

AFTER SICKNESS THEY GAVE HER VINOL

And She Soon Got Back Her Strength

New Castle, Ind.—"The measles left me run down, no appetite, could not rest at night, and I took a severe cold which settled on my lungs, so I was unable to keep about my household work. My doctor advised me to take Vinol, and six bottles restored my health so I do all my housework, including washing. Vinol is the best medicine I ever used."—Alice Record, 437 So. 11th St., New Castle, Ind.

ISLAND SOLDIER DEAD.—The following from the Boston Sunday Post will be of interest to relatives and friends of the young man in this Province:—When the British army went over the top this week in their splendidly successful drive for possession of Cambria, Melvin D. Buchanan, a member of the Thirtieth and a Canadian Highland Regiment, and a brother of Mrs. Joseph T. Ryan of 157 West Newton street, South End, lost his life. Buchanan was a native of Prince Edward Island. His sister has been a resident of Boston for some years. Pte. Duncan Melvin Buchanan who was killed in action in France last month, was the son of a Dumcan and Charlotte Buchanan of New Dominion. Besides his father and mother, deceased leaves to mourn his brother, Angus, and sisters—Myrtle of New Dominion; Margaret McNeil of Fairview; Mrs. Mabel Walsh of Cambridge, Mass; and Mrs. Lucy E. Ryan of Boston, Mass. Pte. Buchanan went across with the 105th Battalion in Oct. 1916, being assigned to the "C" Co., 13th Canadian Highland Batt. He saw continuous service in France ever since, except a couple of months spent in the hospitals of England, when he was taken ill with trench fever. His sister Mrs. Ryan accompanied by her husband were among the few who saw his battalion the 105th leave Quebec in July 1916 and were proud indeed of the privilege. To the bereaved family who so nobly gave up their son and brother deep sympathy is extended.

HOME WRECKED

—Mr. Louis Dystant, Ellerslie, has received a telegram from his brother Mr. L. E. Dystant of Clayton & Sons, Halifax, stating that he and family were safe, but home wrecked.

CAPT. MCKEE ILL.

—The following item from a Moncton Exchange will be of interest to Capt. McKee's friends here:—Mrs. D. W. Kyle of this city is in receipt of a letter from her son, Driver John Kyle, at the front. Driver Kyle stated that he was in good health, but that Capt. W. A. McKee, O. C., was not well and is now in hospital, and will probably be compelled to remain there for some time.

THE 105TH BATTALION

—In justice to the men of the old 105th Battalion it should be stated that the story which in some unaccountable manner has been circulated that there are 900 of these men still in England and that no officers have yet gone to France is absolutely incorrect. As a matter of fact over 50 per cent of the men are known to have gone to France and probably more. In regard to the officers the following will be of interest. In 1916 two months after landing in England three officers, Lieut. V. Morris, who has since won the Military Cross; Lieut. C. Trainor and Lieut. T. Fullerton, all wounded, went over. These were followed by other officers, Lieut. Wylie Allan, Lieut. Irvine McLaren and Capt. Dawson, also wounded and Lieut. D. Sutherland, killed; Major J. A. Stewart and T. E. McNutt are with the Imperial forces in France. Capt. Dorsey, Medical Officer, Lieut. Gerald Kelly and the two Chaplains, Captains Plus McDonald and G. W. Taylor are all over in France. Lieut. Milner Stevenson and Lieut. Gordon McDonald have joined the Imperial Flying Corps, while several others are under orders to leave for France now.

TRYING EXPERIENCE

—Among the Islanders in the Halifax disaster was Mr. Albert Hugh Gillen, 51 Hollis Street, formerly of this city. Mr. Gillen is employed at the Dockyard as a machinist and at the time of the explosion was making repairs on the H. M. S. Margaret's starboard feed pump. Mr. Gillen had gone into the machine shop for three quarters, wrench and when returning to the ship was blown through the starboard engine room door and when he became conscious he was lying face down on the engine room grating. He soon made his way off the ship onto the dock, where the air was full of flying glass, steel and screaming workmen lying around in every direction with blood flowing from their faces and hands. Mr. Gillen remained in the yard and helped to assist his wounded shipmates to the hospital. Mr. Gillen said the terrible sights would remain in his memory till he died, so fearful was the suffering. Mr. Gillen is a son of the late Michael Gillen of this city who was killed in St. John in 1907.

