

Bluenose And Thebaud In Port

Champion Of North Atlantic And Challenger Ready For Opening Race On Saturday—Arrived In Halifax Yesterday.

(By Charles Bruce, Canadian Press Staff Writer)

HALIFAX, N. S., Oct. 14.—A stately queen and two vigorous "Knights" in rival service came into Halifax today. The white clad "Queen" was Lunenburg's own Bluenose, champion fishing schooner of the North Atlantic. One of the "Knights" was Captain Angus Walters, fiery and confident, who sailed her up from the south shore port this afternoon. The other was jovial Captain Ben Pine, come here to direct the campaign of Gloucester's Gertrude L. Thebaud against the ruling sovereign.

Throne rooms of the "Queen" and the challenging "Princess" tonight were darkened wharves, piled with fish-barrels, on the waterfront of Halifax. Tomorrow both will slip out to view the salty field on which Saturday's wind, their own speed and stamina, and the skill of their henchmen, will bring to one or other the initial advantage in a threefold test to establish the right to leadership.

RECORD TRIP

Gertrude L. Thebaud wrote into sailing records a forerunner of racing thrills when she ran down the coast under Captain John Matheson to drop anchor here last night, just thirty one hours out of Gloucester. No faster voyage between the ports, in sail, could be recalled by local shipping men, and they have good memories. Captain Pine, travelling by land because of recent illness, arrived on a late train tonight to handle Thebaud in the first of the two out of three series

FOOTBALL

Abegweit football practice at the C. A. A. Grounds this afternoon at 4.35.

Exhibition Tennis

MONTREAL, Que., Oct. 14. (By the Canadian Press)—The great double team of Fred Perry and Pat Hughes of Great Britain last night defeated the Canadian Davis Cup stars, Dr. Jack Wright and Marcel Rainville, Montreal, in three straight but hard, rough sets of exhibition tennis, 6-4, 8-6, 6-1.

The buoyant Perry played two sets of singles against Wright, each winning a set. Wright took the first 6-3, and Perry the second, 6-4. Hughes and Charlie Leslie also divided two sets of singles, Hughes winning the first, 6-2 and Leslie the second, 8-6.

Sask. Looking For Better Days

REGINA, Sask., Oct. 14. (By the Canadian Press)—Declaring his faith and that of the people in Southern Saskatchewan, Premier Dr. J. T. M. Anderson today issued a statement to the press. The statement follows in part:

"In view of the many exaggerated reports prevalent throughout Canada relative to conditions in the southern part of the province of Saskatchewan, I feel it my duty as Prime Minister to place before the people of Canada the situation as it actually exists.

"In the first place may I point out in the years 1894 and 1895 a very large section of the vast area known as the Northwest Territories experienced two successive years of drought with its resultant hardship among the people of that day. Succeeding these for a period of 35 years or until the year 1929 there was no serious crop failures in what is now the Province of Saskatchewan . . .

"In 1929 a great section of the finest wheat growing land in the world was affected by drought to be followed by similar conditions in the year 1930 and 1931. In 76 rural municipalities of the south central area of the province there have been no crops for three years and in approximately 90 other municipalities none for two years. The resources of our people in these areas have been very largely used up and it has become necessary to the state to assist its people who have been so harshly affected by climatic conditions over which they obviously have no control. These people are as fine types of Canadian and British citizens as can be found in any part of the empire. They do not ask for, nor do they want, charity. They are prepared, when conditions become normal, to play their part as they have done before in laying solidly the foundations for future progress in this new section of our Dominion.

"A provincial relief commission has been set up and relief officers have been appointed in the various municipalities to be assisted by local advisory committees with a view to providing food, clothing, fodder and fuel for the people in need of assistance and every effort is being put forth with a view to seeing that no one suffers from any lack of the necessities of life during the coming winter months. We appreciate to the fullest extent the kindly interest shown by people of eastern Canada in our western problems and for the tangible evidence of this interest. It is right that we should as Canadians help each other in times of stress and we shall all be the better for it.

"Saskatchewan has been hard hit as a result of circumstances beyond our control, but her people are still imbued with the spirit of optimism and are building with hope and faith as to the future. They are bravely facing conditions and realize to the fullest extent that no victories are won by flight and no provincial or national problem solved by tears."

2.25 Mixed

Mr. Hanley (Murphy) . . . 1 1 1
La Rico (Wood) 2 2 2
Helen Set (Montleith) 4 3 3
LaCopia Belle (Hooper) 3 5 5
Poinset (MacPherson) 5 7 4
Sybil Set (Burke) 6 4 6
Sunbeam (Gollyer) 7 6 D
Time—2.24½; 2.21½; 2.23.

The officers were:
Starter, E. F. Acorn; Judges, W. S. Brown, D. K. MacLeod, John McDonald; Timers, James Arbing, Harry Murphy; Clerk of the Course, John A. McDonald.

