MORNING STOCK LETTER

(Received over Pitfield and Co's Private Wire)

NEW YORK, March 27—Walter Chrysler and John L. Lewis will resume conference this morning at 10 a. m. It is believed that progress is being made in the negotiations. Southern Pacific workers are taking a strike vote, the results of which will probably not be known for several days. The Chicago taxi strike has ended. Earnings statements continue favorable for last year. According to the president of Homestake Mining, stockholders will soon be asked to vote on the split up of stock 5 for 1. We would look for a quiet irregular market today with some strong spots. Over the holiday it became known that Electric Bond and Share would appeal the decision of Judge Mack in the U. S. District Court upholding the registration provisions of the Public Utility Holding Company Act of 1935.

NEW YORK, March 27—Lansing Mich.—Optimistic assurances of Gov. Murphy coupled with the desire of John L. Lewis and Walter P. Chrysler to leave Chrysler to negotiate gave rise today for the possibility of settlement of the Chrysler strike. Lewis and Chrysler were scheduled to resume their conference at 10 a. m. today. Murphy coming from the conference room at the conclusion of the night session announced that not a great deal separates them. Japan rejects naval proposal, notified Great Britain that she will not accept a proposal to limit naval guns to 14 inch calibre, the foreign office announced. Tennessee Electric Power Co. 12 months ended February 28, 1937, net income $2,338,595 before surtax against $2,089,241 in 12 months ended Feb. 29, 1936.

Western Maryland February surplus after charges $209,832 against $173,193 in February 1936. Two months $414,518 equal $2 33 a share on 7 per cent first pfd against $315,714 or $1 74 on first pfd year ago. New York Central February net operating income $3,305,759 against $2,718,738 in February 1936. Two months $6,699,462 against $5,377,669. U. S. Industrial Alcohol Co. and subs. 1936 report shows net loss of $77,581 against net income $843,742 or $2 15 a share in 1935.

MARKET BULLETIN

(Received over Woods- Reade and Company Special Wire)

BARING MORNING LETTER

The general list opened sharply higher, buys sold off one to two points in the afternoon. I think the rally has gone far enough for the time being, there is a possibility that the Supreme Court will rule on the Wagner Labor Act next Monday. If they uphold it, then another break is likely to occur, which should bring the industrial averages a point or two below lows of last Monday. If they vote it unconstitutional then we might get some more strikes and, anyway, indiscriminate purchases are not yet advised. However, our recommendations on a number of special stocks, which we gave you during the past two weeks still holds good. These stocks may go back to their recent lows where they should be bought.

American Rolling Mills rose 41 3-8 and if it should go again to about 38 or fractionally lower buy it.

American Hide and Leather remains a purchase near 9, the pfd. around 48.

Union Bag and Paper rose 4 1-2 points more to 91, another new high. Around par you might take profits on your remaining half, which should cost you 5 or 10 points less than nothing if you sold the first half around 75.

Superior Steel should be acchmulated from 42 to maybe 39.

Chrysler opened higher, then lost about 3 points, would not buy it yet and the same holds good for General Motors.

United Airlines closes a half point higher, always a buy at 20 and if you get a chance to buy more below 19 do so.

Republic Steel sold above 43 and if it should react again below 41 start buying it.

Standard Oil of California whcih you could have bought below 45 Monday as advised Saturday, closed 46 1-4, always a purchase below 45 for an entirely new high.

Electric Power and Light reacted a fraction, buy around 23.

Eitington Schild remains a purchase around 14, Indus. Rayon 38 to 37.

Hollander, recommended daily around 28, sold near 30, buy some if it reacts again to 28, as to other stocks recent advices still hold good.

Baring.

BANON MORNING LETTER

For the present continue to limit new buying to periods of weakness. Attractive issues include American Rolling Mills, American Smelting & Refining, Anaconda, Standard Oil of New Jersey, National Distillers, Electric Bond and Share, Electric Power and Light, Public Service of New Jersey, Beltimore and Ohio, Southern Pacific and Simmons.

Activity on Thursday showed a marked pickup in the Canadian Division where the paper stocks were advanced briskly on heavy turnover.

Traders who picked up Price common in the 34-36 area recommended last week, may accept the current sharp runup to a high of 46 1-2 as an opportunity for chasing in on half profits. Place the proceeds in either St. Lawrence Corp. Pfd. or in Abitibi Pref. both of which are still behind the other members of the paper group.

