Merry Minstrels Open 3-Day Show To Capacity House

The "Merry Minstrel" Company of St. Dunstan's Basilica opened a three-day billing at the Holy Name Hall last night before a large crowd of people who fully appreciated the entire show.

As in every Minstrel Show, the "End Men" stole the show. This year's end men were Alvin Thomas Elmer Gallant, Second Tambor, Jim McTague, First Bones, Connie Le Clair, and Second Bones Bill Jay.

The show being rather lengthy, the interactor asked the audience to kindly refrain from clapping for encores. The entire presentation of the show took approximately two and a half hours with time out for the intermission.

Overture: Southern Melody—Orchestra. Opening: Choral—Minstrel Medley. Vocal: Boy of Mine — J. Flanagan.

Vocal: Songs My Mother Used to Sing—F. Hennessey and Chorus. Vocal: A Street Where Old Friends Meet — H. Pineas and Chorus.

Step Dance — M. Gallant. Vocal: Tea for Two — J. McDonald and Chorus. Vocal: It Ain't No Fault of Mine — J. McTague.

Violin Duet: Old Black Joe — K. Hornby and A. McKearney. Vocal: A Bluebird Singing in My Heart — H. Roach and Chorus. Skit — Bill Jay.

Intermission. Rose Bouquet: Choral — I. Roses of Picardy, 2. Only A Rose, 3. Rose O'Day, 4. Rosie O'Grady. Step Dance — Andrew Gallant.

Vocal: Goldenrod — Dorothy Petrus, Teresa Murnaghan, Elaine McDonald, Joan Murnaghan. Banjo Solo: Sue City Sue — Hollis Warren.

Vocal: Tucky Home — Connie LeClair and Chorus. Vocal: You're a Good Man, Charlie Brown — J. Murnaghan and Chorus.

Skit — Elmer and Kay Gallant. Vocal: Shipmates O' Mine — Frank McTague and Chorus. Instrumental: Jigs and Reels — Art Doucette; Charles Peters; Wendal Burke; Edward Bertrand.

Final: Choral. Cast: Laurie MacDonald, Teresa Gallant, Teresa Trainor, Shirley Richard, Betty Prowse, Kay Flanagan, Eleanor Trainor, Lorna Flood, Eleanore McLaughlin, Betty McDonald, Cecelia Thistle, Joe Thistle, Jim Bolton, Frank McIntyre, Elmer Gallant, Connie LeClair, Jim McTague, Frank Casey, William Jay, Andrew Gallant, Austin Connolly, Art Doucette, Charles Peters, Wendal Burke, Edward Bertrand, George Weatherble, Hughie Trainor, Mike Robinson.

Orchestra: Violins — Miss K. Hornby; Mr. Alf. McKearney; Banjo — Hollis Warren; Sax — L. Alexander; Drums — Wm. Murphy; Piano — A. B. Connolly.

Local Dealers Show R.C.A. New Records

An entirely new system for the reproduction of recorded music was shown to representatives of R. T. Holman Ltd., Summerside and Charlottetown, Smallwood and Summerside, Miller Bros. Ltd., Charlottetown, The Robert Simpson Eastern Ltd., Charlottetown, in a demonstration by the R.C.A. Victor Co. Ltd., at the Charlottetown Hotel last evening.

The demonstration was arranged by Mr. E. Hammond, Manager record sales and promotion, Montreal. The new phonograph and record operates at 45 revolutions per minute and is said to provide distortion-free music of improved brilliance and clarity of tone.

Mr. Hammond said the new record player contains the fastest recording mechanism ever developed. The outstanding characteristic of the machine is the one and a half inch spindle which houses the drop mechanism.

Dealers were told that the new phonographs will be sold along with the conventional 78 rpm machines records for which will still be available. However, the later models of combination machines will be adaptable to both speeds, and owners of older machines may purchase attachments which will allow them to play the new records.

Stressing the small size of the new plastic records, Mr. Hammond stated that these will permit the housing of a complete library of 1,000 records in an average size console.

Hear Graphic Story of Junior Red Cross Work

Members of the School Improvement League, I.O.D.E., C.W.L. and representatives of the Red Cross heard Dr. Muriel Uphrighard, Deputy Director of Junior Red Cross activities for Canada, yesterday afternoon at the Y.M.C.A. explain the tremendous amount of work undertaken by youngsters in Canada.

