BETS ON WOOD CUTTING—The gambling spirit, inherent in most all humans is rife at present in regard to whether or not Mr. Heath Casley of Kensington can cut five cords of wood into stove lengths in one hour and a half. Fifty dollars is the amount mentioned. The boys do not go on the principle of "betting their small change first". Mr. Casley has numerous "backers" and many "near" takers. K

SUDDENLY STRICKEN—Citizens of Summerside were very sorry to learn that Councillor John H. After endeavoring without success to arouse him Mr. Gallant telephoned for a doctor who upon his arrival had Mr. Grady removed to the Prince County Hospital, where his condition continues to be serious.