"Does it hurt to shave, daddy?"

"YOU'RE like a great big bear, daddy. I like to kiss you, but your face isn't nice and smooth like mama's. It feels so rough. Does it hurt you to shave? You're much nicer without those prickly whiskers. Can't you have them all pulled out? Then I'd give you all the nice big hugs you wanted."

Yes, little lady, it possibly does hurt daddy to shave and he can't have his whiskers pulled out. But daddy might shave more often and clean away every prickly bristle if he knew about Gillette's wonderful new razor blade. So we hope he reads this and learns how we've made shaving comfortable.

The new Gillette blade is truly remarkable in every way. Its shaving edges are ground and stropped to a degree of keenness only attainable by Gillette methods. Quality is uniform and constantly checked by strict inspection. This means that every shave with the new Gillette will be equally smooth. Try the new blade on our money-back guarantee of complete satisfaction. Learn by experience that shaving can be entirely comfortable and quite pleasant. Buy a package tonight. Use a blade or two. If you don't agree the new Gillette is exceptional in performance and results, return the package to your dealer and he'll refund the price.

LOOKING "EM OVER

BY "TEC"
FOOTBALL

The grand old fall game, football is now about to come into its own. The opening game Tuesday between Saint Dunstons and Abegweit was very good for early season. It is hoped that a larger attendance of fans will be present at future games, especially the various league clashes which are now being arranged.

Mount Allison and Abegweit are dated up for Saturday afternoon. This game should be good, if Abegweit show the same form as they did against Saints.

On Monday the visiting Collegians are scheduled to play the local red and white Universities, another spirited game is predicted when these teams get together.

KEEPING UP WITH THE JONES'

It is only once in a turtles age that this column breaks into the political news of the day, but for this once we just can't help it. According to reliable news dispatches, "Kid" Lewis, former welterweight boxing champion of the world, has risen from nearly a decade of fictitious obscurity to KO the tradition that prize fighters are doomed to lowly destiny.

But the "Kid" is not attempting a come-back with his fists—except for what use he can make of them in pounding for emphasis in his political speeches. For the East End London scrapper, who fought his way to fame and something of a fortune in America, is coming for Parliament.

Many another fighter has been broken and forgotten since the days when Lewis and Jack Britton staged their game of tag with the welterweight crown in the United States. But the "Kid" saved his money and his ambition. Today finds him allied with the New Party—the latest thing in political vote-seeking organizations in Great Britain—

and seeking a seat as a legislator. The group is being called the "3-B Party" composed of brains, beauty and brawn. Sir Oswald Mosley supplies the first commodity, Lady Cynthia Mosley has the second, with plenty of incidental charm. "Kid" Lewis, the incongruous, has the brawn, along with enough brains to make him a promising favorite in the district which he expects to send him to Parliament.

A'S LOOKED GOOD—BUT

Looking over the recent World Series figures a few points that may be of interest crops up: The Athletics made 50 hits, as compared to 54 for the Cards. The A's outscored their rivals 22 to 19. Also, the A's made fewer errors. They had only two, while the Cards had four. And the A's had 52 men left on bases to 40 for the Cards.

Despite all these things, the Athletics lacked the one thing that decided the issue. It was the surging, fighting play best exemplified by John Leonard (Pepper) Martin, the Oklahoma hill boy about whom speeches have been made to whom poems have been written, and of whose deeds baseball fans the country over have shouted.

A "SET-UP" BOXER

That Primo Carner, Italy's Man Mountain, who has campaigned in United States rings for some time, picking off easy marks and no doubt rolling up a comfortable fortune for himself and his managers, has come along well in the last year seems to be granted on the boxing "billy" he showed against Jack Sharkey Monday night in Brooklyn. That he is a champion in the

making seems to have been refuted for the former sailor gave him a bad trimming after solving his unexpected agile movements. Sharkey had another good night and was master of the situation at all times, according to reports from the scene of the conflict. Carner's 260 odd pounds of bone and muscle have apparently failed to produce a punch capable of much devastation.

Resolution Causes Fiery Debate

VANCOUVER, B. C., Oct. 14.—Timely reference to the farewell message of the late Samuel Gompers, President of the American Federation of Labor, from its founding an incipient crisis into a reaffirmation of the first principles of the organized labor movement, in its convention here today.

Bristling with troublesome potentialities, since the A. F. L. convened here last week, a resolution which asked amendment of the federation constitution to make affiliation of crafts with their respective departments mandatory was shelved by the convention without a dissenting vote. The unanimity of the convention occasioned some surprise as the resolution provoked fiery debate when it was being prepared by the building trades department at its pre-convention caucus.

The resolution, which was sponsored by the building trades department of the Federation, was directed at the carpenters, bricklayers and electrical workers who severed connections with the Department after jurisdictional disputes.

