

YESTERDAY'S STOCK AND BOND QUOTATIONS

MARKET GOSSIP

NEW YORK, May 3.—Today's stock market was cut to a familiar pattern of 2 to 3 points in perhaps a dozen issues and moderate or nominal advances among not only the railroads but also most leaders.

Trading was dull. Nevertheless, evidence of persistent liquidation emphasized prevailing uncertainties and acted as a dampener for most of the day. Subsequently weaker stocks were among those which had the largest declines on Monday, namely, Hershey, Western Union, U. S. Steel, Preferred, Bethlehem Preferred, Woolworth, Pennsylvania, and Coca Cola. Auburn American, Can. Columbian Carbon, International Paper and Coca Cola, Auburn American group in the late trading with a 4 point break.

For U. S. Steel, American Chemical, U. S. Steel, Allied Chemical, Du Pont, National Biscuit, United Carbide and Case net losses averaged barely half a point. Ralls were quiet and fractional lower for the most part. One interested in the forthcoming International Curtailment Conference, did not buy, Dutch being helped by its strength abroad. National Lead broke away from the trend with a 5 point advance. Homestake rallied nearly 3. Sales totaled only 890,410 shares.

Foreign currencies, which recently had been quiet, slipped away from the U. S. dollar, apparently because of fresh fears that inflationary talk in this country might be translated into action. Bankers attributed part of the dollar's weakness to speculative selling there were rather large exchanges gold basis.

Montreal Market

MONTREAL, May 3. (By the Canadian Press)—The familiar picture of a sagging market was seen at the Montreal stock exchange today. Prominent issues touched new lows while the index of 20 representative stocks went to 18.00, a new all time low.

Trading was light with public interest at a low ebb. International Nickel went to its lowest point several years when it sold at 50¢ down 1/4 and Dominion Bridge was also at a new low at 12¢ off point. Building Products was another to scrape into new territory, off 1/4 at 34 1/2.

These issues managed to overcome the general trend. They were Dryden Paper, 1/4 higher at 3 1/2; Bell Telephone UP at 5 1/2; and Eastern Dairies, up a point at 11. Among losses were Canadian Pacific, down 1/4 at 11; Quebec Power, off 1/4 at 10; Canadian Pacific, off 1/4 at 28; and Montreal Power, off 1/4 at 28.

Power led in activity with sales of 1,822 followed by Nickel and C. P. R. with sales of 1,000 and 600 respectively.

It was announced that half yearly interest due May 2 on the half yearly first mortgage sinking fund bonds of the Canadian National Railway, issued by the National Biscuit Company, has not been paid. A bondholders' protective committee, formed last year, is now working on a plan of reorganization for the company.

Exchange sales totaled 6,327 shares against 4,336 yesterday. Bond sales were \$11,400 with no important price changes.

Sterling closed at \$1,942 and United States funds at a premium of 12 1/16 per cent.
