**ATHLETICS.**—Athletics are not dead in Georgetown. This was proven by the large and enthusiastic meeting held in the Gordon Hall Friday night May 23rd for the purpose of organizing a base ball club, as the old club has not been doing business since 1914 on account of the large number of its members who went overseas. There were over seventy members present at the meeting and it was decided to put the best team possible in the field with the object in view of arranging as many games as possible with the other Island teams. The first match game takes place on the afternoon of June 3rd against the fast Souris team, their old time rivals, and the boys expect a record breaking crowd to cheer for the home team. The sermon was memorial in character and had special reference to the late Mr. Samuel C. Nash, of whom the following comment was made: "Last week there passed away another of the veterans of Zion Church, in the person of Samuel C. His work in the Session Sabbath School and Prayer Meeting will long continue to make itself felt, although he is missed today from his accustomed place. Blessed are the dead who die in the Lord."
