The death took place in Summerside Oct. 12 of heart disease of Jane Cass wife of the late Walter Keating. The deceased had been in failing health for some time but recently had improved. For the past two years she had resided in Charlottetown but about a month ago removed to Summerside where she passed away on Monday Oct. 12th. Mrs Keating leaves to mourn two sisters, Mrs Elizabeth Walsh and Mrs Barbara O'Halloran of this city to whom The Guardian extends its sincere sympathy.

In this city Mr. Webber will put on "Fanchon," which was so highly spoken of by the Charlottetown daily press. It is some years since Mr. Webber appeared before a Moncton audience, and he will no doubt receive a hearty welcome. Mr. Webber is the very oldest showman in the business. For a quarter of a century he has been making annual visits to the maritime provinces.—Moncton Transcript.

At the Police Court yesterday five citizens were before the court for non-payment of dog tax. There are more to follow. George Carver was up for malicious injury to the property of Joe Ling, Chinaman. Ling swore Carver came into his house and asked for something to eat. Being refused he smashed the window with a piece of plank. Carver swore that he did not break the window. As there was no other evidence the case was dismissed. George Mills was arrested for interfering with the police while a seizure was being made under an execution from the police court. He was remanded till today when he will be arraigned for assaulting John Sherry a year ago last September. Mr. Weeks appeared for Mills.

ORANGE BLOSSOMS—A very pretty wedding took place at Tignish yesterday morning in the Convent Chapel when Miss Anna Bella McElroy, daughter of Michael and Mrs McElroy, Tignish was united in the holy bonds of wedlock to W. A. Salterio of the Royal Hotel, Halifax. Rev. D. McDonald officiated, assisted by Rev. A. J. McDougall. During the ceremony choice vocal selections suitable to the occasion were rendered by Miss Nora Dalton, Mrs. Hackett and others. The bride was beautifully gowned in white Tamaline silk, trimmed with white accordion pleated chiffon. Her white tulle veil was caught with a wreath of orange blossoms. She carried a shower bouquet of white chrysanthemums and maiden hair fern. The bridesmaid, Miss Marv B. McDonald, looked charming in a gown of pink viole, with trimmings of hand embroidery and cream applique. She wore a black picture hat and her shower bouquet was of white chrysanthemums and pink carnations. The little flower girl, Missie Margorie Hackett, niece of the bride, wore a frock of pink and white silk. The groom was supported by his brother Earl Salterio. A reception at the Belle View followed the ceremony when a host of friends gathered to offer congratulations. The bride was the recipient of an unusually large number of lovely presents. The groom's gift to the bride was a seal skin coat and to the bridesmaid a beautiful golden pin set with rubies. Amidst showers of rice the happy couple started on the noon train for an extended tour to New York, Boston and other American cities.—Congratulations.

FRED Nash, editor of the Daily Patriot, Charlottetown, P. E. I., is an applicant for the position of post office inspector in that city. It would be a novelty if such a good Liberal newspaper man should receive such an appointment, but he is certainly entitled to a lucrative position for the great services rendered to his party.—Moncton Transcript.

The following from the Menville Mail referred to a lady who visited Charlottetown several years ago and gave a performance in the Opera House. A ex. Harrison of Bangor township on Saturday told us a story which, were it not that we know Mr. Harrison to be truthful, seems almost incredible. It seems that between four and five years ago Fred Harrison, a relative, came here from Michigan, and soon afterwards went to Minnesota with Orin Sager, Dell Nash and Hart Selby of Plymouth county on a hunting trip. Harrison remained there and the others returned home. Since that time nothing has been heard of Harrison, but it is now believed that he has been located, and that in a miraculous way. Last spring Jason Harrison and his father arrived from Fulton, Mich., and visited relatives in Woodbury and Plymouth counties. While visiting near Leeds, Jason, who is a cousin of the long lost Fred, decided to go to Sioux City to see Anna Eva Fay, who was holding forth at the Opera House. Jason heard the invitation given to the audience to write questions with the assurance that Miss Fay would answer them. He took an old envelope from his inside pocket and wrote on it, "Where is my cousin, Fred Harrison?" and then signed his name. The collectors, however, failed to take up Jason's question, and he returned the envelope to his pocket. Judge of his surprise when he heard Miss Fay, who was blindfolded, exclaim: "J. J. Harrison wants to know where his cousin, Fred Harrison is. He is a soldier boy in Manila. Write to him at hospital No. 2." The boy into me his relatives of what he had heard, and Alex. Harrison of Banner township wrote to Manila, being careful to put a return card in the envelope. The letter was not returned, neither did he get an answer. Then Gilbert Harrison of Hinton, a cousin of Fred registered a letter to Manila, and one day last week received a reception from Fred Harrison. Uncle Alex is convinced that Anna Eva Fay has supernatural gifts.

**Is There Poison in Your Blood?**

Then the Liver and Kidneys Have Failed to Perform their Mission and you Need **DR. CHASE'S Kidney-Liver Pills**

If you are not well there must be a reason for it. Most of the common ills of life arise from poison in the system. If you would be well you must remove this cause of disease. The work of the blood is two-fold. It supplies nourishment to the body and collects the impure and poisonous waste matter. This poisonous material is removed from the blood by the action of the liver and kidneys. When these organs fail the poison is carried back through the system in the circulation of the blood and causes disease. Where is your weak spot? Just there you may first expect to feel the effects of poison in the system. It may be stomach trouble or lung trouble, kidney disease or heart disease, but the beginning is with the inaction of the great filtering organs—the liver and kidneys. Nine-tenths of the ills of everyday life may be cured by Dr. Chase's kidney-liver Pills, because they set the liver, and bowels right and so cleanse and invigorate the system. Have you come to realize the importance of keeping the bowels regular and the liver and kidneys active? You will appreciate Dr. Chase's Kidney-Liver Pills not only on account of their wonderfully promptness, but also for their lasting effect on the system. They get at the very foundation of ill-health, and by removing the cause bring thorough cure. Dr. Chase's Kidney-Liver Pills, the comfort of old age, one pill a dose, 25 cents a box, at all dealers, or Edmanston Bates & Co., Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.