Islander Wounded

Mrs. J. B. Jay has received a letter from her son Pte. Edward E. who at the time of writing was in the Canadian General Hospital suffering from gun shot wound in face. The following are a few extracts:—Dear Mamma:—I suppose you have heard long before this that I was wounded. Well my wound was on right side of my chin. I thought my chin was too narrow for Fritz to hit but it seems not. I am getting along fine as my wound is doing as well as I could expect and I will likely soon be back to my battalion again. I am very comfortable here—it's lovely to get a few nights to sleep in such a nice bed such a change from the trenches. This is indeed a real nice hospital, and there is a recreation hut just a "rabbits' jump" as we say from here; where we walking patients can go and have all kinds of amusements. Please address all to my old address A. Coy, 26th Batt. Canadians, France, and if there is such a thing as I do not go back as soon as I expect all will be sent me. I guess the Xmas mail will soon be along. Gee I hope to be back in my old Batt. then to see the boys. I love to see Daddie Jay and Percy McEwen. I do not see them after I got hit but hope they got through safe. We have to be careful with our correspondence over here so I am really telling you people all I can, of course you can guess some, that is if you can read between those lines as the saying goes. Well dear mother I guess I will have to close as I have to write to all my sisters. Tell the lads to waken up down there and get the khaki on. Kindly remember me to all around especially Len and wife, also family and Wendell. With lots of love to you all I will say goodbye. Please don't worry. Your loving son No. 712735 PTE E. E. JAY

WEST AND CLYDE RIVER

LOYAL BRITISH SUBJECT

—Mr. J. Russell Jenkins, who resided in the United States and held a good position there, left for his home in P. E. I., a short time ago, where he enlisted in the Railway Construction Corps, which will go overseas in the near future. He is the brother of Lieut. W. Lawson Jenkins, who joined the 9th, now No 2 Heavy Siege Battery, which has been at the front for eighteen months. He has received the Italian Bronze Medal from the King of Italy, also the Military Cross. Those boys are the sons of Mr. J. P. Jenkins, Albert Plains. The Guardian and their many friends wish them every success.

WEDDING BELLS

—A wedding of much interest took place at St. Joseph's Church. Kelly's Cross, when Catherine C. daughter of Mr. and Mrs. Percy Kelly of Stancheil, became the bride of Mr. Charles W. Woods. The ceremony was performed by the Rev. Father Curran. The bride wore a suit of blue broadcloth, with picture hat of peach plush, trimmed with white feathers. She also wore a beautiful set of red fox furs, the gift of the groom. The bridesmaid was a cousin of the bride, Miss Katie Trainor and was gowned in a blue suit and wore a black picture hat. The groom was supported by Mr. Mack Duffly. A wedding reception was held at the home of the bride. Over eighty two invited guests repaired to the dining room where a dainty wedding supper was served. The wedding presents were useful and beautiful. The happy young couple will be at home to their friends after January 1st.

A MESSAGE FROM THE DEAD

A Letter Found in the Pocket of Dying Soldier to His Mother. A Stern Remark to Slanders and Slanderers.

Mrs. David Lane of Charlottetown has received the following letter found on the body of her son. It speaks for itself, a sorrowful message to the mother and father, who will have the heartfelt sympathy of all who read the letter from their heroic son:

Dear—Madam:—The enclosed letter was taken of your son when he passed through my dressing station severely wounded. The remainder of his effects went on with him, but I held this letter over for you. I regret that I have not been able to forward it before, but we have been extremely busy. I am, Sincerely yours, D. A. MORRISON, Capt. No. 1 Canadian Field. Amt., B. E. F., France.

Dear Mother:—As I have a few minutes to myself tonight I thought I would answer your welcome letter which I received yesterday. I was glad to hear that you were all well. Well Mother I have escaped without a scratch so far, but God knows how long I will have that to say. I received your parcels safe and was thankful for them, but you need not send anything to me, but a bit of cake and some socks as we get plenty to eat over here. Mother this is an awful war nobody but ourselves have any idea of it. Little sister was telling me in her letter about the exhibition and what fun the boys had with the fakers. Well, those fellows can't know what we are up against, for if they did they would be over here trying to stop this terrible war for by the look of it now they will all be needed. Well, Mother I will have to close for now—don't worry about me for if my turn comes I will only be going the way that thousands of better men than I am have gone. Give my love to Father and sister and all the folks, so good night Mother. From your son, JAMES E. LANE, No. 713147, 26th Battalion, C. E. F., France.

Catch a Cold Before it Catches You In the truest sense, you do not catch cold but you let it catch you. Do you know that many people never have colds? There's no reason why you should have them.
