"Thank God for Tea" —Sydney Smith

In Sydney Smith's delightful volume, "Lady Holland's Memoirs," there appears this passage:

"Thank God for Tea! What would the world do without Tea? How did it exist? I am glad I was not born before Tea."

A more concise testimonial to the joys of Tea drinking could hardly be written.

Most people feel this way about Lipton's, but cannot express the sentiment so well.

We positively guarantee the quality of Lipton's Tea because we grow it, blend it, pack it, and sell it ourselves.

Lipton's Tea aids digestion, soothes the body, and enlivens the spirits.

War Service Gratuity

As soon as a soldier is discharged from the army his first concern is to find a job. He may not find a job at once. During his period of unemployment he will however be in receipt of his War Service Gratuity.

Before the Armistice was signed "post discharge pay" was granted to discharged soldiers. Upon the signing of the Armistice it was felt necessary to make certain changes.

A larger grant will now be made to all who have served at the front whether discharged before or after the Armistice. Those who were on active service on the date of the Armistice, but had not served at the front, will also receive a gratuity on a higher scale.

The War Service Gratuity is given over and above any "back pay," pension or clothing allowance to which a man may be entitled.

It is given in addition to all the care, attention and service which the Government will devote in order to restore our fighting men to civil life.

To Whom Awarded.

All soldiers discharged on or after November 11th, 1918, who have served with good conduct will receive War Service Gratuity according to their class.

Soldiers discharged before November 11th, 1918, will receive War Service Gratuity only if they served at the front in any actual theatre of war.

If a soldier discharged before November 11th, 1918, did not serve in an actual theatre of war he will be entitled only to post discharge pay—according to his class on the old scale.

The Amount of the Gratuity.

The gratuity consists of a continuation of a soldier's pay, field allowance and separation allowance for a period beyond his discharge.

This period is graded according to the length and character of service.

If his service has been in part overseas his gratuity is figured on a higher scale than that of the man who has served only in Canada.

The maximum gratuity for the man

who has served overseas is six months. This is given to the man whose total service amounts to three years or more.

Three months gratuity is the maximum for the man who has served in Canada only, and it is given for three years' service.

If the monthly pay and allowances for a man whose dependents have been receiving separation allowance, should be less than \$100 he is given \$100 per month as gratuity. A part of the gratuity equal to separation allowance will be paid direct to the dependent entitled to it.

If the monthly pay and allowances for a man without such dependents should amount to less than \$70.00 he is to receive \$70.00 per month.

Further, every gratuity granted will amount to at least one month's pay, field allowance and separation allowance.

When Payable.

Men who have already been discharged will be given the gratuity to which they are entitled (less any "post discharge pay" they have received) after February 1st, 1919.

Application for an adjustment must be made to the paymaster of the district from which the soldier was discharged. The necessary forms to be filled out in support of each claim for adjustment may be obtained from the military headquarters of each district, from district and unit paymasters and from officers commanding militia units.

Men who are still in the service will receive their first month's gratuity immediately upon their discharge—unless they are "boarded" to receive treatment and full pay and allowances from the Department of Soldiers Civil Re-Establishment.

Men who are in the care of the Soldiers' Civil Re-Establishment will get their gratuity as soon as they cease to receive full pay and allowances.

By this token Canada will record her appreciation of her soldiers and sailors—to a degree more generous than that shown by any other nation.

SUPREME COURT.—The case of Frederick and Louis Yorston of Pictou, vs. R. J. McNeill, Tyne Valley was still before the Court yesterday. The plaintiffs are the owners of the ship at Pictou. The defendant took to that ship to be repaired, the schooner "Glyndon" which had been wrecked outside of Pictou harbour. The plaintiffs claim \$1400 as due them for repairs. The defendant's contention is that these repairs were not satisfactory; that the schooner while on her way to Charlottetown was leaking so badly that the pumps had to be kept going all the time. Johnston, K. C., is Counsel for the plaintiffs, Bentley, K. C., and Saunders, K. C. for the defendant.

Mother's Pet Needs a Cascaret

Baby is mad! Doesn't want the favorite dolly, or the horn, or the picture book—but don't scold! Look at the tongue! Then hurry! Give candy Cascarets to work the nasty bile, souring food and constipation poison from the little liver and bowels.

MOTHERS! Clean the clogged-up places. Do away with the bile, sour fermentations and constipation poison which is keeping your little one cross, feverish and sick. Children love Cascarets, because to them it is like eating candy. Cascarets act better than castor oil, calomel or pills on the tender stomach, liver and bowels. Cascarets never gripe, never injure, and do not disappoint the worried mother. Give harmless Cascarets to children one year old and upwards. Each ten cent box contains full directions.
