Ten Mile Bicycle Race Here Tonight

The ten-mile bicycle road race being sponsored by Bill's Bike Repair Shop gets underway from in front of Crockett's Jewellery Store this evening at 6 o'clock sharp and promoters of the event are looking forward to a rugged, grueling test of speed and endurance once the riders start out on their grind.

Starting from in front of Crockett's the riders turn at Great George Street and ride out Elm Avenue past St. Dunstan's University to the turn at Highfield; here they cut across to connect with the North River Road that leads them in past Gates' Mills right to the Willow Corner where they turn right there to the track at the new Memorial Athletic field to finish the race on the quarter mile track in full view of the crowd of spectators that are expected to be on hand.

The one-mile bicycle race to be held in connection with the event has been set over until Saturday afternoon when it will be incorporated into the interscholastic track and field meet taking place there that day.

All riders are asked to be at Crockett's Jewellery Store no later than 5:30 this evening where they will be issued their numbers and given final instructions before the race.

SPORTING NEWS

SEPTEMBER 19, 1947 THE CHARLOTTE-TOWN GUARDIAN PAGE SEVEN

Getting away from baseball and horse racing, two sporting events that have been holding the spotlight for the better part of the summer months sports fans have something new in store for them tonight when a ten mile bicycle race and an Island amateur boxing tournament to decide provincial championships will be held.

Both events are expected to attract large crowds of fans to watch the simon-pure in action.

In the bike race, sponsored by Bill's Bike Repair shop fans are expected to pack the course to watch the finely conditioned young pedal pushers traverse the grueling course that has been laid out and it seems to be the consensus of opinion that the affair will be a hotly-contested one.

The race finishes on the quarter mile track at the new Memorial Field at Victoria Park and with bleachers now erected fans will have a clear view of the riders as they complete the final half mile of the ten mile grind.

The Armories should be the scene of plenty of fistfights as the Island mittens battle it out for an Island title with a chance to represent the province in the Maritime tourney at Moncton in October.

Slow starting the entries have been piling in at a rapid rate the past few days and Director of Physical Fitness Bill Reid who is the guiding hand behind the venture will present a well filled card for local boxing followers.

One thing is certain and that is that the bouts will produce the liveliest action witnessed in a local ring in some time. For real honest to goodness efforts the amateurs take second place to no one and if there isn't much scientific boxing on view tonight the mitt-slingers will certainly make up for it in the free swinging, hard punching efforts they will put forth.

According to well founded rumors Charlottetown will lose three additional hockeyists this season whose loss will be felt in local City League circles. They are Bub Dowling, Willie Shepherd and Alie Carver, three youngsters who have been turning in great performances here the past couple of years and who many expect will develop into future stars of the game.

It is said that the trio have accepted offers to play with a North Sydney team in the Cape Breton Hockey League and will leave sometime around the first of November. If the boys make the grade, and there seems to be no reason why they should not, the Legion team of which they were members are going to be hard-put to replace them if and when they decide to continue City Hockey League operations.

Training as if a world title were at stake Big Boy Peterson and Jinks Jenkins are nearing top form these days as they prepare for their heavyweight title bout at the Forum next Monday night and indications now are that fans will see one of the toughest bouts between local boys ever to take place here.

Both are confident they can take the other's measure. In their last meeting the result was a draw verdict that satisfied neither one of them as both felt certain that they should have been awarded the decision.

Since that time plenty of hard feeling has crept in between the pair of them in a fistie sense. Both are confident that they can take the other's measure and rather than leave the final reckoning up to the officials both will go out Monday night in an effort to place the other in a horizontal position long enough at least to have the referee toll the fatal ten count over them.

Sharkey To Referee Giants Boost Home Run Total To 211

Jack Sharkey, former world's heavyweight boxing champion will referee the wrestling show to be staged at the Forum next Wednesday night, promoter Charles Archer announced last night. Sharkey's appearance here confirms the previous announcement of his pending appearance here and it is quite evident that a large crowd of fans will be on hand to watch the former champion in a referee's role.

