District Convention At Central Bedeque

The District Convention of Bedeque, Central Bedeque, South Bedeque, Chelton, Albany, Borden, Middleton, Lower Freetown, Upper Freetown and Searletown Institutes was held in Central Bedeque Hall recently. Seventy-five members responded to roll call. Meeting opened with singing of God Our Help in Ages Past and repeating Creed in unison. The President, Mrs. Reg. Forbes then called for last year's minutes, which were read and approved. The address of thanks was given by Mrs. Harrison MacFarlane, South Bedeque and responded to by Mrs. Keith Webb, Chelton.

The afternoon speaker was Mrs. Doris Muncy, Central Bedeque, who gave a very interesting and descriptive talk on the World's Fair. This was much enjoyed and a standing vote of thanks was given Miss Muncy. Mrs. Edson Wright was institute reporter. She reported a very active year for each institute. Money being given to worthy causes such as the Sanatorium, T. B. League, Cancer Fund, P. C. Hospital, as well as the schools and sick of each district. The appointment of committees was as follows: Resolutions, Mrs. Wright, Leard, Mrs. W. P. Cameron, Mrs. Jardine Stewart, Nominations, Mrs. Julien Herring, Mrs. Edson Wright, Mrs. Percy Allen, Mrs. Essie Wright, varied the program with a humorous reading which was much enjoyed by all. The Question Box on Institute work brought forth some discussion. It was interesting to note the eagerness of each Institute to help our country's cause in this present crisis. Everybody joined heartily in a sing-song of patriotic songs. Searletown kindly invited the convention to meet in their hall next year.

Mrs. Julien Herring, who was the district delegate to the Provincial Convention gave her report. She was re-appointed to attend next year. The following officers were appointed for the coming year: President, Mrs. Keith Webb, Chelton; Vice-President, Mrs. Frank Curtis, Middleton; Secretary, Miss Blanche Noonan, Bedeque.

The following resolutions were brought on:

- Whereas the ladies of South Bedeque have so delightfully entertained the delegates at this convention, be it resolved that we the visiting delegates extend to them sincere thanks.
- Be it resolved that we extend our appreciation to the speakers and all who have helped to make this convention a success.
- Be it resolved that we, as a convention, commend the efforts Great Britain has made in the interests of peace. Whereas these efforts have failed, we, one and all, stand behind whatever course she pursues.

In the evening the following program was carried out:

- Instrumental music, Bedeque.
- Reading, Mrs. Essie Wright, Middleton.
- Dialogue, "Waiting for the Doctor", South Bedeque.
- Tap dance, Helen Robertson, Central Bedeque.
- Solo, Ina Phillips, Freetown.
- Dialogue, "Brown's Unlucky Day", Lower Freetown.
- Solo, Rob Roy MacGregor.

- Solo, Winnifred Wright, South Bedeque.

- The National Anthem, sung with much enthusiasm, brought the evening to a close.

Presentation To Rev. D. P. Croken

On the Sunday preceding his departure to assume his new pastoral duties in Souris, the parish of Port Augustus, presented their pastor, Rev. D. P. Croken with a farewell address and a suitable gift as a token of deep appreciation and sincere good wishes for his future in another part of the diocese. The following address was read by the President of the Holy Name Society, Donald Macdonald, while John Boylan made the presentation:

Dear Reverend Father: When some weeks ago, your confirmed current tidings that you were soon to sever connections with the parish of Port Augustus, where, for thirteen years you have laboured so earnestly and so unselfishly in the fulfillment of your priestly duties, we felt the shadow of a great loss. Today seems hard to bear. We feel, perhaps, that your natural humility would not wish us to fully enumerate your many accomplishments during the years you have been with us, nevertheless we know that it is only proper to say that the example you are leaving us, of a Christian life, exemplified by an unflinching devotion to duty and a sincerity that shone in your daily life amongst us, is something that we shall never forget.

Your first consideration was always for our spiritual welfare. Unfadingly you provided us with the opportunity of practicing our Holy Religion in the proper way, and in the great work of religious instruction of our boys and girls, you have accomplished what will ever be a monument to your work among us. During the years you have been with us, your personal interest in the religious and temporal welfare of this parish has resulted in the formation of a branch of the Catholic Women's League and Holy Name Society. For the welfare of these societies you have ever been solicitous and your wise counsel and spiritual guidance has been largely responsible for what we have been able to accomplish.

In a material way, you have been ever interested in the progress of all of us and you were ever ready to support any movement which you thought might better conditions and bring about a greater measure of happiness and security for your people. Yes, Father, you laboured to help us in many ways, but perhaps it was in times of sickness and adversity that your real worth was most apparent to us, and for that reason especially we thank God that we have been privileged to have you as pastor for so many years.

In your departure we feel that we will not only lose a good pas-
