ELLIS-JACKSON

A wedding of interest to many friends and bride and groom in Nova Scotia was solemnized in St. Thomas, Ontario, when Rev. A. St. McGrath united in marriage Ruth Isabel daughter of Mr. and Mrs. F. E. Jackson of Charlottetown, and James Eric Ellis, R.C.A.F., son of Mr. and Mrs. Theodore Ellis, Donaldson, P. E. I. The bride was attended by Mrs. Harold Tait (deceased), N.B. Mr. Tait is a member of the R.C.A.F. Mr. and Mrs. Ellis will reside in St. Thomas for the present.

TOOK OUTSTANDING PART

A Toronto exchange recently reported the presentation of a large and appreciative audience of the comedy drama, "Mama's Baby Boy" by the Young People's Society of High Park United Church. Of the eleven people in the cast, "outstanding" says the exchange, "was Ruth Pancher as the colored maid." Formerly of Charlottetown, Miss Pancher has many friends here and will be interested to learn of the play were devoted to church work.

COASTED UNDER CAR

Two young Charlottetown children escaped a possible death or serious injury early last night as they coasted under a car on Water Street. The children, five-year-old Kenneth MacDonald and his three-year-old brother Francis, sons of Mr. and Mrs. Wallace MacDonald, Water Street, received severe bruises when they were dragged for some distance under the automobile. They were taken to their homes and given medical aid. Police said the car was driven by Mr. Percy Vall who was coming from the direction of the Railway station when the accident occurred near the round house. The driver said he did not notice the children coasting on a street and was unable to make a quick stop owing to the icy condition of the streets.

FAREWELL PARTY

A very enjoyable evening was spent recently at the home of Mr. and Mrs. Hector Darrach, Clyde River, when friends and relatives gathered to pay a farewell tribute to their nephew, Mr. John E. Beer who has answered the call to service and is serving with the R.C.N.V.R. Chairman and in a few well chosen words expressed the purpose of the gathering then called on Mrs. Jack Darrach to read an address which Louis MacLean on behalf of those present, presented Mr. Beer with a beautiful ring emblematic of the service of which he is a member. After Mr. Beer had acknowledged fittingly the gift and being bunched all joined in singing "For He's a Jolly Good Fellow." Lunch was served by the ladies and music and social intercourse, music being furnished by Charlie MacKinnon and Frances Doyle. The National Anthem was sung and at a late hour after wishing Mr. Beer every good wish and the best of luck in his new duties.

FAIRVIEW STILL CROSSING

The car ferry Fairview which plies between Charlottetown and Rocky Point is again operating on regular schedule after experiencing some difficulty earlier in the week because of ice conditions. Although held up by ice on several occasions during trips, the ferry did not cease making crossings on any particular day. The boat succeeded in cutting a path through the ice when it first formed in the harbour over a fortnight ago, and has been travelling back and forth by this route. Yesterday, however, the loose ice had almost completely drifted out of the harbour due to the north east wind which blew across the province the two previous days.

Scout News and Notices

BOY SCOUT TOY SHOP

The 1940 Boy Scout Toy Shop was a very successful undertaking. A Toy Shop Matinee was held at the Charlottetown Theatre on Oct. 26, at which a great number of toys were secured. Some private donations were later made by individuals.

A week passed before work really began on the toys. At this time Scouts representing each Troop of the city were present each night at the Toy Shop which was in the city building.

After 3 months of hard work all the toys had been repaired. The shop was then moved to the 1st. Headquarters (Basilia) where all toys received two or more coats of paint.

The doll department was under the control of the lady cubmasters, who, with the generous help of the Girl Guides of the city repaired, painted and dressed a large number of dolls and stuffed toys.

The cloth dolls, Teddy-bears, etc., were dry-cleaned and disinfected by the New Method Cleaners' free of charge.

A short time before Christmas, lists of names were secured from the city churches, throughout the city.

105 families were supplied with the Boy Scout Toys.

The following is a list of toys which were sent out:

Dolls, cloth toys, teddy-bears, etc. ----- 120 Games ----- 27 Wooden toys, Blackboards 33 Metal toys, including mechanical toys ----- 167 Total ----- 347

A large number of sundry small toys were also given out.

This undertaking meant a great deal of work for many Scouts and Leaders.

The Scouters Club, under which the Toy Shop was conducted wishes to thank all who in any way contributed to the success of this purely Scouting Good Turn.

P. L.'S TRAINING COURSE

The P. L.'s Training Course which was to have taken place December 27, 28, has been postponed until further notice, because of the small attendance.

During the holidays all Troops and Packs have discontinued their meetings until the opening of the City Schools.

Scouts and Cubs will surely enter into the Spirit of Scouting and Cubbing with an even greater enthusiasm than in the past.

Preserves Aid Beaver

OTTAWA - The beaver, Canada's best known animal, is making a strong comeback on preserves in the James Bay area, according to a report by the chief of the Department of Mines and Resources.

Estimates place the beaver population of these sanctuaries in excess of 200,000 in 1939, when the first of the preserves was established.

Restoration of the beaver in the Hudson's Bay Company's preserves has been made possible through the co-operation of the Hudson's Bay Company, the Dominion Government, the Ontario and Ontario Governments. The first of these sanctuaries was established in 1932 at Rupert's House, Quebec, where the Hudson's Bay Company leased an area of 7,000 square miles for a fifteen-year period. A survey of this preserve in the autumn of 1939 showed a beaver population of 193,000, but with the Indians acting as game wardens rather than trappers the beaver responded rapidly to the protection afforded them. By 1939 the number of beaver in the preserve has increased to 1,044 and by the autumn of 1940 had reached 6,454. Trapping of the beaver in the Hudson's Bay Company's preserves was started in the 1939-40 season, when 500 were taken, and it is planned to trap a similar number in 1940-41.