Dr. Uphrighard listed several of the Junior Red Cross projects now financed by school children in the Dominion, in addition to a nursery for small children in war-ravaged China, a camp in Switzerland for children of Europe, undernourished and threatened by tuberculosis and anemia, and now in operation in England as a plan whereby children amputation cases as a result of war are fitted with artificial limbs.

Dr. Uphrighard was introduced by Mr. R.H. Rogers, President of the Prince Edward Island Red Cross. Appreciation for her interesting address was given by Dr. Lloyd Shaw, Deputy Minister of Education.

Tea was served during the afternoon with Mrs. J.P. Lantz and Mrs. H.L. Palmer presiding at the tea table. Mrs. Harry Cudmore, Mrs. G. MacCallum, and Miss Phyllis Aitken served refreshments.

Will Hold Next Meeting Here in 1950

The next meeting of the Canadian Society of Animal Production will be held in Charlottetown during the last week in June, 1950, coinciding with the national convention of the Agricultural Institute of Canada, stated Mr. R. C. Parent, Superintendent of the Experimental Farm, on his return from a meeting of the Society in Ottawa last week.

"Livestock Management" was the theme of the conference, which was attended by some 60 eastern agriculturists. Mr. Parent is Maritime director. Papers read dealt with such subjects as diseases, artificial insemination, labor saving devices in dairying and simple operations on livestock.

Junior Red Cross Work Reviewed At Rotary Club

The Junior Red Cross has about 900,000 members in Canada and is organized in fifty-five countries of the world, said Miss Muriel Uphrighard, Deputy Director of the Junior Red Cross, in her address to Rotarians yesterday.

Members are taught that health is not merely the absence of disease, but a state of physical, mental and moral health must come from the constant practice of the rules of good behavior.

The difficulty of carrying out these rules which are taught in all groups is that those responsible in the community are themselves not keenly enough aware of what is required. For example, even the youngest member of the Junior Red Cross knows that hands should be washed before eating, yet the facilities to carry out even this simple health practice are often limited and sometimes entirely lacking.

Ideals of community service are stressed and projects are undertaken which stimulate the interest of the young people in the betterment of their community.

Dr. Uphrighard said that another important activity of the movement was the International friendship which was developed through the exchange of postcards depicting the children of their community. The portfolio was sent to a branch of the Junior Red Cross in another country which responded by sending a similar portfolio.

Arrangements have also been made for the exchange of students which will also help to foster better international relationships.

Mrs. S. MacCallum, Director of the Junior Red Cross for P. E. I. was present. Chairmen were Rotarians Alfred Pickard and E. D. Reid. The speaker was introduced by Rotarian R. C. Parent, President of the P. E. I. Red Cross Society.

Experimental Farm Service For Breeders

For the purposes of comparing and "proving" the Ayrshire herd bulls at the Experimental Farm, Purcell's Ayrshire breeders may avail themselves of an artificial insemination service through Farm facilities provided they breed according to the Farm requirements, stated Mr. C. Parent, Superintendent of the Experimental Farm, on his return from a meeting of the Society in Ottawa last week.

Mr. Parent stated that the service which has been authorized at Ottawa, is an experiment serving to maintain the artificial insemination unit equipment for future use.

It is proposed to charge the same fee of \$5.00, this new service, as is now charged for the same fee for the papers.

Cows will be bred first to the senior herd sire, Evans Sir Rodrick 7th and then to the junior sire of the division-leading Sunflower cow. Comparisons may then be made with the dam and daughter's production.

To qualify for the AA grade, apart from other considerations, a sire must have 10 qualified ROP daughters. This experiment will also speed up the qualifying time for bulls at the Farm.

Mr. D.J. Riley Laid To Rest Yesterday

The funeral of Mr. Daniel J. Riley was held yesterday morning from his late residence, 11 Villa Avenue to the Church of the Most Holy Redeemer where Solemn Requiem High Mass was celebrated by the Rector, Very Reverend Edward Baldwin, C.S.B., assisted by Rev. W. Mann, C.S.B. as deacon and Rev. R. Delaney, C.S.B. as sub-deacon. Rt. Rev. Dr. R. V. MacKenzie, Rector of St. Dunstan's University, was present in the Sanctuary.

