

"Don't Neglect a Cough or Cold."

It can have but one result. It leaves the throat or lungs, or both, affected.

Dr. Wood's Norway Pine Syrup is the medicine you need. It is without an equal as a remedy for Coughs, Colds, Bronchitis, Sore Throat, Pain in the Chest, Asthma, Whooping Cough, Quinsy and all affections of the Throat and Lungs.

A single dose of Dr. Wood's Norway Pine Syrup will stop a cough, soothe the throat, and if the cough or cold has become settled on the lungs, the healing properties of the Norway Pine Tree will proclaim its great virtue by promptly eradicating the bad effects, and a persistent use of the remedy cannot fail to bring about a complete cure.

Do not be hampered into buying so-called Norway Pine Syrup, but be sure and insist on having Dr. Wood's. It is put up in a yellow wrapper, three pine trees the trade mark, and price 25 cents.

Mrs. A. Elles, Innisfail, Alta., writes: "Last spring I had Typhoid fever and Bronchitis, which left me with a terrible cough. I tried doctor's medicine but got no relief until my husband got me a bottle of Dr. Wood's Norway Pine Syrup, and before I had finished it my cough was cured. My husband also used it whenever he has a cough. I would not be without it."

HORSE SHOEING

HORSE SHOEING all kinds while you wait at J. A. Henderson's

Palpitation of the Heart.

One of the first danger signals that announce something wrong with the heart is the irregular beat or violent throb. Often there is only a fluttering sensation, or an "all gone" sinking feeling; or again, there may be a most violent beating, with flushings of the skin and visible pulsations of the arteries. The person may experience a smothering sensation, gasp for breath and feel as though about to die. In such cases the action of Milburn's Heart and Nerve Pills are justifying the name.

Mr. Sylvester Smith, Hampton, N.B., writes: "I was troubled with palpitation of the heart and tried doctor's medicines, but they only gave me temporary relief. I heard of your Heart and Nerve Pills and bought two boxes and before I had used them I was completely cured and would recommend them to all similarly affected." Price, 50 cents per box, or 3 boxes for \$1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Conditions Of Bible Study Contest

1. Persons may join the club at any time during the year. But must qualify for the prizes. It is however desirable that the questions answered as the lessons are studied.

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8 1/2 by 11 inches.

5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name cut out so the examiner may know it by number only.

6. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.

7. The answers from this Local Club must be delivered to this office, and they will be collected at the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

Waps-Resolena

Established 1879

Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria

Resolena is a boon to Asthmatics

Does not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach.

As a cough remedy, it is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those who are consumptive, and who are unable to take any other remedy, should try this. It is a boon to all who are afflicted with any of the above diseases.