Sharkey will likely draw the limelight on Wednesday night, but plenty of attention should be given to the appearances of being a top-notch one.

In the main event Len Hughes, winner over Al Korman here last Monday night, will meet the same Korman in a return match that should provide action galore as it is well known there is little love lost between the two grapplers.

In a supporting role, but a match that could very easily steal the show from the main events, Edman Bull Curry will meet an equally tough character in the person of rugged Harry Madison from Springfield, N.S., who proved his worth last Monday night when he defeated Kukavich in a tough, grueling encounter.

Sharkey's appearance will be but the start of a line of top-liners in the athletic world. Jack Dempsey whom many consider the greatest champion ever to don gloves, will follow shortly while Two-Ton Tony Galento and Rocky Graziano will be witnessed in a wrestling and boxing action. All the events promise to attract record crowds to the big Forum before the plant is turned over to ice-making operations for the winter's schedule.

Giants Boost Home Run Total To 211

(By The Canadian Press)
New York Giants hiked their home run total for the season to 211 in their 9-5 National League triumph over Chicago Cubs yesterday.

Bobby Thompson's four-base smash in the third with a man on base was good for two runs after the Giants could score but a single tally in the first on four singles. Cubs got all their runs in a fat third inning that included doubles by Phil Cavaretta and Johnny Miller, starting pitcher.

Cincinnati Reds finally caught up with Emil (Dutch) Leonard, Philadelphia pitcher who had beaten them three times previously this season, knocked him from the box in the sixth inning and went on to win 5-4.

It was the final game of the year between the two teams and gave the Reds a 12-9 edge.

Pittsburgh Pirates' Wally Westlake drilled a home run into the stands in the last of the ninth and the Pirates won an 8-7 decision over Brooklyn Dodgers that closed out any chance the Dodgers had of clinching the National League flag yesterday.

DUCK SEASON
Sir.—Reading your sport page today I read a well written letter on duck season opening, signed E. Jay, Peakes.

I agree with Mr. Jay on all points, that the duck season should be opened on September 25th, and give us country gunners a chance who know something about shooting.

I think the Game Association has made a big mistake by opening the Hungarian partridge season eighteen days before the duck season opens.

As we country sportsmen know, 40% of our ducks will be shot during the eighteen days of Hungarian partridge season before duck season opens, and the other 60% scared to the bays.

That is, unless the Game Association has decided to have a shore of Prince Edward Island to watch men so that they will not shoot ducks instead of Hungarian partridge, as I know a lot of gunners are planning on doing.

I think it is not fair for the Game Association to make laws against our country sportsmen.

Where are our ducks hatched? In Charlottetown? No, but on our country sportsmen's property and marshes.

Who takes care of the mother ducks and their young while they are hatching on their property, but the sportsmen of the country, who try to avoid them and not disturb them while hatching.

I see that the duck season is supposed to open on October 19, which falls on Sunday. I read some time ago that the Game Association had posted a law forbidding gunners from shooting on Sunday. I wonder if they have changed this law too.

There are more ducks this year than there have been for the past three years, and I do not see why the season should be changed to October 19, when our ducks are all gone from the rivers and marshes.

Other years we sportsmen always looked forward to the opening day of duck shooting, but this year it will be no good unless it will be changed from October 19 to September 25th.

I am, Sir, etc.

Boxing Championships At Armories Tonight

Everything is in readiness at the Charlottetown Armories for the Island amateur boxing championships tonight at 8:00 p.m. Entries range from the flyweight (112 lb. and under) to heavyweight (175 lb. and over) and at the time of closing entries had been received from Charlottetown, Borden, Kensington, Victoria, S. D. U. and Morel.

A standard ring has been set up with the usual extra heavy ring lights, plenty of space has been provided at the ringside for officials and fans and it would appear that the stage is all set for a real night's sport.

