

GUARDIAN SPORTING NEWS

J. W. Boulter, Secretary of the Charlottetown Driving Park and Provincial Exhibition Association, left yesterday morning on a business trip to Washington, D. C. on business.

Tyndall Semple, looking as fit as a fiddle, visited us yesterday and gave us an account of his charges at Kensington. He has Hilda Budlong, Trickle Budlong and several others in training. He will race one or more horses at Northam on Monday.

Our friend J. L. Read, Truro, writes us the Truro races will be on Wednesday afternoon. The sky was overcast and looked like rain during the forenoon and there was a slight shower about an hour before the races. The weather was good with a high wind. There was a large crowd of spectators present and the racing was good. The Classified Trot was won quite comfortably by the excellent trip to the winner, Frank Adams of Halifax. Paul Abbe 2:11 1/2 was unsteady the first two heats but trotted a real heat in the third. Scotty 2:12 1/2 and Little Fox 5-3-5. The chief interest in the race centered in the efforts of these four horses for places, three of them securing a second. Time, 2:16, 2:15, 2:14.

In the No. 1 Classified Trot and Pace the U.S.A. Britton 2:09 won the first two heats and was then drawn. She seemed to have plenty of steam and won by a good margin. The second heat was a close race, with the trotter Hal Britton second the first two heats and on the second heat, Major Boves 2:10 1/2 had the third best summary with a 5-5-2. Signal Senator 3-3-4 and Albert E. Gratian 2:12 1/2. The summary hardly shows what an interesting race it was between these horses. Time, 2:12, 2:12, 2:13.

The No. 2 Classified Trot and Pace was made to order for Silent Joe, who was expertly handled by J. O'Brien of Charlottetown. He won the first two heats, the second heat in 2:11 1/2, a reduction of three-quarters of a second from his previous mark of 2:12 1/2. The second heat summary was: Major Boves 2:12 1/2, Signal Senator 3-3-4, Albert E. Gratian 2:12 1/2, and Skipplady 2:14 1/2.

The Free for All was a corker, although Earl Ton 2:08 was not up to form either at Charlottetown or at Amherst. Volrida 2:08 won in straight heats. The loose, somewhat life bursts of speed when pulled on by driver Harrison, Joe Direct 2:12 1/2, the next two. Second place in the summary went to Rainey 7:20. In the 2:06 with a 5-2-2 and fourth place to Duffey 2:10 1/2. The 2:07 was not packed up to usual form and finished 4-5-2. Time, 2:10, 2:10, 2:09. The best record at Truro is 2:08 1/2, made by Earl Budlong 2:02 1/2, August 1936.

Captain Fred Peters, Summersville, won the race on Monday. He and Tom missed since the opening of the track in 1930.

At the Presque Isle race meet, owned and driven by Willard Kelly, was 4-2-1 in the Named Trot, Time, 2:14, 2:14, 2:15 1/2. The 2:24 pacers were won by Vol 10, owned and driven by Wendell Weihen, time 2:12, 2:13, 2:13. Vol 10 is a four year old out of Eula H. 2:09 1/2, former holder of the Charlottetown track record.

In the Free for All Pace at Syracuse, N. Y., last Wednesday, Little Peter won in straight heats. Dist. Hanover is owned by Sullivan & Machals, Maine.

John L. Reed, Truro, N. S., writes a very nice letter regarding our Old Home Week, for which we thank him and also comments on the race and the fact that it is a very interesting and profitable one for the pleasant and courteous manner shown by officials. He also likes Pat Power's reports of our race and wants to say to Pat that he makes a good job of it. "I am very interested in good horses," writes Mr. Reed. "I can picture the account of same."

The old city sprinkler which has done duty on the city of Charlottetown for a long, long time, has been down to a humble role of keeping down the dust on the city streets. Driving Park track and environs.

James C. Macfarlane, Baddeck, C. P., is an enthusiastic horseman who is getting a lot of good news. He is ready for the ice races next winter. Jerry Bars took his record in a winter race at Charlottetown. The race was at Charlottetown and incidentally sprang quite a surprise by doing so.

