Reds Increase Lead To Three Games As Walters Takes 13th Triumph

NEW YORK, July 15.—(AP)—The National League-leading Reds took another one-run victory over Cincinnati today, their second in two days, from Philadelphia Phillies, as Bucky Walters curvassed Ike Pearson for his 13th decision of the year. The score was 3-2. Young Ike checked about even with Reds' ace for six innings. The Reds scored the winning run in the eighth off Svl Johnson as Walters and Bill Webster singled and Ival Goodman doubled. Johnny Rizzo, a former Red, hit a homer in the Phils' ninth. Brooklyn Dodgers and the Pirates divided a doubleheader at Pittsburgh with the net result that the Dodgers dropped to three games behind the pace-setting Cincinnati Reds and the Pirates slipped to sixth place. New York Giants gave Chicago Cubs won a 5-3 verdict on Hank Leiber's three-run homer in the seventh inning. The Giants outdid their rivals in the eighth off Svl Johnson as Walters and Bill Webster singled and Ival Goodman doubled. Johnny Rizzo, a former Red, hit a homer in the Phils' ninth. Brooklyn Dodgers and the Pirates divided a doubleheader at Pittsburgh with the net result that the Dodgers dropped to three games behind the pace-setting Cincinnati Reds and the Pirates slipped to sixth place.

Detroit Oust Cleveland From American League Lead For Third Time

NEW YORK, July 15.—(AP)—Cleveland lost its American League lead and a game to Washington Senators today. Washington won an 8-6 victory at home behind the seven-hit pitching of towering Sid Hudson and thereby moved out of the cellar into sixth place. Detroit scored eight runs in the fourth inning, but it took a sixth-inning home run by Rudy York and Paul Trout's relief pitching to give the Tigers a 9-8 victory at Philadelphia over the Athletics.

Chicago White Sox staved off an eighth-inning Washington Yankees to win a 3-2 decision at New York and snap a four-game winning streak of the world champions. A makeshift Red Sox batting order cannonaded 16 hits off the services of four St. Louis Browns' pitchers at Boston to sweep their three-game series with a 10-6 triumph.

Yankees To Be Sold Is Probability

By Earl Hilligan Associated Press Sports Writer

CHICAGO, July 15.—(AP)—Baseball's richest holding—the world championship New York Yankees—probably will be sold within two weeks to a syndicate headed by Postmaster General James A. Farley, it was disclosed today by Attorney Jeremiah T. Mahoney of New York.

Mahoney, attorney for George Ruppert, brother of the late Col. Jacob Ruppert, said a contract calling for a price of \$4,000,000 has been submitted by the Ruppert estate to Farley's legal representatives and added "the transaction has gone from the speculative to the very realistic stage."

The announcement by Mahoney fanned long persistent reports that Farley planned to resign as chairman of the National Democratic Committee but the Democratic leader smilingly declined to comment himself when informed of Mahoney's statement.

Mahoney, former president of the Amateur Athletic Union and now a director of the Ruppert Brewing Company, explained the project simply, saying "we need money to meet inheritance taxes."

Since the death of Col. Ruppert at the age of 71 in January, 1939, there has been much speculation on the ultimate ownership of the club and its subsidiaries, which include the Newark team of the International League and the Kansas City club of the American Association. The New York Yankee Stadium, home field of the team which has won four straight world championships, is assessed at \$2,500,000.
