CANADIANS PLAY AMERICANS TO STANDSTILL IN FINAL HOCKEY CONTEST TO 6-1 SCORE

When Final Whistle Blew Yankee Contenders Were Physical And Exhausted W recks and Stumbled From Fatigue - No Love Lost Between Teams—Smoothness and Finish of Granites Overwhelmed Individualism of Americans.

Europe had ever seen, thrilled to the desperate stand made by the United States under the pressure of the better coordinated Canadian team. Time after time cheers broke from the crowd as Drury or Rice dashed away for a rush into Canadian territory, only to be foiled as he reached Ramsay or Munro. Shots from outside the line of play were easy for Cameron, the Granites goalie.

There was little love lost between the two teams. Rivals since the Olympic hockey started. The game had not proceeded more than two minutes when Watson was bleeding from the nose, and Rice was stretched out on the ice after a collision with Smith. The United States fought hard in the opening session, when they were fresh and frequently Rice, McCarthy or Drury getting the puck, sailed down the ice, only to be blocked hard.

Then began the regular action of the Canadian combination, its almost mechanical perfection, heart-breaking for the United States. The puck seemed to pass ceaselessly between the sticks of the Canadian forwards. Hard back-checking was of little avail. The fast skating and stick handling of Uncle Sam's representatives was futile against the relentless Canadian machine. The thousands of spectators who filled the stands watching the most hard-fought and swiftest hockey that

Madisons Lose To L. of C., 2 to 1 and Bankers Take St. Dunstan's Measure by Like Score

A fair crowd of fans attended the exhibition double-header staged at the Arena Saturday night when the L. of C. squad crossed sticks with the Madisons and defeated them 2 to 1. The second game between the Bankers and St. Dunstons, resulted in a win for the Bankers by a like score of 2 goals to 1. The games were played in two periods of 20 minutes duration. Notwithstanding the poor condition of the ice the brand of hockey handed out was very good, the teams showing exceptional ability both on the defence and offense as the above scores signify.

SPORTING COMMENT

The Crystals after their wonderful exhibition of hockey against the Abegweits last Friday night deserving of the highest praise. Throughout the entire sixty minutes of that memorable hockey battle the band of puck chasers from the western metropolis made last year's Maritime Champions step all the way in order to gain the coveted verdict. In fact throughout the entire league series the Summerdale team forced the locals to their prettiest in order to stay out front.

Another feature worthy of mention was the presence of rough-hewn hockey, which was conspicuously absent all through the league with the best of feelings prevailing all the while.

Abegweits, we congratulate you on your splendid victories and the annexation of the P. E. Island hockey championship this year and you too are to be congratulated on the excellent hockey demonstrated to Charlottetown this season and we are safe in saying that P. E. Island at the present time is fortunate in having its own, the cream of the Maritime.

time amateur hockey world today, if not in Canada.

It is expected that the Crystals will play two exhibition games with the Abegweits this week or next, home and home games. Therefore the fans are again assured two additional classy contests.

The news came to us last night with no little feeling of satisfaction that the Granites, champions of Canada annexed the world's title yesterday when they decisively outplayed and outskated the American contenders to the tune of 6 goals to one. Of course, little surprise was evidenced on the outcome as the Canadians went to France last month on the big end of the odds and to quote the wisdom of experts "the Granites would win in a walk." This has proved true and Canadians today will rejoice especially as it is our National game and no doubt a great reception will be tendered the world's amateur champions on their return to the land of the Maple Leaf.

CANADIAN TEAM INVITED TO PLAY IN STOCKHOLM CHAMONIX, France, Feb. 3.—President Westergren of the Swedish Hockey Association, has invited the Canadians to play an exhibition match in Stockholm on February 17. Manager Hewitt of the Canadians is considering the invitation. The Canadians are booked to sail for home from Liverpool on February 22.

Canadians Popular

Counter cheers rose as the popular Canadians penetrated the United States lines, and drove their bullet-like shots at LeCroc. The referee had his difficulties from the opening of play, and his frequent cautionary admonitions seemed of little avail, collisions between rival players were frequent, and time was called often when either a Canadian or a United States player lay stretched out on the ice.

The line-up for the match was as follows: United States: Goal: Cameron; Right Defence: Ramsay; Left Defence: Munro; Centre: Smith; Right Wing: McCaffery; Left Wing: Watson.

There was some claim that the Canadians scored three of their goals from offside, and that 3 to 1 in the score represented in reality the respective merits of the teams, but this was not the official view of it.

SIKI LOSES TO LEHMAN

MINNEAPOLIS, Feb. 3.—Joe Lehman, of Toledo, outpointed Battling Siki, Semeleges, in their 10 round contest here last night, according to newspaper men. Lehman weighed 176 1/2 and Siki 179 1/2. In the seventh round Siki, swinging a right hand punch, knocked Lehman clear across the ring and up against the ropes on the other side where the Toledo fighter hung dazed for a moment. Lehman was jeered by the crowd in the tenth round when he slipped and as Siki attempted to help him with his feet Lehman cut loose with rights and lefts. Siki only smiled and shook hands.