Many friends of Dave Griffiths, Publicity Director of the New Brunswick government, and formerly race secretary of the Fredericton Exhibition, will regret to learn that he has been seriously ill but is making progress towards recovery. Whether Dave succumbed to the infantile paralysis germ or something else is not definitely known. The disease is quite endemic in some parts of New Brunswick and causing great concern in Manitoba. It is raining and there is also a lot of pessimism among the horses which may or may not be the bug that is causing the other trouble.

At the Malone, N. Y., races last week Peter McKimney 2:06 1/2, by Forefather, won the 2:15 Trot, Purse \$500. He was driven by Earle Avery. Frances Bacon won the 2:15 Trot in 2:05, then Peter came on and won the next two in 2:08 1/2, 2:09. Forefather, his sire, was owned by the Keefes of St. John. He was a chestnut horse by San Francisco 2:07 1/2, had considerable speed on the trot but suffered from corns or some foot trouble. He took a record of 2:12 1/2. The Keefes owned Peter Farren 2:08 1/2 at the same time.

World's Record For Four Heat Race Smashed By Nibble Hanover At Syracuse

SYRACUSE, N. Y., Aug. 29.—(AP)—The world's record for trotters in a four heat race was smashed in the featured Messenger Stake of the Grand Circuit harness races over a fast track at the New York State Fair today.

Nibble Hanover, owned by the Aiken Stable, Aiken, S. C., and driven by Harry Whitney, who won the fourth heat after Spencer Scott, which set the previous record at Lexington three year old last fall, and Earl's Moody Guy, had also won heats to force the runoff.

Times for the four heats were 2:00 1/2, 1:59 1/2, 2:02 and 2:03, breaking the previous record by 1/2 second. Nibble Hanover, which also captured the second heat, was never worse than second in the four heats.

Dodgers Gain Half Game On Idle Cardinals By Handing New York Giants 5-4 Lacing

NEW YORK, Aug. 29.—(AP)—The league leading Brooklyn Dodgers pounded Hal Schumacher from the mound with a five-run outburst in the fifth inning today to defeat the Giants 5-4 and increase their lead over the idle St. Louis Cardinals to a game and a half in the National League race.

Whit Wyatt went the route for the Dodgers to record his 18th victory of the year against nine losses. The tall right-hander struck out eight men, including pinch-hitter Gabby Hartnett in the eighth with the tying and winning Giant runs on base.

Joe Medwick and Billy Herman each drove across two runs with singles in the Dodgers' big inning, and Medwick further distinguished himself by Dick Bartelli's long smash in the ninth. Billy Jurges, Giants shortstop, rapped four straight singles off Wyatt.

The Plabushers' success was their seventh in eight games at the Polo Grounds this year. It was the 10th defeat for the Giants in their last 12 starts.

It was the only game scheduled.

U. S. Missions To reappraise Anglo-Soviet needs

WASHINGTON, Aug. 29.—(AP)—The United States government moved today toward a reappraisal of British and Russian war aid by ordering two high civilian defence officials and the chief of the Army Air Corps to undertake special missions abroad.

President Roosevelt disclosed that W. Averell Harriman, when he once called his lease-lend expediter in London, would head an American delegation to Moscow soon for conferences on Russian munitions requirements.

Harriman, Mr. Roosevelt said, will be succeeded in London by John Biggers, production chief of the Office of Production Management. Biggers will have the task not only of handling lease-lend transportation problems from the London end but also of co-ordinating British and American production schedules wherever possible.

The War Department, meanwhile, announced that Maj.-Gen. George H. Brett, Chief of the Air Corps, would head an army mission on an aerial tour of the African, Middle Eastern, Mediterranean and Atlantic battle fronts.

A similar, but separate, tour, to determine the state of the same points, will be made by a second mission headed by Col. E. M. Powers of the Air Corps and including among its members major James H. Doolittle, Air Corps reserve officer, who, in civilian life, is a noted speed flier.

One of the primary purposes of the Brett mission, it was learned, is to determine the need for the need of Britain—and possibly also of Russia—for American-built planes. Several hundred combat planes a month have been going to Britain and the implication was that the United States wants to make sure deliveries in such quantities are immediately needed.

bases loaded in the fifth inning drove in both of Chicago's runs, but otherwise the Sox were held at bay by Auker. It was his 13th victory of the season against 12 defeats.

Ross walked the head man in each of the innings he pitched and all three scored. John Berardino's double with the bases loaded in the third was the coup de grace
