurance.  
 A barn and warehouse owned by  
 Mr. Samuel French, Charlottetown,  
 also went up in smoke, each build-  
 ing being valued at between \$400  
 and \$500. The barn was empty, but  
 the warehouse contained some  
 goods belonging to Mr. K. C. Holm.  
 The next building to go was a  
 dwelling house owned by Mr. Neil  
 Waddell, Customs House Officer.  
 Some of its contents were destroyed,  
 but Mr. Waddell's loss will be  
 in the vicinity of \$800. These build-  
 ings were all closely connected.  
 It was with great difficulty that  
 Mr. French's house, which was  
 near his barn, and Mrs. S. C. Mil-  
 ler's house, adjoining Mr. Waddell's,  
 were saved. The bucket brigade did  
 splendid work, the roofs of the dan-  
 gerous buildings being covered  
 with wet mats and blankets. Peo-  
 ple from the neighboring country,  
 Augustine Cove, Crapaud, Tryon  
 and other places rushed to the  
 scene and did noble work in fight-  
 ing the fire.

**Are You Perfectly Fair?**  
 In CONSIDERATION of the fact that you  
 live in Prince Edward Island and make your  
 living here besides enjoying everything the  
 community has to offer ..... is it perfectly  
 fair to spend your money elsewhere when sim-  
 ilar products or service at equally advantag-  
 eous prices can be secured here?  
 Have you ever given thought to the added  
 element of pleasure that comes from dealing  
 with those whose interests are identical with  
 yours in the building up of a fine community  
 here? Do you fully realize what your purch-

 this community and its needs?  
 Mr. Merchant are you playing fair with your
