—HERE ON BUSINESS.—The following were in Tignish Friday on business: Messrs. Wildred Tanton, Alber-

ton; Capt. John Perry, Mimmingash; William and Edward Gaudet, Frank Shea, Waterford; Meddie Gallant, Bloomfield, and Durmett Sharbell, Portage.—Z.

—ANOTHER PROMOTED—By a cablegram received by Mr. A. J. McFadyen of Tignish from England on Thursday, it seems that his son Kenneth, who is in training there with the Tenth Seaforths (Highlanders) Regiment, has been promoted in the ranks. All of this young man's friends rejoice at his success.—Z.

—HERE VISITING BROTHER.—Great was the surprise of Mr. and Mrs. Timothy Ryan, of DeBlois, to see Mr. John Ryan and his daughter, of Newton, Mass., on Wednesday, after having not seen each other for over twenty-five years. This gentleman and his daughter intend spending about one month on the Island and expect to tour the Provinces on their return home.—Z.

—SCHOOL MEETING—On Friday the ratifiers of Tignish Grammar school held a special meeting for the purpose of appointing a stipendiary magistrate for the district replacing the late Angus J. At all other points it will be several days before the fishermen will be able to set out their gear by reason of the condition of the ice which is yet solid on the shores. It is reported however that several fishermen on Thursday started to set out their lobster gears at Mimmingash Run, and from all reports it seems that the lobsters are in abundance on the grounds where these gears are being set. A similar condition prevails with the herring which enables the fishermen to provide the usual bait.—Z.

In the future he will maintain both stores—the taking personal charge of the one in Summerside, while his brother Ernest along with Dr. McBride will look after the one located in Tignish. From a telegram received from Mr. Ernest Gallant (brother) it is learned that he will leave Worcester next week to assume his duties here as a druggist. The Guardian along with the ranks. All of this young man's militant success in his new undertaking.—Z.
