You Can't Put a PRICE TAG on Freedom

Freedom demands all you have—every sacrifice you can make. So speed every dollar you have into action.

Buy more War Savings Certificates.

Buy them now.

And Keep Buying Them.

Don't smugly say you've done enough.

You Can't Put a Price Tag on Freedom.

Because geography has been kind to you don't imagine that *it can't happen here.*

That's what Denmark, Holland, Belgium, Norway, France and Russia thought.

They don't think so now.

Buy to protect Canada.

Buy to build for a greater Canada.

Buy to keep Canada free.

And Buy to Your Limit.

Not your limit of yesterday, but the limit of today.

The limit that says
"My All Is Not Too Much."

The help of every Canadian is needed for Victory. In these days of war the thoughtless, selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us. Invest in War Savings Certificates the dollars you don't need to spend. After Victory, they come back to you with interest. Spend less now so that you can spend more then, when labour and materials will be available for the things you need. There is no price too high for freedom.
