## Three of Canada's Most Prominent Men

—who have recently died appointed trust companies to act in the capacity of trustee and executor. In each case their wealth had been accumulated by consistent hard work.

By appointing a reliable trust company to administer their estates they secure, usually at less expense and in a much more efficient manner for their dependents and relatives, a greater return than if handled by the average individual executor.

Comparatively few people realize the importance of making their wills nor are they conversant with the laws affecting the estates of persons dying without having made a will.

The Dominion Trust Company's officers are at all times glad to enlighten anyone on the subject of wills, executorships, etc.
