Stops a Deep-Seated Cough in a Hurry

A Family Supply of Unequaled Cough Remedy for 50c—Money Refunded if it Fails.

Cough medicines, as a rule, contain a large proportion of plain syrup—a good ingredient, but one that anyone can make. A pint of granulated sugar, with 1/2 pint of warm water, stirred for 3 minutes, gives you as good syrup as money can buy.

A 50-cent bottle of Pinex, mixed in a 16-oz. bottle with home-made sugar syrup, gives you 16 ounces of really better cough syrup than you could buy ready-mixed for \$2.50. There's a clear saving of \$2.00. Full directions in package.

Pinex is a special and highly concentrated compound of imported Norway White Pine extract, and is rich in gualcol and other natural healing pine elements. Simply mix it as directed with sugar syrup or strained honey, and it is ready for use.

Pinex has often been imitated, but never successfully, for nothing else will produce the same obvious, deep-seated cough in 24 hours. It stimulates the appetite, is slightly laxative and has a pleasant taste—children take it willingly. Splendid for hoarseness, asthma, chest pains, and other throat troubles, and unequalled for prompt results in whooping cough.

THE LIGHT-HOUSE KEEPER'S STORY. FROM the lighthouse at Lobster Cove Head, Baccus Bay, Newfoundland, Mrs. W. Young sends her experience of Zam-Buk. She says: "I suffered with eczema for seven years and to my great delight Zam-Buk has cured me. The disease started on my breast, and spread until it extended over my back. The itching and burning—especially when the affected parts were warm—was terrible; and yet when the eruption was scratched or rubbed, it turned to bad sores and caused great pain. I went to a doctor and tried various prescriptions, but seemed to get no benefit, so tried another doctor. Again I got no relief, so tried a third doctor, and then a fourth. "Seven years is a long time to suffer, and I had got used to the thought that I never would be cured, when I saw a report in the Family Herald, telling how beneficial Zam-Buk was in cases of skin disease. "I bought some Zam-Buk, and from the use of the very first box I saw it was going to do me good. I persevered with it, and the improvement it worked in my condition was really wonderful. "It eased the irritation, stopped the pain, and the sores began to dry up and disappear. In short, I found Zam-Buk all that was claimed for it and within a very short time it worked a complete cure in my case. "Since that time I have recommended it for several other cases, and in each it has proved its wonderful merit. FREE BOX. Send this coupon, name of street and number, to Zam-Buk Co., Toronto. There's Comfort In POSTUM. Takes Hard Experience to Teach People Some Truths. Many people jeer at the idea that tea and coffee cause the aches and ails they suffer from and often such people will go on for years sticking steadfastly to tea and coffee and suffering month in and month out but maintaining "Tea and coffee don't hurt me." Only an actual test will open their eyes to what they throw away when they cast aside the richness and power of health for a cup of tea or coffee now and then. "A lady says: "I did not learn the real truth until I made the change, but I can now positively state that the headaches I had for about seventeen years were caused by drinking coffee for when I changed and gave up coffee and used Postum in its place I experienced entire relief. I have not been troubled with headaches since I began Postum. "This, in brief, has been my experience on the coffee question. Among my friends I have seen many other wonderful instances of the power of this food-drink when used in place of the drug-drink coffee. Among my friends there are those who tell me of relief from kidney trouble, neuralgia and eczema by leaving off coffee and using Postum and I have even known it to ease rheumatic pains in limbs. "I readily believe these statements for since I cut out coffee and used Postum I never seem to have an ache or pain and I would not dare go back to coffee again. Not only myself but my family use Postum exclusively and we know there is no lot beverage that can take its place. "Nearly seven years steady use of Postum convinces me I know what I am talking about when I say it is a food as well as a drink and most valuable to build up the system." Name given by Canadian Postum Co., Windsor, Ont. Canadian Postum Cereal Company, Limited, Windsor, Ontario, Canada.