ELABORATE SLEEVES

The new dresses show a variety of treatments with ruffles, irregular insets, while sleeves are elaborated, often with tight cuff going from wrist to above elbow with puffed top section or with this tight cuff stopping below the elbow, where fullness is gathered.

Action
Every minute:
1 baby is born.
2 husbands get shot.
3 fires break out.
4 girls leave home.
6 girls come back.
6 automobiles are wrecked.
7 cashiers go out walking.
8 people get hurt.
9 men need automobiles, and
10 salesmen are after 'em.

\$20,000 Fire
In St. John's
ST. JOHN'S, Nfld., Oct. 14. (By the Canadian Press)—A fire at Wabeno, Bell Island, today caused damage estimated at \$20,000. A store operated by Burt Bell, and dwelling of G. Shave and Albert Sapp were destroyed.

Others may try to follow but the Leader still Leads!

The reason is simply that "PEG TOP" has been first in quality in the 5c. field for fifty years.

"PEG TOP" has always been the first to consider the pleasure of the smoker -- and first to protect its quality by sealing in moisture-proof CELLOPHANE.

Races Yesterday Provide Thrills

Close And Exciting Finishes Feature Many Of The Heats.

The Victoria Driving Club's program of horse races postponed from Thanksgiving Day were held yesterday afternoon. The weather was fine, clear and cool. They were sponsored by the Charlottetown Rotary Club for crippled children's aid and other charities. The Rotarians sold upwards of 600 tickets and no doubt had Monday been favorable a very large crowd would have been present.

Starter Acorn called the free-for-allers at 2 p. m. sharp, with Billy Cope and Volo Rico answering the bell. Billy Cope won the first heat in a sprinting finish, the last quarter in thirty one seconds flat. Volo Rico at his pad. In the second heat the horses went away very fast, Billy going to a break on the turn after striking Volo's wheel, the latter who was out to step a fast mile continued on pacing in 2:10 3-4, a really creditable performance. The third heat Volo Rico was again the winner.

2.15 Pace—Miss Possibility, an added entry, went a nice race, winning the first and second heats, with Earl Wilkes a close second the first heat and The Willys ditto the second heat. In the third heat The Willys won by a small margin after a great race with Grandma. Best time 2:16 1-2.

2.15 Trot—This had two good trotters as starters, Peter Dawes and Golden. The first heat Golden made a break, but recovering came very fast and was a good second. In the second heat Peter and Golden went away very fast, Peter stepping the first half in 1:05 1-2, with Golden at his wheel. In the stretch drive Golden outfooted him, winning in fast time, 2:12 3-4. The third heat was also won by Golden in a close finish with Peter.

2.18 Mixed—This brought out Kitchin, practically a green trotter recently purchased by Herb Campbell, Johnny Walker, and Calumet Bernice, a three year old pacer. Kitchin proved the class of the trio, Johnny Walker copping the first heat in a close finish, Kitchin landing the next two by small margins. Kitchin's 55s like a great prospect in the Maritime Bred

stakes in 1932. Best time 2:16 3-4. Mighty good for a green trotter.

2.25 Mixed—This had seven starters and was one of the most interesting races of the afternoon. Mr. Hanley, a rejuvenated pacer in the hands of Ernie Murphy won all three heats never letting his opposition get nearer to him than a length. La Rico was 2, 2, 2, making the racing with Helen Set next best. The second heat was the fastest, 2:21 1-2.

The Pony Race—Master Jack, Jenkins and Miss Vimy Jones were the two entries for the pony race. They started at the quarter pole and Jackie's pony went at once into a good lead which he maintained to the finish. Jackie is a little chap about eight years old, much admired in his riding togs. Miss Jones's pony could not compete in speed with Jack's, but was ridden beautifully by her.

The half mile pony race was won by Grey Lad with Dandy Boy second time, 1:05½.

SUMMARY

Free For All
Volo Rico, 2:04 (MacKinnon) 2 1 1
Billy Cope, 2:11½ (McTague) 1 2 2

2.15 Pace
Miss Possibility, 2:12½ (J. Power) 1 1 4
The Willys, 2:15½ (Reardon) 4 2 1
Earl Wilkes, 2:11½ (Kelly) 2 3 3
Grandma, 2:09½ (McLaine) 3 4 2
Time—2:18½; 2:16½; 2:20.

2.15 Trot
Golden, 2:12 (MacKinnon) 2 1 1
Peter Dawes, 2:12 (McIntyre) 1 2 2
Time—2:15½; 2:12½; 2:15½.

2.18 Mixed
Kitchin, (McKenna) 2 1 1
Johnny Walker, 2:15½ (Homes) 1 2 2
Calumet Bernice (MacKinnon) 3 3 3
Time—2:17½; 2:17; 2:16½.