Fighters will report to Mr. Thomas White at the Armories at 5:00 p.m. for weighing in, drawing of first-round opponents and to receive the referee's instructions. Fighters will be in the dressing room not later than 7:30 p.m. and must be seated at ringside ready to enter the ring on completion of the bout preceding theirs. These arrangements should guarantee a fast-moving program for the fans and with a capable slate of officials handling the events amateur boxing should really come into its own in P. E. Island.

Prominent among the entries in tonight's big show are the following athletes: Rolie Diamond, Tom Fendergast, Reg O'Brien, Bill Pryor, Hal Bullock, Austin Fendergast, Max Murphy, Roger Kennedy, Steve MacDonald, Ronnie Diamond, Dave Livingston, Dick Ryan, Jack Cullen, Lorne Kelly, Bill Fendergast.

Martin And McCourt Win

Andy Martin and Jack McCourt won the Brighton Horsehoe Club's double title and the Roper and Larter Trophy last night, defeating E. Brown and Gerald Gallant three games to one in the best of five series. Martin and McCourt won the first game last night to decide the title after the play stood two games to one Wednesday.

In singles play D. Shephard defeated E. McCourt, J. Slomka defeated George Sloyer and A. Doyle defeated Len Phillips.

Drawn at 7 D. Shephard plays A. Doyle and the winner will then play J. Slomka at 8.

Draw for additional play will be made from Roy Vessey, Earl Goss and Bill Murley, other contestants in singles competition.

Softball Winners Are Congratulated

The Emerald girls softball team are to be congratulated on their fine display of ball which they have played this past summer, having played several games with different teams throughout the season and winning them all. The first game being a series of three games with the Bobby Sockers, the Emerald girls winning two, and should therefore be entitled to the Island championship.

Good luck, girls, and your Emerald opponents hope you will be joined in their league next summer.

Five Upsets Occur In Great Racing Program Yesterday

Carl Frisco, owned by P. J. Cadegan, Glace Bay, N.S., captured the \$1,000 free for all at the Covehead racing meeting yesterday as he paced off with the first two heats of the feature event before being drawn for the third and final mile. It was a stunning upset but there was no heading the smooth pacer yesterday as he went away on the rail the first heat and was never headed and then repeated his wire to wire victory in the second mile, with miles in 2:09 and 2:08 2-5. Third and final heat went to Judd, runner-up in the two heats won by the Frisco horse.

That was only one of the many upsets. In the other four classes lightly backed horses came home in front to make a complete rout of the betting favorites as Milton Budlong won the first division of the No. 3 Classified, Lee Brewer, veteran campaigner, showed his old trotting ability by being a straight heat winner in No. 1 Classified; O. U. Volo came on to capture the No. 2 Classified after finishing second in the first mile to Josedale Clipper, and to complete matters, Lucky Pal, smooth gaited trotter owned by James O'Brien, Alberton, came through with a sensational display to win the second division of No. 3 Classified after being third behind O. U. Volo in the first test of speed.

And during the afternoon of upsets another large crowd of fans witnessed some of the best racing of the season with the photo finish camera being called into use several times by previous winners and when the heat winner did have a clear margin usually three and four horses finished in a bunch battling it out for the runner-up position.

Once again the officials ruled strictly and impartially with Dr. P. C. Dougan adding further laurels to his starting record with the No. 2 Classified driver to win the Josedale Clipper being a commendable effort.

Janiro-Pellone Bout Tonight

(By The Associated Press)
NEW YORK, Sept. 18.—For the last couple of months the break busting at Madison Square Garden has been strictly of the busi league variety. So it is a pleasure to report that tomorrow night major league fisticuffing returns. A 10-rounder between baby-faced Tony Janiro, out of Youngs town, Ohio, and tough Tony Pelone of New York marks the return of big-scale boxing.

These are the two welterweight rated immediately behind champion Ray Robinson in the latest National Boxing Association lists and the Harlem sugar man already has agreed to give the winner a crack at his crown in December or January.
