To Suffer From Headaches Makes Life Miserable.

It takes a person that has had and is subject to headaches to describe the suffering which attends them.

The majority of cases are caused by constipation and dyspepsia. The dull throbbing, the intense pain, sometimes in one part, sometimes in another, and then over the whole head, varying in its severity by the cause which brings it on, purely indicate that there is something the matter with the stomach or bowels. To the fact that Burdock Blood Bitters reaches every part of the system is due its success in relieving and permanently curing headaches.

It has proven a specific for the malady in all its forms.

Mr. Wm. R. Gifford, New Mills, N.B., writes: "I was troubled for years with constipation and headaches, but after using four bottles of Burdock Blood Bitters I am completely cured."

Mr. John T. Kidd, Red Deer, Alta., writes: "I was troubled for several years with headaches. I tried a number of remedies but they did me no good. I tried a bottle of Burdock Blood Bitters and it cured me completely."