Two beaver preserves in the James Bay area are located on Charlton Island and Akimisk Island, both in the Northwest Territory. One thousand beaver were established in a sanctuary area in 1933 when 68 beaver were liberated on it. Under the supervision of the Hudson's Bay Company, the beaver population of this sanctuary has increased to about 700 animals, and trapping operations were begun in the autumn of 1939. The beaver were introduced to Akimisk Island in 1935, and a count made in 1939 indicated a beaver population of 250.

In Memoriam

MR. PATRICK J. MCMAHON

Citizens heard with regret yesterday of the death of Mr. Patrick J. McMahon, one of Charlottetown's oldest and most respected citizens. Although he had been in indifferent health for some time his death was sudden and unexpected and was a great shock to his family and his many old friends.

The late Mr. McMahon was born in Richibouctou, N.B. in 1861 but was a life-long resident of Charlottetown. He received his education at St. Patrick's School when it was under the direction of the Christian Brothers.

In early manhood he took to the sea and served for some years on the C.G.S. Stanley when she was in the winter service run by the Department of Marine and Fisheries. He was a member of the National Association of Marine Engineers.

He left the marine service in 1893 and began his long years of service with the electric light companies in the city. He worked for the Pull Electric Light and Power Co., the Light and Power Co., and in latter years for the Maritime Electric.

Last year, after forty-two years of faithful service he retired. The late Mr. McMahon was no prominent man in public life. His life was spent between his work and his home.

His one hobby and diversion was horse racing and he was one of the best informed men in the province on the subject of harness racing. His familiar figure will be missed in the local track which he followed for many years in his official capacity as distance judge he "flagged" them without fear or favor.

He leaves to mourn his wife, five children, one daughter, John, Rev. Patrick and Fred, at home, Thomas "Dick" now in England with the Canadian Artillery, and Leodine, Seanan, George, R.C.N. now in Halifax, and Mary at home.

To all the bereaved The Guardian extends sincerest sympathy.

St. Pauls Sunday School Concert held

A very successful Sunday School concert was held in St. Paul's Parish Hall, which was largely attended by parents and pupils. Songs, carols, dances and recitations were featured on the pleasing program which opened with the Lord's Prayer, followed by the entertainment. Presentation of prizes then took place, followed by the appearance of Santa Claus, who delighted the hearts of the little ones with plenty of candy, apples and oranges.

The National Anthem was followed by Benediction, which was pronounced by Rev. Mr. Gardner to conclude the night's entertainment. Mr. M. D. Mitchell, well known miniature artist of this city, generously presented a copy of her picture, "The Christ Child," to every pupil of the Sunday School.

During the concert it was announced that a life membership in the Bible Society had been granted to Mr. George Anderson.

Following is the program: Two carols: Teen age girls of W.A. B. Girls' Club, recitation. Barbara Pickering, recitation. Joyce Proctor, recitation. Winnifred Hill, recitation. Miss MacLean, solo. Barbara Pickering, recitation. Five children, drill. Joan Williams, dance. Mary Walsh, solo. Mary Walsh, dance. Florine Evans, recitation. Marie Lawson and Norma Lawson, duet. Marjorie MacLeod, recitation.

Glancing Back 25 Years

German submarines were active in the Mediterranean in the week of Dec. 29-Jan. 4, 1915-16, and the sinking of the "Pensacola" and the "Orizaba" in the Persian Gulf, 30 was followed by the destruction of four British freighters and one of Japanese registry. More than 600 British lives were lost in the Persian Gulf of the island of Crete.

Sir John Simon resigned from the British cabinet over the controversy on New Year's Day, 1916. Prime Minister Sir Robert Borden announced that the number of British troops in France would be increased from 250,000 to 300,000 men.

1940 Honey Crop Well Below Average

The first estimate of the 1940 Canadian honey crop shows a total production of 22,633,400 lb. This is 21.8 per cent below the 1939 crop of 28,782,000 pounds, and 23 per cent below the average production of the previous 11 years. Although production was curtailed by the adverse weather conditions, the crop on the whole is of fair quality. A large proportion of the crop has already been marketed at prices averaging 2 1/2 to 3 cents higher than for the crop of 1939, and prospects are that the entire supply will be disposed of before the 1941 crop comes on the market.

Production was lower in Ontario and Quebec and the Prairie Provinces which are the chief producing areas. The Ontario crop, which comprises 42 per cent of the total Canadian production, is estimated at 9,5 million pounds and is 2 million pounds or 17 per cent lower than the 1939 crop which was 11,5 million pounds. The sharpest decline in production was in Quebec where production was 1,1 million pounds in 1939 and 700,000 in 1940. The Manitoba crop was 31 per cent smaller than the 1939 crop. On the other hand, the crop was increased in British Columbia and in the Maritime Provinces or approximately 25 per cent compared with the production of the previous year.

The production of the 1940 honey crop in pounds, by provinces in order of magnitude is as follows: with revised estimates for 1939: (11,500,000) Ontario 9,500,000 (4,282,600) Quebec, 3,620,000 (4,385,600) Alberta, 2,032,000 (2,178,000) British Columbia, 1,250,000 (1,094,900) New Brunswick, 174,000 (87,800) Nova Scotia, 67,000 (77,000) Prince Edward Island, 18,900 (24,400).

The War This Week

(By Don Gilbert, Canadian Press Cable Editor)

Two opinions on the probable outcome of the war were expressed in the 70th week of hostilities, one by Franklin D. Roosevelt, the other by Adolf Hitler.

The German leader, in a New Year's proclamation, declares: "Our 1941 will bring consummation of the greatest victory in our history."
