Whose name was known as Migonnette  
 Who chanted at a cabarette  
 And often smoked a cigarette.  
 He spent his money, ran in debt—  
 When wife heard this scandallette  
 She used her silver vinaigrette.  
 Then said, "A full divorce I'll gette,  
 I'll make this filthy husbandette  
 Pay alimony, too, you bette!"  
 So now she is a widowette  
 A cynic and a suffragette—  
 Thus ends my little storyette.

**DYSPEPTIC PHILOSOPHY**  
 Few men can govern themselves. That is why so many of them get married.

Some people never kick at a thing unless they are sure it can't kick back.

**To Restore Leather Bindings.**  
 To restore the leather bindings of books wash them first very lightly and carefully with clean warm water in which a tiny piece of soda has been dissolved, in order to free the leather from grease; then wash with clear water to remove the soda and dry. Dissolve a bit of gum arabic the size of a small bean in a teaspoonful of water and beat it up with a teaspoonful of the white of an egg. With a bit of sponge go lightly over the leather with this glaze and let it dry. Should the glaze froth up on the leather, as it is very likely to do if there is much tool work on the book, dab it until it subsides with the palm of the hand or with the sponge squeezed as dry as possible.

Her Dear Husband,  
 "Why," exclaimed a newly married woman to a bunch of friends, "for three months after our marriage my dear husband made me bake hot biscuits for him every meal."  
 "And yet your husband is a strong, healthy looking fellow," answered her friend, in astonishment. "Doctors say that such a diet is terrible, and"—  
 "Oh, yes, this husband is healthy. I was referring to my first husband!"—

**Cascarets Insure Inside Cleanliness**  
 The millions of Cascaret users never have Headache, Constipation, Biliousness or Sick Stomach.

It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.  
 Are you keeping clean inside with Cascarets—or merely forcing a passage-way every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gasses; take the excess bile from the liver and carry out of the system the decomposed waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

**Behind Every Piano We Sell is Miller Bros' Guarantee**

Behind every piano we sell, supporting and maintaining the guarantee of the makers, is Miller Bros., honest recommendation and binding guarantee.

Miller Bros guarantee is more than a printed form or a spoken word. It means that every piano we sell has been selected by us after a most thorough and vigorous search and is in our belief the best piano at its price in Canada.

Our guarantee means that the buyer get full returns in piano quality for every cent expended and this guarantee should be doubly strong for you because we are right here on the grounds to answer all complaints, to settle difficulties and to back up every statement we make regarding our pianos.

We do not consider a sale finished when a piano leaves our store. Your satisfaction is always our main consideration and from the time you purchase the instrument we make it a point to see that you get perfect satisfaction.

A thorough study of the prices, values, fame and quality of our pianos will thoroughly convince you that Miller Bros' guarantee means now, as it did scores of years ago, that our main aim is to satisfy our patrons and not load them with poor instruments for the sake of making a sale.

The Old **Miller Bros** 123 Kent St  
 Firm of **Charlottetown**

According to Government Estimates

**\$100,000,000.00**

was made in Western Town Property during the year 1910

Did you participate in these huge profits or did you "pigeon-hole" the proposition submitted to you by your western friends for future consideration? In short, are you the man who made a profit or the unfortunate one who had the chance but did not possess sufficient judgment to recognize the opportunity or sufficient courage to close a deal? The man or woman entitled to sympathy is the one who says: "Five or ten years ago I had the chance to buy this or that property at \$100 or \$500, and now it is worth \$10,000." The average person sneers at the person who makes such a statement and says: "I would have bought and made that money." Are you going to say five years from now that you had a chance to buy a lot at Poe, Alta., at from \$50. to \$100. each, or are you going to be the man who will have from \$1,000 to \$10,000 in cash as a result of having bought property in this town in this year of grace, 1911?

**POE A COMING COMMERCIAL CENTRE.**  
 Poe is located on the main line of the Grand Trunk Pacific Railway between Edmonton and Saskatoon. It is located in one of the finest farming districts in Western Canada. The surrounding country is settled by a progressive type of farmers and consequently will become the market centre for Northern Alberta. Poe district possesses rich coal mines, is close to river and lakes and large forests are easily accessible from this point. These natural resources insure for the residents of the town, first, low cost of living, and second, great commercial activity, two essentials in the up-building of a large town, thus creating valuable real estate.

**POE AS A MANUFACTURING CENTRE**  
 This townsite and contiguous territory has the requirements outlined by large manufacturing concerns for the location of large factories or large enterprises of any kind employing large numbers of people. The rivers and lakes furnish water, the coal fields and forest furnish fuel and cheap building material, the fine farming lands furnish farm products, enabling the residents to live at a low cost.  
 The town is located on the main line of a transcontinental railway, assuring the necessary transportation facilities. These combined conditions will furnish cheap labor, one of the most important, features of a manufacturing centre.

Poe is a good new town in which to engage in business or a profession

 is useless unless you possess the courage to act. You might possess great wisdom, you might read a good deal or travel much and thus see all kinds of opportunities to make money, but unless you have the courage to act on your judgment and wisdom all of these desirable qualities are entirely useless.  
 Lots in Poe are a good investment at present prices. The town is bound to grow rapidly. Owing to the easy terms of payment you have the ability to buy and if you do not buy now it is because you are lacking in courage, and the chances are you will never be like the man you now admire most, rich, courageous and wise.

**TORRENS TITLE.**  
 Poe townsite is held by us under the Torrens system of title. Under this system the title is guaranteed by the Government, therefore absolutely safe.

**PRICES AND TERMS.**  
 Prices of lots range from \$50 to \$100 each, and they can be purchased on terms of one-tenth cash, balance in eighteen equal monthly payment; or quarter cash, balance in six, twelve and eighteen months.

**INFORMATION.**  
 We have issued an attractive circular giving full information pertaining to the town and its prospects, together with map showing lots for sale. If you wish to receive this attractive circular cut out and fill in the attached coupon and mail it to us today.
