Lineup Of All-Star Hockey Squad

Following is the lineup of the All-Star team from the City Hockey League. Composed of eighteen players the hockeyists were picked by the different coaches of the six teams in the league and the two local sports writers.

Jackie Kane, right winger of the Y squad was named on the team but due to business conditions could not play, while Beck, Nicolle and D. Bagnall of the P.W.C. team, still eligible for the playoffs, were also left of the lineup.

Don Davis was the spearhead of the Regals' attack as he dented the twines four times during the game. R. Jeffrey got the other two goals. For Elmisdale G. Currie scored twice while E. Currie, F. Forsyth and C. Hardy got one each.

The Regals jumped into the driver's seat at the five minute mark when Davis went in alone to beat Campbell on a corner.

Elmisdale led it up two minutes later as G. Currie scored on a drive from the blue line which trickled off Campbell's pads into the cage. This was followed by E. Currie who caught Ramsay napping as his long drive picked the corner to put Elmisdale one up as the bell ended the period.

Johnny Squarebriggs will coach the squad

Mr. Dutton's ruling was a timely one, as the Red Wings pay at Toronto tomorrow night and will be hosts to the Leafs on Sunday night. It is to be hoped that the men who erred will let bygones be bygones and stick strictly to hockey in the future. They have been penalized in a manner which should result in their being on their good behaviour, but it so happens that they are a pair of hot-tempered young men and are liable to forget about fines and fines and renew the arguments in a more strenuous manner than ever.

Orlando has had plenty of experience in major company and has taken the raps and knocks from veterans, but Stewart is practically a newcomer to the top ranks and has shown that he has what it takes when it comes to getting a hickory massage and giving one in return.

They should weigh them in before the game and allow the Ontario Athletic Commission to appoint the referee.
