

A Real Lung Tonic

There are many preparations that will relieve a cough—few that will cure it. The first class, containing such drugs as Opium and Morphine, simply deaden the irritation and stop the cough, but do little or no permanent good.

Rev. Father Morrissey

Father Morrissey's No. 10

Does not contain a trace of these dangerous drugs, but is an absolutely safe and scientific preparation of Nature's own remedies—Herbs, Roots and Balsams. It entirely removes the irritation that caused the cough, by cleaning out the mucus, stopping the inflammation and healing the delicate membrane of throat and lungs.

Moreover, it tones up and strengthens the whole system, particularly the lungs, and protects against future coughs and colds.

Trial size 25c. per bottle. Regular size 50c. At your dealer's.

Grocer said clerk, 'Grocer said 'QUEEN CITY' flour 'QUEEN CITY' flour always costs a trifle more than other grades, but his customers wouldn't buy 'other grades' more than once—they always came back to 'QUEEN CITY' flour.
