"Are you going to patch it with bubble gum again—or shall I look in the Guardian Want Ads for a plumber?"

AVOID THUMB-SUCKING

Irregular teeth, which ruin appearance, may be due to childhood neglect. Thumb-sucking, lip-biting or mouth-breathing due to a nasal obstruction, all contribute to deformed teeth.

Contract Bridge

By Josephine Culbertson

Now They'll Really Fight! "Dear Mrs. Culbertson: The following hand caused a terrific row between North and South. We would appreciate your opinion.

Bridge hand diagram showing cards for North and South in Spades, Hearts, Diamonds, and Clubs.

This is the way the bidding actually went: West Pass, North Pass, East Pass, South Pass, West Pass, North Pass, East Pass, South Pass.

West opened the heart king, but when he saw the dummy, shifted to his singleton diamond. East's ten forced the ace and South ended up by losing one heart and two diamonds.

"North claimed that South's five-club bid was ridiculous; that he should have doubled East's four diamonds. It is agreed that North South could have beaten that contract four tricks. South maintains that he could not expect to defeat four diamonds that much and that he had every right to feel that he could make five clubs with very little assistance from North. Please adjudicate."
