IN MEMORIAM

PERCY H. McDONALD At the early age of 29, after a lingering illness, here passed to his rest on Easter Monday, Percy H., eldest son of Mr. Duncan McDonald, trackmaster in Georgetown District. Had Percy been spared, he had all the promise of a useful life, as by his kind and genial disposition as well as fine mental ability, he would have done credit to the respected family to which he belonged.

MISS M. BOULTER

The earthly pilgrimage of Miss M. Boulter, of Milburn, ended on Thursday, April 12th, when her spirit passed to its long home. The deceased was 29 years and eleven months. She had suffered for a long time, yet was ever patient, bringing a sweet fragrance into her parents' home. On Friday the funeral took place at one o'clock. A large party met at the home of her parents, where a short service was held as follows: Hymn, "Nearer My God to Thee," prayer, Mrs. Brodie, Scripture reading by Rev. R. Brodie, hymn "Abide With Me," Benediction. The casket was then taken to the Methodist church, where the service was led by the Rev. R. Brodie, who took the following plan: Hymn "Asleep in Jesus," prayer and the Lord's Prayer, hymn "Why Do We Mourn?" Scripture reading, hymn "Shrinking From the Cold Hand of Death," lesson "She is Not Dead," hymn "Vale of Beulah," Benediction. The remains were interred in the little cemetery adjoining the church. Much sympathy is felt for Mr. and Mrs. Alonza Boulter, also for the mother and sister, who are left to miss a loving daughter and sister. (Summerside papers please copy.)—W

Advertisement for O-Cedar Polish. Text: There is one quality evident in O-Cedar that other polishes do not even claim—and on that point rests the whole great success of O-Cedar. It's THIS—O-Cedar CLEANS. Almost any Polish will make furniture shine—but most of them just COVER UP the varnish (likewise the dirt on top of the varnish) and quite naturally the SHINE that put on soon comes off. Makes any Room "Look it's Best". O-Cedar is totally different. With it, you both clean and beautify. With it you remove the accumulated dust and bring out all the grain beauty that has perhaps lain hidden for years in that old chair of yours. With it, you can give that fine mahogany table a lustrous polish that will last for weeks. With O-Cedar all your furniture may be made to continually look "like new"—all it needs between polishing times is an occasional dusting with an O-Cedar Duster.
