"CAN I GET WELL?"

If Your Trouble comes from the Kidneys, or from Kidney Poisons in the Blood.

YES!

And if you have been ailing a long time don't lose your courage. It takes a little time—takes some constipations longer than others. But Doan's Kidney Pills will gradually drain the poisons out of your system; the pain in your back will stop; the sediment in the urine will cease; there will be no rheumatic pains; you will feel freer and brighter, and when the last of the poisons have gone you will be well.

There is no way of getting the kidney poisons out of the system except through the kidneys, and no medicine so effective in taking them out as Doan's Kidney Pills.

Mr. W. Perkins, South Maitland, N.S., writes: "I feel it my duty to let you know of the great cure I have obtained by using Doan's Kidney Pills. For six months I could not obtain a good night's rest, had to get up four or five times to urinate, and the urine was very thick and red. I commenced using Doan's Kidney Pills and in a very short time I was right and fit again. I am very thankful to have found so speedy a cure."

One Way to Save Work

As every woman knows who has to take care of even one room, dust is the worst work-maker of all for the housewife. Most people know, too, that floor dust is a vehicle of disease. But it has not been an easy matter heretofore to prevent dust from having its own way with floors, even with the gradual banishment of carpets and the substitution of rug and hardwood floors; for not every home can afford such floors, even if they were easy to keep clean or new-looking, as they certainly are not. Yet the solution of the dust problem is made easy by Floorglaze. With any of the ten charming shades of this easily applied and quick-drying floor finish, any woman can have floors which will be easy to keep clean and far more sanitary than a painted, oiled or waxed floor.

Even to soft-wood floors Floorglaze gives a beautiful, glossy surface that will show no signs of wear after years of severe service, and that can be quickly washed clean and brilliant with soap and water. The use of Floorglaze is an insurance against dust, and actually against disease as well; it saves a vast amount of tireless housework; it is a good for outdoor use, on porch and veranda floors and steps. A gallon of this most useful enamel covers 500 sq. feet. Floorglaze is sold in tin from a pint to a gallon in size, by most reliable dealers in paints, and is made by Imperial Varnish & Color Co., Limited, of Toronto, who will gladly send you a free booklet worth reading.