Fraser Voting Trust recently recommended in the lower thirties was taken to a new high of 43 yesterday. Further strength may be used for accepting half profits.

On reactions buy Howard Smith, Donnaona, Canadian Pacific, Eldorado and Power Corporation.

International Nickel moved to 69, hold for the present.

With a runup to a new high of 2.30 Stadacona was by far the outstanding performer in the golds.

Banon.

MORNING MARKET LETTER

The market's opening Thursday was generally higher under the impetus of some progress being made in the solution of the most disturbing aspects of the labor controversy "the sit-down."

As the day wore on, however, the market lost its buoyancy and the trend was generally downward from mid-day, closing somewhat lower than the last prices of the previous day.

The performance of the market since the 19th has been to indicate a broad trading range within the limits of 185 as the high and 180 as the low for the Dow Jones Industrial Average.

The Rails likewise have indicated a skeleton outline of about 62 as high and 60 as low for the Dow Jones Rail Average.

We would expect the market to remain within this trading zone until the Chrysler conference progresses to the point where the production can be resumed. Such action as the administration may decide to take in the present labor controversy will also have an important bearing on the near trend of the markets.

About all that has been accomplished in the Chrysler conferences to date is the rather belated recognition that public sentiment will not tolerate the sit-down seizure of private property and Lewis order to evacuate the plants is an admission that he, at least, is aware of the dangers in such a procedure, not only to capitalism but to his own unionization program.

The matter of collective bargaining and the closed shop seem to be less important as a short term market influence than the sitdown proceedure and the continued threats of labor leaders to call a general strike with the obvious serious effect on production and general earning power.

Given an adequate solution to the present Detroit situation we believe that the market can rally to within striking distance of its old highs.

N. Wiltshire W.C.T.U. Petition Government

The North Wiltshire W. C. T. U. met for its regular meeting on Thursday evening March the eleventh, at the home of Mrs. A Bowman. The Devotional part of the meeting was led by Mrs. Bowman. Opening hymn, "onward Christian Soldiers. Scripture. Josh. Chap. 24 verses 14—25. Mrs. Geo Godfrey, Mrs. Bruce MacDonald and Mrs. K. Hatherly read other portions of scripture with explanations. Hymn "I would Be True' was followed by prayer by Mrs. W. Clark Mrs Clark presided during the business part of the evening. Different phases of the temperance question were discussed. Among others, it was moved, seconded and unanimously carried that the following petition be sent to the proper authorities. "Where as we, the members of the North Wiltshire Women's Christian Temperance Union are met in our regular meeting and view with alarm the widespread indulgence in intoxicating drink and being firmly convinced that a very large percentage of the liquor being disposed of through the government vendors is not really medicinally required, we would therefore respectfully request that some more efficient measure be devised for the curtailment of this branch of the traffic and we further urge the most rigid enforcement of the present Prohibitory Law."

This was signed by the entire memberships of the Local Union and has since been circulated and signed by a large number of residents of the surrounding district. Mrs. B. Deacon and Mrs. Hatherly gave suitable readings and Mrs. Geo Godfrey read an article by Dr. Mayo, on the evils of the cigarette

Canadian Maritimers In New York City

Larger and larger grow the number of Canadians residing in the Metropolitan area and around New York City who meet to exchange news and views of their homeland at the occasional dances given by the Canadian Maritimers, the next of which will be held in the Grand Ballroom of the Hotel Capitol, Eighth Avenue and Fifty-first Street, on Saturday evening, April 3rd, 1937.

A large number of Nova Scotians are usually met with at these affairs and the sponsors now have a mailing list of nearly four thousand persons of Canadian birth hailing from every Province of the Dominion, to whom invitations to attend each dance are sent out. The February dance of the Maritimers was the most successful yet held in point of representative attendance and those scheduled for April 3rd and May 8th promise to be even more successful, as interest in these affairs have been heightened by a tri-weekly broadcast over a well-known New York Radio Station.

