CHRISTMAS DAY AT INDIAN RIVER—The Holy Feast of Christmas was observed in a very fitting manner at St. Mary's Church Indian River, high mass being celebrated by the pastor, Rev. R.F. Macdonald. The church gave significance of festivity being adorned with many lights and suitable Christmas trimmings. Flowers donated by the catechetical class added greatly to the appearance of the altars. The magnificent crib was in its usual place and brightly illuminated. The choir rendered very pleasingly the "Royal Mass" and appropriate Christmas hymns. Father Macdonald spoke eloquently and extended greetings to all his parishioners for a holy and happy Christmas. A special greeting was given the organist, Mrs. Edgar Hickey, who performed her duties so faithfully for the past twenty-five years. Immediately following the sermon a low mass was offered in keeping with the festive season.—S.

Appeal Case Is Heard By Judge Lewis. Sitting as an appeal court, Judge L.G. Lewis, heard the case of Keith Pratt vs. the trustees of Bloomfield School District, No. 155 in Summerside on Wednesday. This was an appeal against the assessment made by the trustees on the appellant's property for school purposes. During the hearing five witnesses were examined, two for the appellant and three for the respondent. The evidence was chiefly with reference to the comparative values of the land and properties in the district. After hearing argument by counsel the judge stated he could not see any reason why the court should disturb the assessment made upon the appellant's property by the trustees. He also complimented the trustees on the fair and equitable manner in which they had made their yearly assessment for school purposes. Mr. T.L. Linkletter appeared for the appellant and Mr. R.S. Hinton for the respondent.—S.