Honorary pall-bearers were: Hon. J. Walter Jones, Hon. G. D. Je-Bios, Dr. W. J. P. MacCallum, O.B.E., J. O. Hyndman, Dr. J. D. McLaughlin, A. E. Arsenault, Judge C. Gavan Duffy and James Harris. Active pall-bearers: Justice M. R. McGuigan, Justice G. J. Tweedy, Judge C. St. Clair Trainor, T. W. L. Prowse, Vincent M. Blake and Simon P. Paoli.

Members of the City Police, City Fire Department and His Worship Mayor B. Earle MacDonald and members of the City Council attended in a body.

Interment took place in the Catholic Cemetery where services were conducted by Rev. Walter Mann, C.S.B.

Inquest Held Into Death Of Southport Boy

The Coroner's Jury found last evening that the cause of the death of six-year-old David McDowell was "decapitation from running into the side of a moving motor vehicle driven by Blair Brauhaut. No blame is attached to the driver."

David was killed about 4 p.m. on Friday, May 27, while playing in the park between Southport and Hillsborough Bridge.

The first witness called, John Gordon Aylward, 12 years, told of the four youngsters who were on the road on the way from the store. He himself, was on his bicycle. His attention was called to a picture in a newspaper in the gutter. He got off his bicycle and stooped to see the picture.

Little David, in play, made a pass at him and ran into the road. He hit the truck when about half way across the road, a "little in the rear wheel." Answering questions of Crown Prosecutor Mr. Jack Nicholson, Gordon stated he didn't hear the truck near the horn, that the boys were on the shoulder of the road and that the truck "wasn't speeding."

Dr. Harold Shaw, Provincial pathologist, stated it was his opinion that the cause of death was decapitation which could have been caused by a heavy truck.

R.C.M.P. Constable A. M. Johnston told of visiting the scene of the accident. Producing a sketch of the road, the Constable told of testing the truck brakes which were "in excellent condition." He said that from the witness Gordon's side of the road, he attempted to get off the pavement.

Donny Gordon, 9 years, corroborated Gordon Aylward's evidence and stated that he saw the truck "at a moderate rate of speed." When it stopped he ran to the road and found the body "about the centre of the road."

Miss Marion Aylward, Southport, told of watching the four boys playing in the gutter from her kitchen window. She said she saw the truck "at a moderate rate of speed." When it stopped he ran to the road and found the body "about the centre of the road."

Tracadie Cross Junior Farmers Organize

A group of young people met at Tracadie Cross hall Friday evening, May 27th and organized a Junior Farmers Group. This group is the fifteenth one organized in Prince Edward Island since February 1948.

Mr. Willard Smith was appointed chairman. Mr. Morris Deacon, extension representative, Department of Agriculture was on hand to point out the benefits obtained from organization of rural young people and to explain the regulations as laid down in the constitution.

Mr. McMillan both spoke in favour of the Junior Farmers Group and stressed the value of young people co-operating in rural activities, the necessity for them to assume responsibilities and that the success of this organization rested chiefly with them.

William Lund, Scotchfort, who has been very active in promoting this organization, was appointed president. Other directors elected were: Shirley Mullen, secretary; William Fitzgerald, vice-president; Tracadie Cross, conductor; Rev. R. Borden, A. Coffin, conductor; R. McDougal and E. Lynds, trainmen.

Trains 205-Extra — Summerside, Charlottetown; W. Birch, conductor; E. Paquet and J. Court, trainmen. 207-208 — Borden — Summerside; J. McLaughlin, conductor; V. Curley and R. Jay, trainmen.

Ross, engineers; C. Deighan, L. Smallwood and G. Stewart, firemen. Souris Yard: J. Lightner, L. Cameron, M. McDonald; F. Lappin, A. Egan, Coffin and McKay.

Railway News

Traffic still continues to be heavy on the Island Division of the Canadian National Railway. In addition to the regular trains some five or six extras are running almost every day. There is a heavy movement of fertilizer from the local plants at Cliffburna and Summerside, as well as from the mainland. Outward to the mainland movement of potatoes continues heavy.

