

De Forest-Crosley

If it's in the Air the TRIRDYN will get it

A pertinent statement but—ask any Trirdyn owner. See his long list of stations. Get any authorized De Forest-Crosley Dealer to demonstrate it, side by side with any other set equipped with double the number of tubes and selling for twice the price, then—draw your own conclusions. The remarkable efficiency of the De Forest-Crosley Trirdyn is due to its patented construction which permits of the tubes doing double duty. Simple to operate, economical of upkeep, extremely selective (no trouble to tune out unwanted stations with the Trirdyn) and possessing a range and volume not excelled by equipment selling for double the price. It represents the finest hundred dollars worth of radio value to-day—ask your friend who owns one.

If your strains are of pure Prince Edward Island origin they are eligible for registration in the Silver Black Fox Breeders' Association of Prince Edward Island. A CERTIFICATE OF BREEDING FROM IT IS RECOGNIZED THE WORLD OVER AS THE INDICATION OF DESIRABLE BLOOD.

Intelligent and enterprising ranchers throughout the Province are registering their whole ranches with us. All foxes tattooed.
