## MEN AND WOMEN TO EARN MORE MONEY

The most powerful single influence in greater production, and consequently in greater earning power, is the energy of the worker.

To work his or her best, the worker must be in possession of perfect health. So many who start the day's work with full vigor, tire as the day's work goes on and are forced to make frequent stops to relieve an aching back.

This backache is not due to the work, but to defective kidney action, and will disappear if treatment with Gin Pills is resorted to.

We have a number of testimonials on file from men who have had to give up work on account of backache, rheumatism, and the various ills that follow poor kidney action. Gin Pills enabled these people to resume steady work again, with the vigor of youth and all the happiness of untroubled activity.

We will gladly send a free trial of Gin Pills to all who feel the need of this tested remedy, or we urge you to buy from your dealer on the strict understanding that your money will be returned if you do not feel benefited by your particular case, accepting your word as the matter. Gin Pills are 50c. a box or 6 boxes for \$2.50. Write for sample to National Drug & Chemical Co. of Canada, Limited, Toronto, or to the U.S. address, Na-Dra-Co Inc., 202 Main St., Buffalo, N.Y. 122

## CANADA FOOD BOARD TELLS WHAT TO EAT

The Canada Food Board today issued a Weekly Budget for a family of five as a guide in food conservation. The question is asked: "Is your family eating more than the proportionate amounts of the several kinds of food set forth in this pamphlet?"

It is stated that "the food situation makes it imperative that such foods as are needed to maintain physical efficiency should be consumed only in sufficient and not in excessive quantities."

"Do not help the Hun at meal time," is the appeal and the public are asked to compare this budget with their own.

The budget is for a man and his wife at moderate work; a boy of 12 years, and two other children of 9 and 3 years, respectively. "This food will provide adequate nourishment for one week. According to well-known authorities, it allows sufficient material for body-building as well as energy for the various activities of the family," states the Food Board. The Budget is as follows:

Meat and meat substitutes—4 lbs. lean meat; 2 lbs. fresh fish; 1 lb. salt fish; 1 dozen eggs; 1 lb. cheese; 2 lbs. dried beans or split peas.  
Fats—2 lbs. butter or oleomargarine; 1 lb. cooking fat.  
Milk—7 quarts whole milk.  
Sugars—3 lbs. sugar; 1 lb. corn syrup, molasses or honey.  
Cereal products—20 lbs. flour; 10 lbs. cereals in other forms.  
Fresh vegetables—40 lbs. potatoes; 14 lbs. other fresh vegetables.  
Fruit—14 lbs. according to season.  
A series of replacement values showing approximate equivalents of the foods and quantities included in the Budget is appended. These will enable the housewife who is striving to follow the Food Board's advice and requests to provide variety and at the same time to adjust her weekly budget to the income available for expenditure on food.

**TRUST**  
Tis sweet Oh! loving Lord to feel,  
As on my pillow rests my head  
That thou art watching, even near,  
And making easy, soft my bed.

Why Providence had cause to frown  
But when thou givest inward peace  
How can I doubt that I am thine  
Of fear thy love divine shall cease.

Whom have I Lord in heaven but thee,  
And whom beside thee on the earth  
Could I desire? when thou alone,  
Canst give unto my soul new birth.

Canst give that inward consciousness  
That thou the shepherd of the sheep,  
Wilt not forsake thy little ones,  
But wilt to everlasting keep.

Dear Lord thou camest to my door  
And knocked, else I had never known  
Thy tender love, "Thy loving care"  
Which thou hast ever to be shown.

Ah! did I keep thee waiting, long  
Until thy locks were filled with dew?  
Did I refuse to let Thee in,  
With me thy covenant to renew.

Shame! shame! Oh! wicked, stubborn heart  
Let it—dear Lord now broken be  
Forgive me all and enter now  
To sup with me and I with thee.

And never more my Lord depart  
Leaving me sad dejected lone,  
For nothing else is half so sweet  
Since thou thy wondrous love made known.

And if dear Saviour thou art pleased  
To hide thy face a little while  
Until it seems as if no more  
I shall enjoy thy loving smile.

Bid me to rest content, to wait,  
Till that dark hour of gloom be past  
Looking expectant unto thee  
And keeping faith until the last.

Let me still praying, near doubt  
That thou hast all my sins forgiven  
That thou wilt yet return to give  
My soul that sweet forstaste of heaven

Nought else but thine own treasures  
Lord  
Given so freely from thy store  
Can satisfy the fainting heart  
And safely tide the billows o'er

Nought else but thy love's healing balm  
Can heal the wounds of Satan's dart  
Nought else can keep the spirit calm  
When doubts and fears have filled the heart.

Nought can these doubts and fears dispel  
When they assail the sin sick soul  
But faith in Christ's atoning blood  
And hope, to cheer, revive, console.

Oh gracious loving Savior hear  
Thy prayer from my heart  
The groans unuttered and the sighs  
And by thy spirit grace impart.

Till bidding all on earth adieu  
I feel thy arms about me twine  
Perfection, then shall crown my joy,  
Lord Thou art mine for I am thine.

## Too Nervous To Sleep

Nerves Wrecked by Accident—Was Afraid to Go in a Crowd or to Stay Alone—Tells Of His Cure.

London, Jan. 30.—Much sympathy was felt in this city for Mr. Dorsey, who met with a distressing accident when his foot was smashed in an elevator.

The shock to the nervous system was so great that Mr. Dorsey was in a pitiable condition for a long time. He was like a child in that he required his mother's care nearly all the time. He feared a crowd, could not stay alone and could not sleep because of the weakened and excited condition of his nerves.

Detroit doctors did what they could for him, but he could not get back his strength and vigor until he fortunately heard of Dr. Chase's Nerve Food.

It is no mere accident that Dr. Chase's Nerve Food proves to be exactly what is needed in so many cases of exhausted nerves. It is composed of the ingredients which nature requires to form new blood and create new nerve force. For this reason it cannot fail and for this reason it succeeds where ordinary medicines fail.

Mr. Laurence E. Dorsey, 39 Stanley street, London, Ont., writes: "About three years ago I got my foot smashed in an elevator in Detroit, which completely wrecked my nerves. I doctored with the doctors there, but they did not seem to be able to help me. My nerves were in such a state that I could not go down town alone, or go any place where there was a crowd. Some times my mother would have to sit and watch over me at night, and sometimes I could not get any sleep at all. But one day last winter I commenced using Dr. Chase's Nerve Food and before I had completely used the first box I could see a difference in my condition. I continued using these pills for some time. The result was splendid. I feel so much better, can sleep well at night, can go out in the street and attend gatherings like the rest of people. I am so pleased to be able to tell you what Dr. Chase's Nerve Food has done for me, and to recommend it to other people."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edmondson Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

## SAYS ACID STOMACH CAUSES INDIGESTION

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydro-chloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing, and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mucus, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.
