BEAVER

"BEAVER FLOUR" is the unfailing friend of the housewife. It saves her the trouble of keeping two kinds of flour—one for bread and another for pastry. Being a perfect blend of Manitoba Spring wheat and Ontario Fall wheat, it gives to bread the rich, nutritious properties of the former and the lighter qualities of the latter, making a large white loaf of delicate texture and exquisite flavor. Pastry, biscuits and cakes, made with BEAVER FLOUR cannot be excelled.

A feature of the musical program in Edmonton during the visit of Sir Wilfrid Laurier was the brigading, or massing of four bands. The Edmonton Bulletin after commenting on this, says:—Bandmasters Shanks and Wate have sent for music to be used for combined work at the Edmonton fair, it is probable that all four bands will be massed for special occasions so that Music (with a capital "M"), will be one of the treats for those musically interested.

The Guardian's representative writes in highest praise of the program at Keith's theatre, Boston, for week of Aug. 15. The heroine, Mable White, expected her cousin, Claude Smith, whom she has never seen, instead of Claude calling a bill collector came and she, mistaking him for her cousin started to make love to him.
