FROM HONOLULU—E. B. Herkes, of Honolulu, was at the Victoria last week, says the St. John Telegraph. Mr. Herkes is a former Yarmouth boy who has traveled more than 6,000 miles to enlist in a battalion now recruiting in his native town. He has for the past four years been the chief engineer on a large sugar plantation in Honolulu and for the last three months has been trying to get away to join the colors. He was four days on the Pacific ocean and seven days getting here from Vancouver. Speaking of conditions in far-off Honolulu Mr. Herkes says that they were bad at the outbreak of the war but have improved greatly since that time. The sugar prices are good and sugar and pineappies are the chief products Some plantations produce two hundred tons of sugar per day for seven months of the year and average $70 per ton. The plant on which he was employed put in about $30,000 worth of machinery last year. Labor is scarce and the men receive seventy per cent. above their pay as a bonus Some Chinese and Filipino labor is being imported. The chief of the fire department in Honolulu is a Yarmouth man named Captain Thurston and the head of the Normal School comes from Prince Edward Island. He is Professor Woods. Maritime province people occupy prominent places in that as in many other countries Honolulu is a city of 75,000 population and at the present time there are many hundred troops stationed there. The climate is semi-tropical and is very good. Mr. Herkes says that he expects to return to Honolulu after the war.

SANDS-RUNNAHAN WEDDING. — An event of more than usual interest occurred in St. Joseph's church, Morell, on Sept. 25th, when Miss Helen Runnahan, one of Morell East's popular young ladies, was united in marriage to Mr. Frank Sands of New York city. The ceremony was performed by Rev. Peter Duffy. The bride who was attended by Miss Veronica Goodfellow, was attired in a beautiful tailored blue suit with hat to match, and wore the groom's gift,—a diamond ring. Mr. Vincent Runnahan, brother of the bride, ably supported the groom. After the marriage ceremony the bridal party left by train for Charlottetown, where they had dinner at the Victoria Hotel, returning on Wednesday evening to Morell. The groom's gift to the bridesmaid was a signet ring, and to the groomsman a gold watch. Mr. Sands, who for the first time visited the Island in June, made many warm friends here He with his bride leave in a few weeks for their future home in New York Their numerous friends wish them many happy years of wedded life.

WEDDING BELLS.— On Tuesday morning, Sept. 25th at St. Joachims Church, Vernon River was the scene of a quiet wedding when Bridget Lauretta, daughter of the late Patrick and Mrs. Coady, became the bride of Mr. J. J. Murphy, Nine Mile Creek. Rev. P. D. McGuigan officiating. The bride who was becomingly attired in white duchess satin trimmed with all over lace and pearls was attended by Miss Bertha Donnelly who wore blue duchess satin with white hat and carried a large bouquet. The groom was ably supported by his brother. Mr. Joseph Murphy. A sumptuous wedding dinner was served at the home of the bride only the immediate friends being present. After all had partaken of a goodly meal the bridal party drove to the home of the groom where the evening was spent in joyful festivities. The groom's gift to the bride was a gold piece and to the bridesmaid a pearl crescent brooch. The best wishes of a large circle of friends showed their esteem for the married couple by a shower of valuable presents. The Guardian wishes Mr. and Mrs. Murphy, many years of wedded bliss.

SPLENDID SHOWING.—A Sydney Exchange says:—Undoubtedly the most interesting part of the Exhibition is that devoted to dairy cattle. Yesterday afternoon a Post representative accompanied an expert through the large, roomy sheds and the scribe was told some things that opened his eyes to what has been done in this line in Cape Breton in the past ten years. "Perhaps you are not aware of the fact," said my companion, "that eight years ago when the first Cape Breton Island Fair was held at North Sydney, there was only one pure-bred dratty cow shown—a Guernsey—and you will realize the great stride forward that has been taken when I tell you that in the shed where you now stand there are between 135 and 150 dairy cattle all bred in the purple. We have shown here Jerseys, Guernseys, Ayreshires, Holsteins and other breeds that cannot be outclassed anywhere in Canada. You have my word for it the dairy cattle on exhibition here are far superior to those shown at the Charlotteown or Halifax Exhibition." A judge of the fruit exhibits volunteered the information that neither Prince Edward Island nor Nova Scotia could compare with the quality or fruit of fruit grown and shown here. "Of course," he said, "they each had a larger quantity of apples, piums, etc., displayed but the fruit was not as luscious or as well arranged as that shown here."

WEDDING BELLS.—The home of Mrs. Maria MacKinnon, Long Creek, was the scene of a very interesting event on Wednesday evening, October 3rd, when her daughter, Miss Etta M., was united in marriage with Mr. Wilbert C. Drummond, of Brookfield. The bride was given away by her brother, Finlay MacKinnon, and the bridal party entered the parlor to the strains of the wedding march played by Miss Mary Stretch, and stood under a beautiful floral arch, where the ceremony was performed by Rev. Wifrid MacLeod, in the presence of about sixty invited guests. The bride was attended by Miss Myrtle Henderson, and the groom by Mr. Angus MacLeod, cousin of the bride. The bride was very becomingly gowned in white silk, with wedding veil, and carried a bouquet of carnations, roses and maiden hair fern. The bridesmaid was dressed in pink silk, with a bouquet of sweet peas. After the ceremony and congratulations, supper was served in the dining room, which was beautifully decorated in pink and white. The evening was afterwards pleasantly spent in music and dancing, one of the most interesting features being the Highland Fling by Master Raymond MacNeill. The popularity of the young couple was shown by the number of useful and costly gifts. Mr. and Mrs. Drummond left on Friday morning for Pictou, N.S., where they were met by friends and taken by auto to New Glasgow, where they will be the guests of Mr. and Mrs. Silliker. After spending a few days there they will return to their home in Brookfield.

Women Once Invalids

Now in Good Health Through Use of Lydia E. Pinkham's Vegetable Compound. Say it is Household Necessity. Doctor Called it a Miracle.

All women ought to know the wonderful effects of taking Lydia E. Pinkham's Vegetable Compound even on those who seem hopelessly ill. Here are three actual cases:

Harrisburg, Penn.—"When I was single I suffered a great deal from female weakness because my work compelled me to stand all day. I took Lydia E. Pinkham's Vegetable Compound for that and was made stronger by its use. After I was married I took the Compound again for a female trouble and after three months I passed what the doctor called a growth. He said it was a miracle that it came away as one generally goes under the knife to have them removed. I never want to be without your Compound in the house."—Mrs. FRANK KNOBL, 1642 Fulton St., Harrisburg, Penn.

Hardly Able to Move.

Albert Lea, Minn.—"For about a year I had sharp pains across my back and hips and was hardly able to move around the house. My head would ache and I was dizzy and had no appetite. After taking Lydia E. Pinkham's Vegetable Compound and Liver Pills, I am feeling stronger than for years. I have a little boy eight months old and am doing my work all alone. I would not be without your remedies in the house as there are none like them."—Mrs. F. E. Your, 611 Water St., Albert Lea, Minn.

Three Doctors Gave Her Up.

Pittsburg, Penn.—"Your medicine has helped me wonderfully. When I was a girl 18 years old I was always sickly and delicate and suffered from irregularities. Three doctors gave me up and said I would go into consumption. I took Lydia E. Pinkham's Vegetable Compound and with the third bottle began to feel better. I soon became regular and I got strong and shortly after I was married. Now I have two nice stout healthy children and am able to work hard every day."—Mrs. CLEMENTINA DUERRING, 34 Gardner St., Troy Hill, Pittsburg, Penn.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice,—it will be confidential.