RED POINT WOMEN'S INSTITUTE

On March 16th the members of the Red Point W.I., assembled at the home of Mrs. Eddy Robertson for their monthly meeting, there being fifteen members and five visitors in attendance. President, Mrs. E. S. Rose occupied the chair and opened the meeting by all singing the Institute Ode, followed by roll call which was answered by naming a book you had read during the past month, after which minutes of last meeting were read and adopted. Reports of three committees followed, namely: School, sick and programme. No definite plans were made in regard to concert. All committees for the past month reappointed for the coming month. A very helpful and instructive programe followed the business period led by convenors, Mrs. Eddy Robertson and Martha Garrett on "legislation" and "better schools and education". Questionnaire on the former subject discussed.

Mrs. Alexander Robertson and Mrs. T. J. Robertson, convenors on Child Welfare and Agriculture are to have charge of the program at the April meeting. Mrs. Albert Garrett invited the members to her home for the next meeting. Meeting closed by singing the National Anthem, after which a dainty lunch was served by the hostess, assisted by several members.

IN MEMORIAM

MR. GEORGE D. MCISAAC

The death occurred in the Charlottetown Hospital Friday of George D. McIsaac, the 17 year old son of Mr. Peter A. McIsaac, M.P.P. and Mrs. McIsaac of Souris Line Road. The young man was taken to the hospital on Monday last suffering from meningitis.

He received the best possible medical and nursing attention, and although critically ill, rallied on Thursday, giving hope for his recovery.

Friday, however, he took a relapse, and he rapidly sank until the end came.

The deceased was a bright and intelligent youth, with an aptitude for motor mechanics, and last year was engaged in driving a truck during the construction of the Rustico highway.

He was a general favorite in the community and with all who knew him.

He leaves to mourn besides his parents two brothers, Hugh and Willie, and two sisters, Agnita and Helen at home.

To the bereaved who mourn the loss of a dear one, who was called away when on the threshold of manhood, the sincere sympathy of our people will be extended.

CYRUS STEWART CHING

Residents of Red Point and adjacent districts learned with profound sorrow of the sudden passing of Cyrus Stewart Ching, only son, and youngest child of Mr. and Mrs. Clarence Ching (nee Ena Garrett) of Black Pond, P. E. I., which took place on February 22nd. after a brief illness of but a few hours, age five months.

The day prior to his death the child had been in his usual happy mood, but on Sunday evening developed Bronchial Flu, and though all was done that could be done to save his life, he passed on to the better land.

Services at the home and grave were conducted by Rev. H. R. Bell.

Appropriate hymns were sung, and a message of sympathy and hope given to comfort and heal the sorrow stricken hearts of the parents in their hour of unexpected grief.

A large number of friends gathered to share and sympathize with them in their sad loss.

After the service at the home, the remains were conveyed to South Lake Cemetery and laid to rest. The pall bearers were, Lyman Rose, Foster Garrett, Joseph Chapman, and Lorne MacNeill.

MRS. MAYNARD FRASER

The death of Mrs. Maynard Fraser took place at Charlottetown, P. E. I., on March 13th., in her 66th year after a lingering illness. She was the daughter of the late Richard and Margaret Keefe, Rollo Bay, P. E. I. Mrs. Fraser was thrice married. Her first husband was William A. Burke, Bay Fortune, P. E. I., who only lived six years after their marriage. From this union three children were born, namely, Fred. Charlottetown, James, who predeceased her 22 years ago, and Maude (Mrs. William Fraser, North Lake, P. E. I.)

Her second husband was James Stewart, South Lake, P. E. I., who passed away a few years later.

Her third husband, Maynard Fraser, Halifax, N. S., survives her, also two children George Fraser, Dorchester, Mass., and Lottie (Mrs. Lloyd Cairns), Moncton, N. B., besides one sister and four brothers in U. S. A.

The remains were forwarded by rail to Elmira, and taken to the home of her daughter, Mrs. Wm. Fraser, where services were held on Tuesday, March 16th., Rev. H. R. Bell officiating with Mr. J. E. Dingwell assisting. Mrs. Fraser was of a retiring disposition, a devoted mother and faithful wife, and bore her long and trying illness with much patience and fortitude.

The following hymns, favorites of the deceased were sung, 'In the Sweet By and By" "Shall we Meet". "Safe in the arms of Jesus."

There were numerous floral offerings and expressions of sympathy.

Interment was at Kingsboro Cemetery. The pall bearers were, Messrs. J. E. Dingwell, William Baker, H. G. Morrow, Lewis J. MacDonald, Daniel L. MacDonald, John A. E. MacDonald. The hearse was in charge of L. D. Rose.
