Have Been Watched

The reason that so many farmers and others will not plant any other seeds but ours is, that they have been watching us for many years and they note our success, they naturally came to the conclusion that if they plant the same seeds as we plant they may reasonably look for a like result. For thirty-five years we have been in the business of planting, cultivating and marketing vegetables and our long experience has taught us what to plant and what not to plant, and those who buy seeds from us have the benefits of our practical experience. Our quarters in the temporary market is not so extensive as the old one, but we will be pleased to have all our old customers and as many new ones as can crowd in, and there will always be room for one more.

Carvers for Wall Paper

THE CIGARETTE BILL.

OTTAWA, April 29.—Mr. Bickerdike introduced a bill entitled an act to prohibit the importation, manufacture or sale of cigarettes, Mr. Taylor objected. The government, as servants of the people, should take the question into its own hands. Sir W. Laurier declined to do so, as he thought it was competent for any private member to introduce a bill to reduce taxation.

The Sufferings of Women

Many Irregularities and Weaknesses, Much Pain and Misery Which Can be Permanently Overcome by Using

Dr. Chase's Nerve Food

No woman can expect to have good health unless the monthly uterine action is regular, and any beaking of this law of nature not only causes much pain and suffering, but may make her an invalid for the rest of her life.

Nearly all derangements of the feminine organism are due to thin, watery blood, a poor circulation or lack of nerve force. Whether the menses are irregular, insufficient, profuse or painful the cause of trouble rests with the condition of the blood and nerves, and soon disappears when these are restored to health and vigor.

The dull, aching pain in the back and thighs, the cramps in the abdomen, the distressing headaches, the irritability and feeling of utter weariness will disappear when Dr. Chase's Nerve Food is used to put the blood and nerves in proper condition.

It is usually in girlhood that these irregularities have their beginnings, and hence, mothers, the necessity of looking to the health of your daughters during the period of change. A few words of advice at this point may save them from a life of ill health and misery.

From girlhood to the change in life, for the nursing mother and at every trying time in a woman's life Dr. Chase's Nerve Food is of inestimable value, because it forms new, rich blood, insures good circulation and revitalizes the wasted and depleted nerve cells. It gives health, strength and buoyancy rounds out the form, increases flesh and weight and builds up the system.

Dr. Chase's Nerve Food is composed of nature's most powerful restoratives and cannot fail to benefit you. 25 cents a box at all dealers or Bimanson Bates & Co., Toronto.

She—What an extraordinary plotter And why on earth do you call it "Home"? He—Can't imagine, unless it is because there is no place like it.

SUDDENLY ATTACKED.

Children are often attacked suddenly by painful and dangerous Colic, Cramps, Diarrhoea, Dysentery, Cholera Morbus, Cholera Infantum, etc. Dr. Fowler's Extract of Wild Strawberry is a prompt and sure cure which should always be kept in the house.

Mother—When you play marbles, why in the world do you set down on your knees and drag yourself over the ground? Little Son—'Cause I—I don't want to wear out my shoes.

SPRING MEDICINE. As a spring medicine Burdock Blood Bitters has no equal. It tones up the system and removes all impurities from the blood, and takes away that tired, weary feeling so prevalent in the spring.

A little assistance is worth a whole lot of advice. Minard's Liniment Relieves Neuralgia. "Her marriage was a great disappointment to her friends." "Indeed." "Oh, yes. They all predicted it would turn out unhappily, and it didn't."

The essential healing principle of the pine tree has finally been successfully separated and refined into a perfect cough medicine—Dr. Wood's Norway Pine Syrup. Sold by all dealers on a guarantee of satisfaction. Price 25 cents.

Wigs—Yes; little Silmus carried off the honors at college. Waags—I'll bet the honors didn't weigh much. Minard's Liniment Cures Burns, etc.

Some sort of a sharp relish is always compatible with cold meats. DOAN'S KIDNEY PILLS act on the kidneys, bladder and urinary organs only. They cure backaches, weak back, rheumatism, diabetes, congestion, inflammation, gravel, Bright's disease and all other diseases arising from wrong action of the kidneys and bladder.

It should be the ambition of every woman to live up to her best photograph. THE LADIES FAVORITE. Laxative Pills are the ladies' favorite medicine. They cure Constipation, Sick Headache, Biliousness, and Dyspepsia without griping, purging or sickening.

Life is not so short but that there is always time enough for courtesy. Minard's Liniment for sale everywhere. Some dairymen spend enough time weeping over spilled milk to buy a whole cow.

Many people say they are "all nerves," easily startled or upset, easily worried and irritated. Milburn's Heart and Nerve Pills are just the remedy such people require. They restore perfect harmony of the nerve centres and give new nerve force to shattered nervous systems.

In nearly all cases it is better to grow into a specialty than to go into it. First learn how and then go in. Minard's Liniment Cures Dandruff.
