How To Save Work In The Home

Most of the dust in the modern home comes from the floor. It needn't, if you would use Floorglaze right. And dust isn't merely a bother for the housewife and the maids. It's a danger.

Dust specks d-i-e-a-s-e. The germs of all infections dwell, mainly, in floor-dust. Floorglaze reduces floor-dust to a minimum.

When you coat a floor with any of the ten shades of Floorglaze you have a floor that is creviceless (can't harbor germs), washable (with an antiseptic in the mop-water), and nearly dust-proof.

You will get weary watching for it to wear off that floor. Floorglaze stands out there, even—verandas, porch steps, etc. And a gallon covers 500 square feet. Cheap!

Your dealer has it. You would find our Free Book interesting reading. May we send you a copy? Ask on a post-card. Imperial Varnish & Color Co., 72 Fairmount St., Montreal.

**SYNOPSIS OF CANADIAN NORTH HOMESTEAD REGULATIONS**

Any unenclosed section of Dominion land in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved may be homesteaded by any person who is the sole head of the family, or any male over 18 years of age, to the extent of one-quarter section 160 acres, more or less.

Applications for entry must be made in person by the applicant at a Dominion Land Agency or Sub-agency for the district in which the land is situated. Entry by proxy may however, be made at an Agency on certain conditions by the father, mother, son, daughter, brother or sister of any intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans:

(1) At least six months residence upon the cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires perform the required residence duties by living on farming land owned solely by him not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent in the vicinity of the homestead, or upon a homestead entered by him in the vicinity such homesteader may perform his own residence duties by living with the father (or mother.)

(4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent or the district of such intention. Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.
