

# A Civic Official's Important Statement

## A Remarkable Case in Which the Life of one of Toronto's Brightest Young Ladies was Saved as by a Miracle

From the "Toronto Star."

The following statement, by one of Toronto's best known and most popular Civic Officials, is given in a spirit of gratitude for the wonderful cure of his daughter. The name is given on occasion it interfered with his public duties. He states:

"My daughter was pronounced a hopeless case of consumption by several eminent physicians of this city (Toronto). She had been for years somewhat delicate and easily contracted colds and coughs. I was informed by physicians that nothing could be done for her, and that it was a hopeless case. I decided to try Psychine and Dr. Slocum's Emulsion of Cod Liver Oil. Before she had finished the first two bottles of these preparations she was able to sit up in bed, and gradually became quite strong again. Before many months she was able to be out and apparently in perfect health. I can assure

Psychine and Oxmulsion can always be relied on to cure when cure is possible. It is the greatest known to medical science. Psychine cures stomach troubles, germs in the system, is the greatest blood purifier and rich in healthy, to those who are weak and tired and of the system. It cures when all else fails. Dr. T. A. Slocum, Limited, Toronto.

you I feel very grateful for what these remedies have done for my daughter. Years have elapsed since, and she is in the enjoyment of good health. The relief was of a permanent nature. I shall ever feel grateful for these valuable medicines, and shall ever esteem it a favor to recommend them to persons similarly afflicted. I consider it a duty that I owe, as a truthful recommendation may be the means of inducing some other sufferer to use Dr. Slocum's Emulsion of Cod Liver Oil and Dr. Slocum's Psychine." (Signed)

### Curc the Children's Coughs with "SPRUCINE"

It's simply wonderful—the way "SPRUCINE" cures the children of coughs, and breaks up a bad case of Bronchitis. "SPRUCINE" soothes the irritated membranes—allays irritation and inflammation in the throat—loosens the phlegm—and heals the lungs. "SPRUCINE" is especially suited to children because it "tastes good," and because it contains nothing that the youngest child may not safely take. All druggists have it. See a bottle. ### KEEP YOUR GRIT.

Hang on! Cling on! No matter what they say. Push on! Sing on! Things will come your way. Sitting down and whining never helps a bit. Best way to get there is by keeping up your grit. Don't give up hoping when the ship goes down. Grab a spar or something—just refuse to drown. Don't think you're dying just because you're hit. Smile in face of danger and hang to your grit. Folks die too easy—they sort of fade away. Make a little error, and give up in dismay. Kind of man that's needed is the man of ready wit. To laugh at pain and trouble and keep up his grit.

### Look out for Your Blood

You can't expect the blood to be pure and rich when you are bilious and your stomach is upset. Of course, it is "spring fever." But why feel badly at all? Why not keep the blood pure, the liver active, the bowels regular, the whole system well and strong, by taking a morning glass of Abbey's Salt?