On the retirement of Mr. J. E. R. McEwers from the position of chief train dispatcher, M. A. Howatt has been promoted to that position. Mr. Howatt's position of train dispatcher has been held in by Fulton Proud of the local ticket office staff.

Engineers P. Darte, Jos. McPhee and R. Bell are enjoying their annual vacations. Jas. Cameron, Ticket Agent, is in Montreal attending a meeting of local chairmen of the O.R.T. Mr. F. W. Gallant, relief agent, is filling the position during Mr. Cameron's absence.

Concurrent with the recent change of time on the Island division the following train and engine crews have been assigned to the various trains as follows: Trains 205-Extra — Summerside, Charlottetown; W. Birch, conductor; E. Paquet and J. Court, trainmen.

207-208 — Borden — Summerside; J. McLaughlin, conductor; V. Curley and R. Jay, trainmen. 212-211 — Tignish — Summerside; A. S. McAssey, conductor; Burns and Trainor, trainmen.

56-55 — Souris — Charlottetown; W. Doyle, conductor; T. Arbing and Davey. 57-58-220-219 — Georgetown, Mt. Stewart and Charlottetown — F. Currie, conductor; B. Stewart and A. McDonald, trainmen.

210-209 — M. Harbour-Charlottetown; O. Stewart, conductor; D. McCallum and O. McAssey, trainmen. 55-54 — Tignish — Charlottetown; H. Bell, conductor; W. Grimes and A. Dover, trainmen.

54-53 — Tignish-Charlottetown; J. Herzig, conductor; E. Haywood and A. Dover, trainmen. Set up crews: Fay Glover, W. W. Jay and H. B. Douglas, conductors; E. Lavers, E. Warren, R. Woyliffe, H. Hood, V. Grant and Moore, trainmen.

Spare board: G. Burgoyne, conductor; Trainor, Wheatley, F. Butler, M. Burgoyne, Glover and Webster, trainmen. Charlottetown Yard: A. Vickerson, P. Whitlock, A. Howatt-T. Lavers, Conway, P. Mahar.

Borden Yard: A. Jay, M. DeLaney, D. McLeod-T. C. Howatt, A. Ross, M. McPherson-F. J. Howatt, R. Ferguson, and G. McKay. Engine men set up as follows: Trains 39-602: J. Paquet, engineer; J. Darte, fireman.

501-40: E. Cantwell, engineer; W. Doyle, fireman. 53-54: H. Howatt and R. Daldiel, engineers; G. Jeffrey and G. Mitchell, firemen. 205-Extra: D. Coffin, engineer; W. Doyle, fireman.

207-208: T. Doyle, engineer; H. McCormack, fireman. 212-211: E. Deighan, engineer; F. Paquet, fireman. 57-58: R. Dougan, engineer; R. McCoe, fireman.

Death of Mrs. Carrie L. Smith In Moncton

In Moncton and in Albert County, as well as other parts of the province, the news of the passing of Mrs. Carrie L. Smith, widow of J. Nelson Smith, of Coverdale, will evoke profound feelings of sorrow. The demise of this venerable citizen of Moncton occurred at the family residence, 53 Princess street, on Sunday May 22nd, following a short illness.

Mrs. Smith was a native of Coverdale, being a daughter of the late Alpheus and Rebecca (Stiles) Mitten. She spent the greater part of her life in Albert County, but for the past quarter-century had made her home in Moncton. Her late husband, who predeceased her 19 years ago, was long prominent in the lumbering and agriculture spheres of Eastern New Brunswick. And in the years when the ship building industry formed a great enterprise in Albert County, he was one of the foremost leaders in this field and for many years after wards a well-known shipowner.

The late Mrs. Smith possessed fine womanly qualities, which with high Christian ideals endeared her to all with whom she came in contact and her friendships were many and lasting. Her life indeed was one devoted to service for others and her passing will be deeply mourned. In religion she was a member of the United Church of Canada.

Left to mourn their loss are two daughters, Mrs. F. W. Turner, of Charlottetown who has been in the city during the critical period of her late mother's illness, and Miss Laura Smith, at home, also one son, Hon. Lewis Smith, daughter of Hon. and Mrs. Lewis Smith. Surviving also are one sister, Mrs. Celia J. Steeves, of Gungahaville and a brother, Edward Milton of California.
